You Had To Be There

Franklin County High School is a very special place where many unforgettable things happen. Friends grow together and develop into young adults. Students gain knowledge, and teachers gain patience and understanding. Athletes develop a competitive edge and a sense of pride. All of us get a "real" education.

However, it's not all about getting an education, but also about making memories and learning from mistakes. The love of our teachers, the dedication of the sports programs, and the determination of our administration have pushed us forward and have helped to have an unforgettable year.

As this year finally comes to an end, the memories and events that are captured on these pages will remind us: "Guess you had to be there."

## Student Life

"We Were There"

There is more to the life of a student than just going to school; however, most students spend the majority of their time doing school-related activities or reminiscing about things that happen at school. Let's face it! School has a major effect on a teenager's life. How we spend our time and who we spend our time with is as much a part of our education as the facts and the knowledge that we gain in our classes. Through school and school activities, we learn to work together, play together, learn together, and live together in a confusing world. What better education could we ask for? Captured on these pages are the times we shared and the lessons we learned - together.

You Had To Be There

Presenting  
A Year to  
Remember

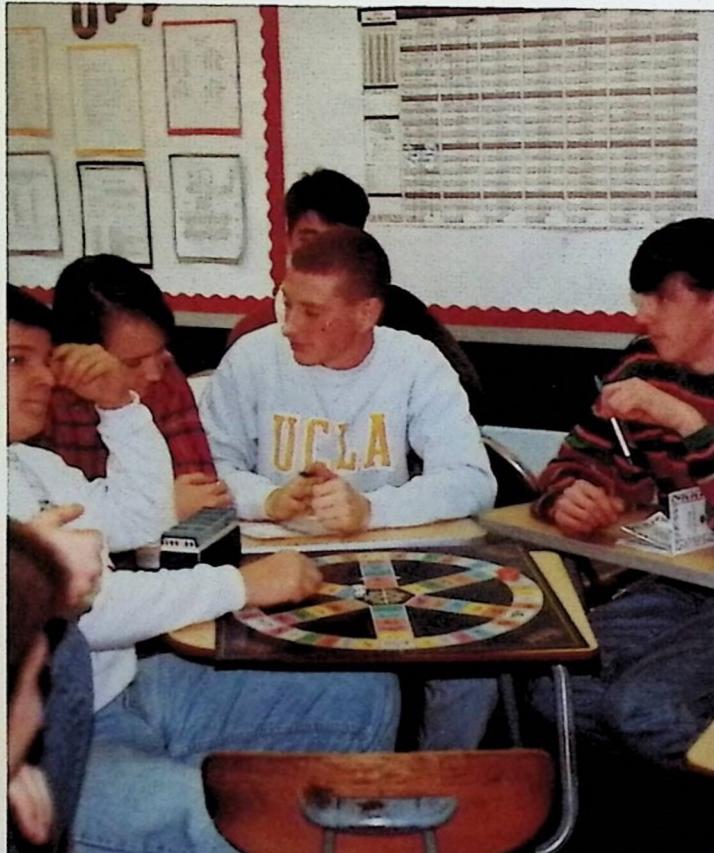

The school year of 1992-93 was full of times when students could say, "Guess You Had To Be There." From the fans to the players, from friends to teachers, we've had our share of good memories that will always remind of us of the Franklin County High School spirit that was seen in everyone this year. Whether it was the golf team, the basketball team, or even the academic team, you could always find someone eagerly cheering them on! This school year, we saw it all happen because we were there!

We are the home of:

- a student body of 940 people.
- a faculty and staff of 60 members.
- a chorus with 140 members, 4 All- Staters!
- a band with 122 members , 3 All- Staters!
- cross country member **Ginger Watkins** who placed 2nd in the state.
- **Julie Barber, Gary Groves, and Ryan Strong** who were basketball players that scored over 1000 points in their high school careers.
- a volleyball team that had a winning season.
- a girls' golf team that went undefeated and placed 4th in the state.
- **Bryan Conway** who finished 6th in the state golf tournament.
- **Elizabeth Tracy, Stacey Shields, and Sandra Brashears** who were All- American cheerleaders.
- International Key Club President **Jason Howard** and Trustee **Josh Antenucci**.
- football player **Jeff Campbell** who rushed over 1000 yards.
- exchange students from Sweden, France, Spain and Estonia.
- students who balance working, studying, and partying.
- National Merit semi-finalists **Suzanne Elam, Andrew Blankenship, and Jon Dvorak**.
- Spirited Flyer Fans.

# Summer Fun

*Why does it always have to end?*

Summer is a time for everyone to relax, take time off from school, and spend time doing what they enjoy. No matter what you did this summer, you were busy - whether you were participating in sports, academics, a summer job, camps, or just cruising around McDonald's, your days and nights were probably full.

The band, majorettes, cheerleaders, and some students involved in sports spent their summer attending camps to sharpen up their skills. While the band and majorettes went to the Uni-

versity of Kentucky, the cheerleaders attended camp in Williamsburg, Virginia.

Students attended Boys' and Girls' State this summer to prepare for the upcoming school year. Girls' State took place at Western Kentucky University while Boys' State was held at Centre College.

Not only did sports teams go to camps, others also practiced. Early conditioning for football, track, cheerleading, and golf helped these sports prepare for their upcoming seasons.

Organizations found

ways to raise money during the summer. Bake sales, garage sales, and car washes seemed very popular. Other groups of friends found ways to relax and have fun during the hot summer days.

Students returned to Franklin County High School tanned from vacations, a little richer from summer jobs, and eager to see friends that they missed over the summer. This eagerness would soon wear off as we got into the full swing of school activities. Soon we would all be waiting and looking forward to summer 1993.

# Frankfort - A City of Beauty

Center of beautiful architecture, landscaping, and history

Franklin County High School is the largest of three high schools in Frankfort, Kentucky. Although many do not stop to take notice, our city is full of beautiful architecture, landscaping, and history.

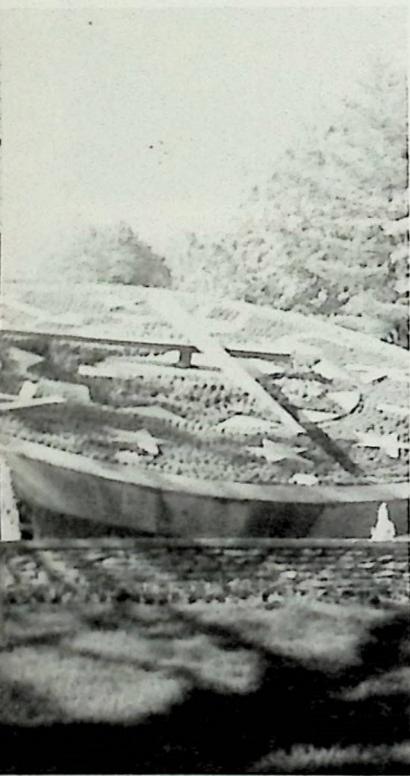

We hold many well known festivities here such as the Great Pumpkin Festival in October and the Capital Expo in June.

Frankfort is the home of the state Capitol and the Governor's Mansion. Some of the other tourist sites include Liberty Hall (home to the "Grey Lady"), the Orlando Brown House, the Floral Clock, and the Old Capitol Building.

Along the outskirts of town are the numerous farming communities which also make our county popular,

since aside from state government, Franklin County also serves as one of the state's agricultural centers.

The people of Frankfort are proud of our city with good reason. We are not only the capital, but also the center of historic and scenic beauty which sets the standards for the entire state of Kentucky.

# “And That’s The Way It Was”

## *Just Remember ... We Saw It Happen*

The 1993 school year was simply a year you "had to be there." From a devastating hurricane to a whirlwind campaign to the majesty of the Olympics, this year will be a year to remember long after the Senior Class is gone.

An era of amateurism passed into an age of professionalism as the Olympics were transformed forever. For the first time, professional athletes were allowed to compete in the 1992 Summer Olympics in Barcelona, Spain. The Dream Team featured pro-stars such as Magic Johnson, Michael Jordan, and Shaquille O'Neal.

Hurricane Andrew struck southern Florida on August 24, 1992, with winds gusting to 164 mph and a 12-

foot tidal surge that flattened many homes, uprooted trees, flung boats into the streets, and wrecked an entire Air Force Base.

On the entertainment side, Van Halen and the Red Hot Chili Peppers swept the Ninth Annual MTV Music Awards on September 9, 1992, in Los Angeles, California. The Red Hot Chili Peppers won the awards for breakthrough video, viewers' choice, and art direction.

In May, Ross Perot became a potential president. As a Texas billionaire, Perot was the first significant, Independent candidate since 1980. Along with Perot, there was heated competition between Arkansas Governor Bill

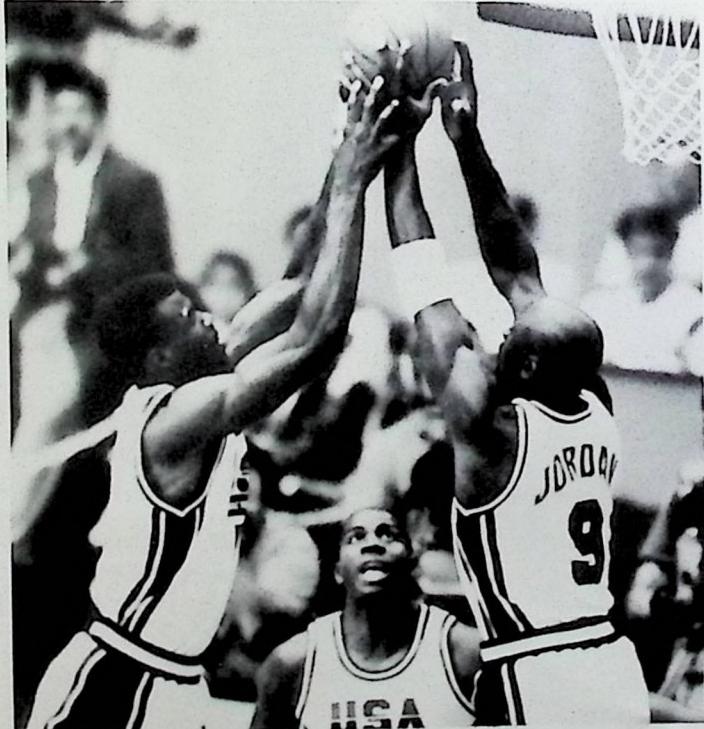

Clinton and current President George Bush. Clinton, being a Democrat, promised economic changes with liberal ideas. The conservative Bush ran a competitive race, holding on until the end but finally losing to the Clinton challenge.

In 1993, our country lost many familiar faces. Among them were Arthur Ashe, who died from AIDS, Audrey Hepburn, Dizzy Gillespie, and Helen Hayes. Though gone, their contributions will long be remembered.

Though these are only a few of the memorable events of 1992-93, they are the ones that will most likely stand out in the minds of the students of FCHS for years to come.

Right - "The Dream Team," featuring players such as David Robinson, Magic Johnson, and Michael Jordan, set the hearts of Americans on fire during the Olympics. Above - H. Ross Perot, Texas billionaire, used his shrewd business tactics to become a potential president during the 1992 race.

# "Walk on the Wild Side"

## Football Homecoming '92 - in the jungle

On October 5-10, Franklin County held their annual Homecoming celebration. This year's theme was "Take a Walk on the Wild Side."

During halftime of the game against Scott County, Ms. Stacey Shields, senior, was crowned Homecoming Queen. Afterwards, Shields said, "I was really surprised at the outcome of the evening. It's a great honor, and it's one I'll always remember."

Others nominated for queen included seniors - Mary Oerther, Ellen Lamb, and Stephanie Woodruff. Members of the court were junior - Mandi Flynn, sophomore - Amy Adams, and freshman - Allison Cobb.

Unfortunately, the Flyers were defeated with a score of 22-6 by the Scott County Cardinals in the annual homecoming game held October 9.

The traditional dance was held on Saturday, October 10, from 9:00 p.m. until 1:00 a.m., in the cafeteria. The jungle decorations of the dance supported the theme. Radio station 102.5 provided music for the dance, and photographs were taken by local photographer, Don Wainscott.

During the week prior to the game and the dance, students displayed their school spirit by dressing appropriately for designated days, such as Tie and Hat Day, Tie-dye Day, Clash Day, Toga Day, and Blue-Gold Spirit Day. A

pep rally was held on October 9 during the last class period. Cheerleaders and all seniors who played a fall sport were honored with carnations, and senior football players were honored with poems and carnations. During the pep rally, various spirit contests were held. The Senior Class proved victorious in most of the contests. Senior Class President Carrie Ripy threw pies in the faces of the underclass presidents who lost the contests. Senior Brad Gregory was selected in the Spirit Ring Pull and he chose to present Ms. Terry Fitzpatrick with a traditional pie in the face.

All in all, Homecoming '92 was a "Wild" success for the Flyers.

# Trading Places

## Powder Puff winning streak is cut short

The annual Powder Puff football game was held on Friday, November 6, 1992. The night was filled with excitement and disappointment. Three hundred fans came out and supported their teams to victory. The freshmen and sophomore team ended the tradition of senior and junior team victories. The final score of the game was 26-25.

Key players for the senior and junior team were Jamie Kemper and Nikki Hammons, and for the freshmen and sophomore team it was Stephanie Ellis and Robin Winkfield.

Football players Lam-

ont Graves, J.B. Harris, and Jason Bullock coached the upperclass team. Jason Parido, Shane Miller, Scott Woodard, and Willie Peal coached the underclassmen team.

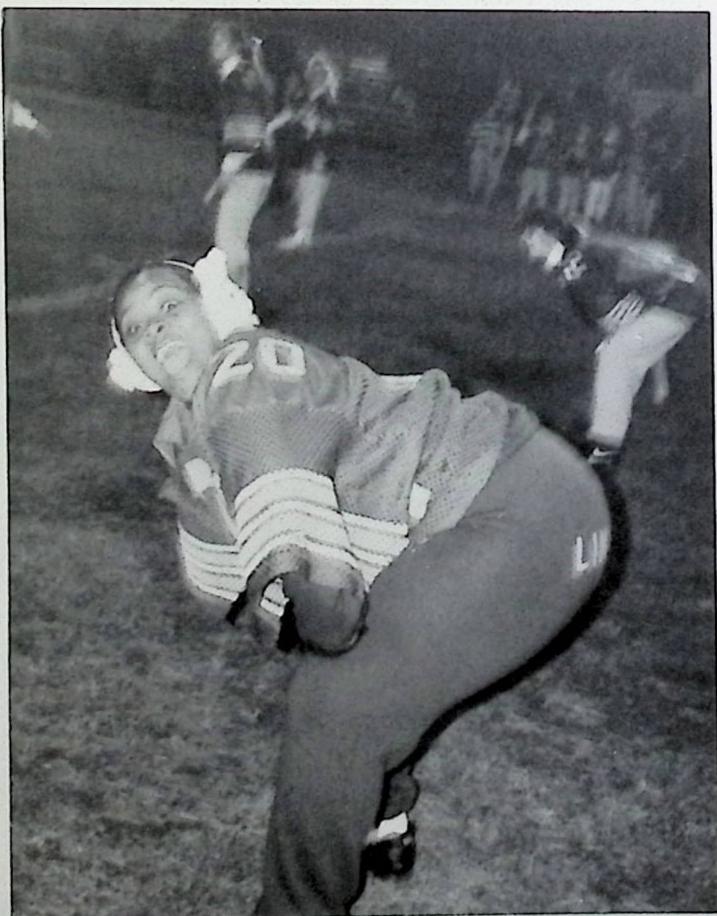

During halftime, Senior Class President Carrie Ripy crowned senior Jason Bullock, Powder Puff King, and sophomore Jason Parido, Powder Puff Prince. The Powder Puff court consisted of seniors Lamont Graves, J.B. Harris, Daryle Woolums, and junior Kyle Sparrow. Prince candidates were freshmen Rob Lewis and Willie Peal.

The nominees were escorted by seniors Stephanie Cassin, Stephanie Woodruff, Rebecca Comley, Kelli Morrison, Amanda Durham, April Stratton, Suzanne Elam, and Beth Quarles.

Seniors Steven Guarnieri, Jose Ucar, Jon Dvorak, Tommy Maki, Brian Ritchie, junior Daniel Logan, and freshman Rick McClain entertained the crowd at halftime with an energizing baton routine. The majorettes' routine was choreographed by seniors Julie Reese, Ellen Lamb, and Emily Wilson.

# Guess What's In the Future

## FC Students Look Ahead to a Bright Tomorrow

Over 200 young adults will be set free into the real world when the class of '93 leaves F.C.H.S. What they do is up to them, and they have much from which to choose. Some students will head to college to pursue academics, athletics, art, music, or other fields of study. These students' senior years are filled with college applications, college visits, acceptance or refusal letters, and last minute tidbits of education for their college careers. Students also spend

the year gathering those necessary materials for that first year - computers, sheets, towels, microwaves, etc.

On the other hand, there are those students who will hit the real world quicker than others by entering the world of work. They will be forced to deal with withholding taxes, insurance premiums, minimum wages, and other facts of the real world.

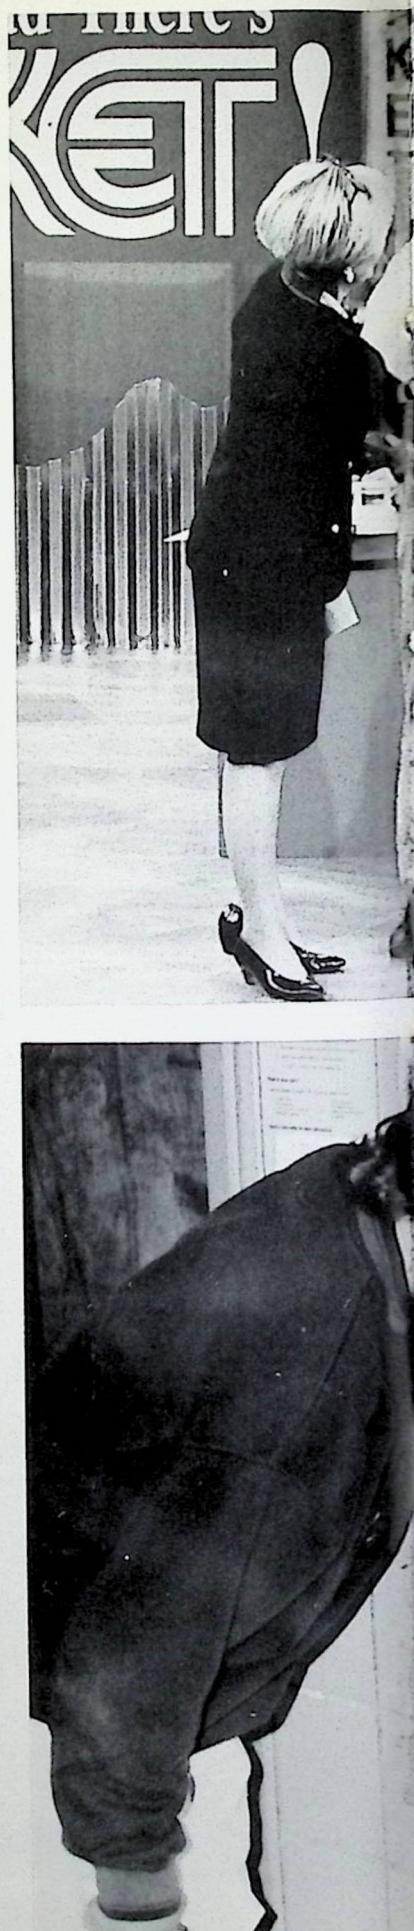

A select group of students will opt for the armed forces and will enter either the

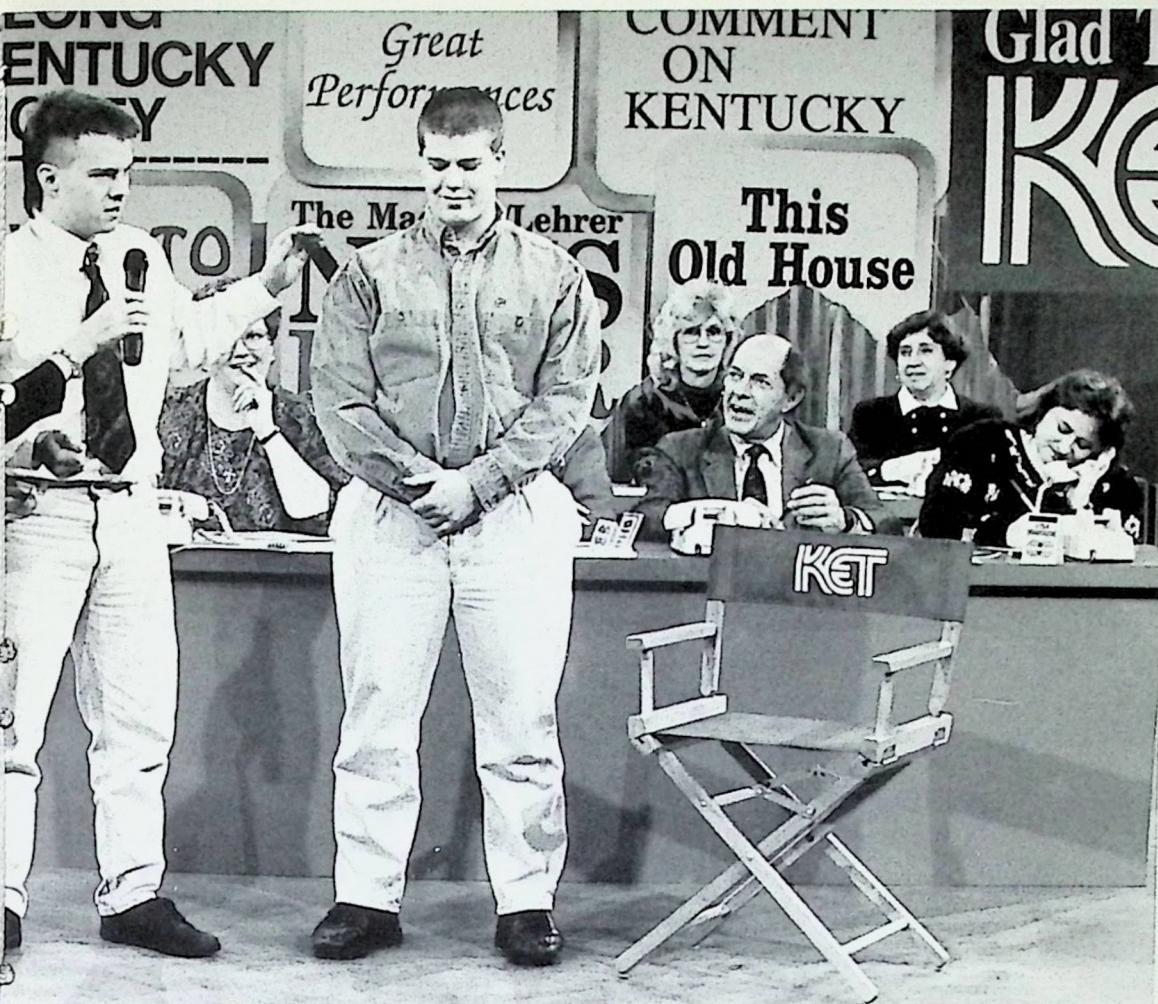

Army, Navy, Air Force, Marines, National Guard, or even the Coast Guard. They will quickly learn the realities of early morning runs, calisthenics, and authority figures.

Whatever the members of the class of 1993 decide to do after they graduate is up to them, but they will have a vast majority of options from which to choose. It is clear that the class of '93 has the talent to ensure a successful future.

# "You've Got a Friend"

## *FC Students Cherish Friends*

What is the true definition of a friend? During a student's years at Franklin County High, he or she will learn the true definition of this word. Throughout the high school years, a student's life is filled with those once in a lifetime moments and memories that he or she will cherish forever - the first date, the first real kiss, the prom, the first homecoming dance and the last homecoming dance, the first car, and finally, graduation. In most cases, these times will have been shared with good friends.

As we look back on our time spent at FC, we will notice that the one thing that will stand out the most will be those people we called friends. For the rest of our lives, though

time and distance may separate us, true friendships formed now will hopefully surpass the distance and will remain intact throughout our lives.

Times shared with joy and laughter will not be the only things about our friends that we will remember. Often fights and tears occurred, but these times only made the friendships stronger.

A true friend is someone you can count on at all times, no matter what the situation. Friends made at Franklin County will never grow too far apart or be forgotten because our special memories made at FCHS will stay forever in our hearts.

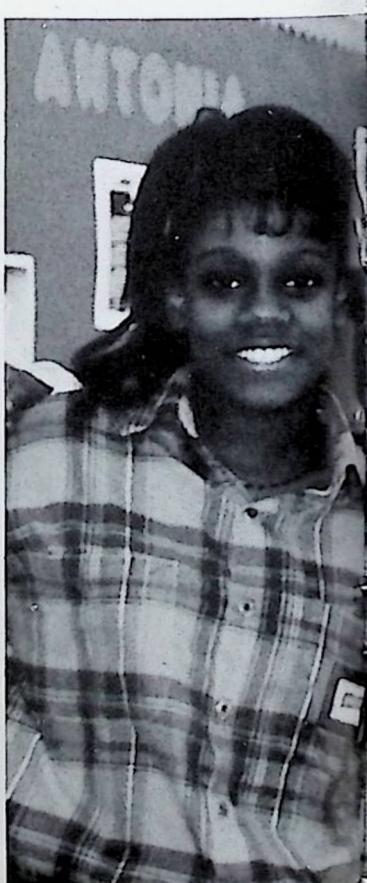

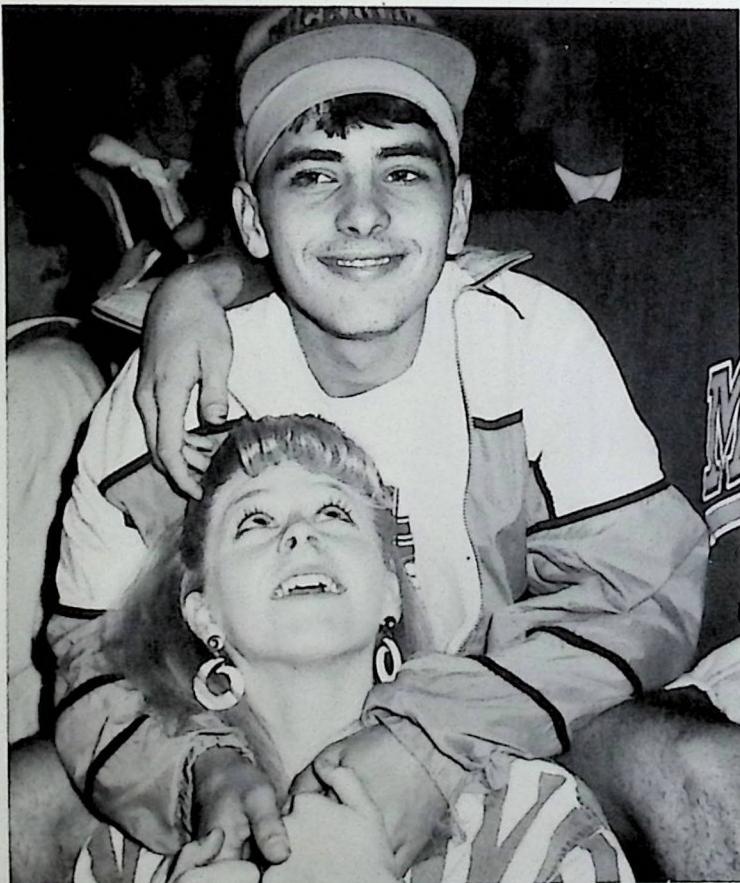

We, at FC, will always be able to count on our friends in times of joy and in times of

sorrow. As the Michael W. Smith song says, "Friends are friends forever if the Lord's the Lord of them and a friend will not say never cause the welcome will not end. For it's hard to let you go in the Father's hand we know, that a lifetime's not too long to live as friends."

So, the true meaning of a friend may mean many things to many different people. It may mean the person you've grown up with, the person you've dated, the person you've shared secrets with, the person you've laughed with, and the person you've cried with. Nevertheless, whatever a friend means to you, may you hold that person in your heart and cherish him or her forever.

# Moments to Remember

*From fall to summer, we created times that will never be forgotten*

The 1992-93 school year was full of moments to remember. From slave days to snow drifts, Franklin County had it all.

Through the year, we saw the seasons change as we changed. When fall approached, we entered school full of bright and hopeful smiles that this year would be like none other, and we were right. The days of fall were marked by homecoming, the Miss FCHS pageant, and Powder Puff games. Our shorts and t-shirts gradually gave way to sweaters and jeans as we began our journey through this school year.

With winter, we donned heavy coats and waited for

snow - waited and waited and waited. Finally, in March, inches and inches of the white stuff floated down, keeping us snowbound and out of school for at least two days. But winter was not all cold and depressing. We watched as the boys' basketball team captured the district title and the wrestling team and the swim team landed competitors in state matches.

Then the brisk days of winter gave way to the warm afternoons of spring. In late March, many of us ventured to Florida for the traditional Spring Break party, and others stayed close to home and enjoyed warm Kentucky weather. We grew extremely hopeful as our baseball team crushed No.

1 ranked Lafayette, but we watched, disappointed, as they fell to Lexington Catholic. We cheered for our softball team, our tennis teams, and our track stars. We smiled, we laughed, and we grew.

Summer approached - maybe a little too soon. We faced the real world for the first times in our lives. We sat as young adults and watched our friends walk across the stage to become graduates of good "ole FCHS." And, as we watched or as we walked, many of us saw the year that had passed. Once again, we smiled, we laughed, and this time we cried, knowing that we had made together (perhaps for the last time) - Moments to Remember.

# A Time to Play

## Intramurals & Mayfest Encourage Staying in School

With a new administration comes many new changes. While our new principal and assistant principals had already been here for an entire school year, they are still introducing new ideas.

This year, F.C. students experienced two new activities designed to keep students in school. The first was an intramural sports program led by Mr. Jerald Calhoun. The program began with a survey distributed to all of the students. When it came back with a good response, the first three events were arranged - chess, checkers, and arm wrestling. David McQueen took the title in the arm wrestling events, and Billy Houghlin was the

winner of the checkers title.

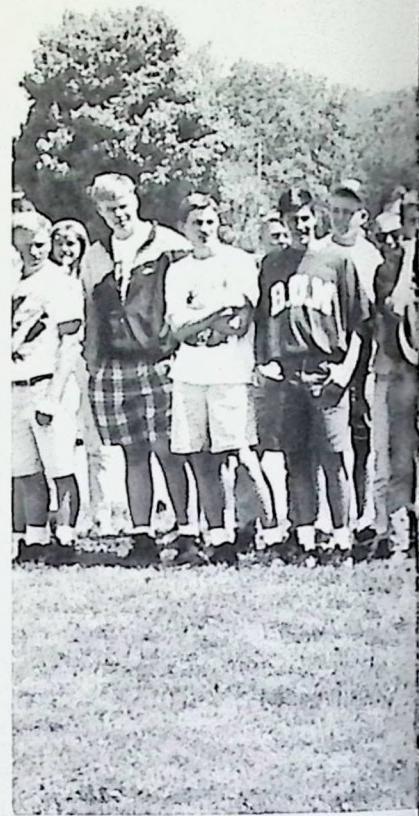

With little interest in the first three events, it seemed that the program might be abolished when basketball came to the rescue. Eleven teams, including a faculty team, took part in the intramural basketball series, which ended with a tournament. The winning team was the Shooters Dream Team composed of Brian Bourne, Chance Graves, Billy Taylor, Jeff Smith, Thad West, Kyle Sparrow, Robbie Reed, Johnny Tillman, and Scotty Tracy.

Another new activity was the Mayfest event on May 10. The weather was beautiful, and it was just warm

enough to wear shorts. There was music, fun, and food right here on the F.C.H.S. campus.

Everyone participated in the day's events, which took place through fourth hour and lunch. Teachers provided snacks, and the school paid for drinks. Talented students such as **Ginger Watkins** and **Michelle Robinson** provided the entertainment through song and music. Comedy songs were provided by **Thad West** and **Jermaine Jackson**. Other activities included tennis matches, faculty-student volleyball games, and basketball in the gym.

Overall, the program was a success, and it will hopefully be an annual event.

# "I Cross My Heart"

*FC students celebrate a week of romance and spirit*

Senior Ryan Strong and senior April Stratton were selected as Basketball Homecoming King and Queen respectively. Strong was crowned during halftime of the girls' game against Lexington Catholic. The girls lost to Catholic, 46-51.

Other candidates for king were Kent Martin, Whit Salyers, and Steven Guarneri. Class representatives were junior Daniel Logan, sophomore Brent Mefford, and freshmen Rob Wainscott.

Stratton was crowned

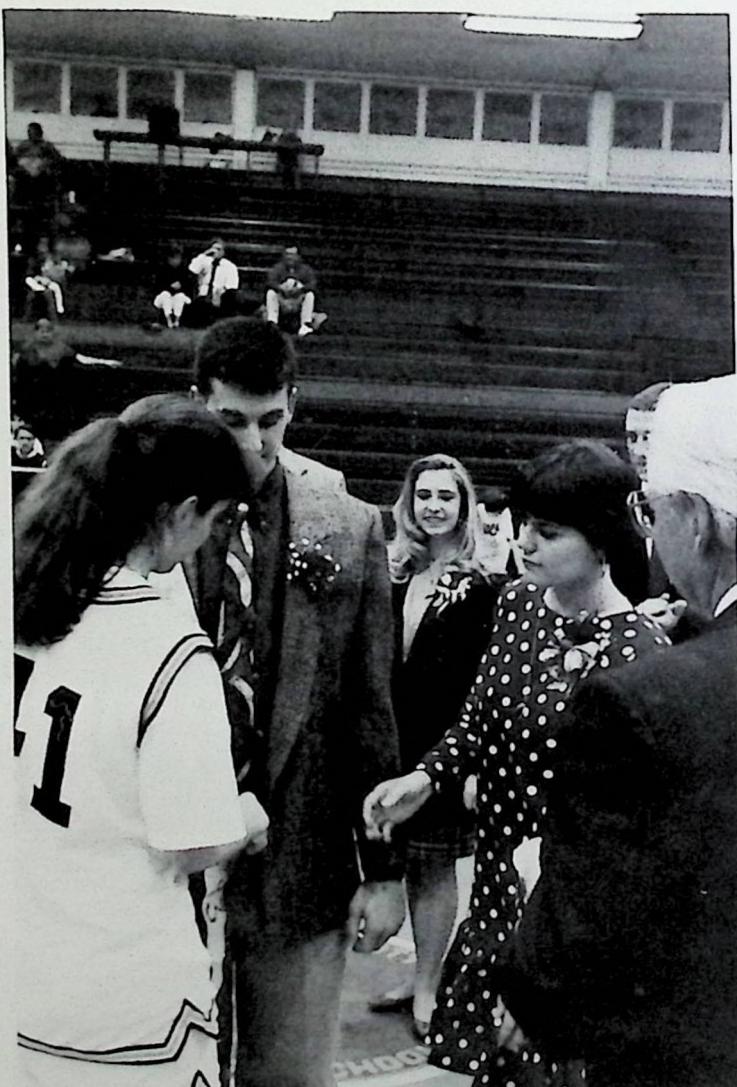

during halftime of the boys' victory against Jessamine County. Other candidates for queen were seniors Emily Wilson, Kelli Morrison, and Julie Barber. Class representatives for the court were junior Tracy Doyle, sophomore Heather Gatewood, and freshman Julie Mills.

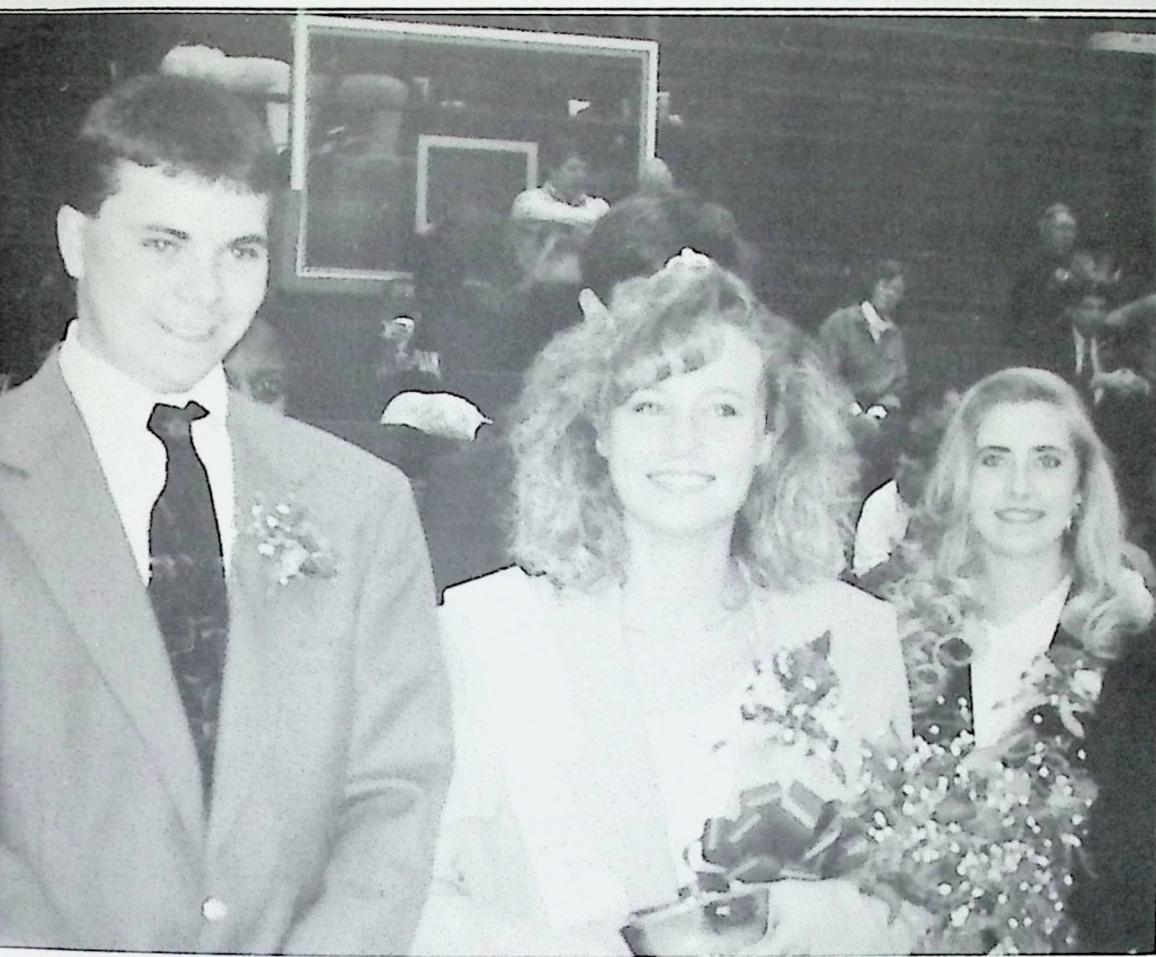

Basketball Homecoming Week, February 8-11, was filled with activities and excitement. Each day was designated by a certain theme and students were to dress accordingly. Monday was designated

College Sweatshirt Day. Tuesday was Ditto Day, and Wednesday was Clash Day. Thursday was designated as Slave Day or Red, White, and Heart Day in celebration of Valentine's Day. Friday was the traditional Blue/Gold Spirit Day. The week was culminated with a pep rally on Friday afternoon and a dance on Saturday night. The theme of the dance was "I Cross My Heart," and music was presented by Sensational Sounds and Lighting. Don Wainscott took the pictures.

# Mr. FCHS

## The G. Q. Men of Franklin County

And the winner is . . . Mr. Senior Class, **Marc Fielding**. On May 7, 1993, Fielding was crowned Mr. FCHS by the 1993 Miss FCHS, **Ellen Lamb** and Senior Class President **Carrie Ripy**.

Nineteen young men participated in the pageant. They modeled club attire, representative of their clubs, and school attire, everyday clothes. For their formal attire, they got all spiffed up for the three judges. These three judges scored the "supermodels" on their poise and showmanship.

After modeling, the

candidates were narrowed to three semi-finalists - **Fielding**, **Gary Groves**, representing the Yearbook Staff, and **Daryle Woolums**, for the Art Club.

Award winners were **Woolums** - 1st runner-up (if **Fielding** would not be able to fulfill his duties as Mr. FCHS then **Woolums** would be required to take over in his place) and Mr. Photogenic. **Groves** was 2nd runner-up. **Steven Guarnieri**, Mr. Baseball, was voted Mr. Congeniality by the contestants. **Sam Hoehner**, Mr. Sophomore Class, was awarded the Mr. Poise Award, and **Daniel Logan**, Mr. Junior

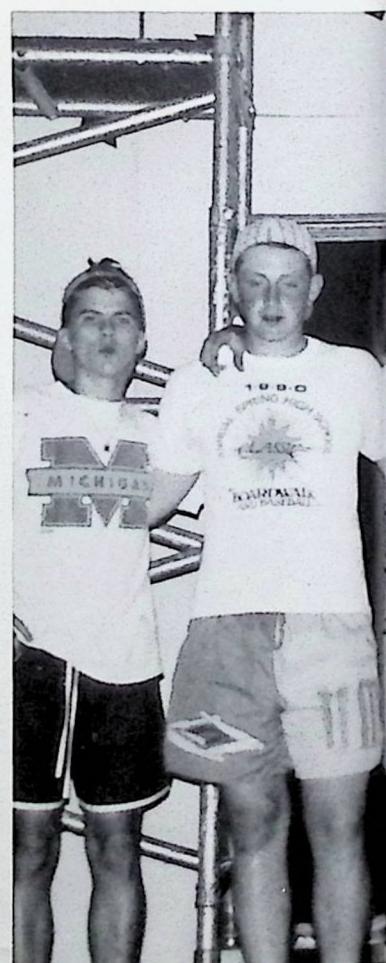

Class, was the Mr. Showmanship of the night.

Other participants in the Mr. FCHS pageant were: **Shawn Long** - Mr. Band; **Aaron Wood** - Mr. Salade Nicoise; **Danny Skufca** - Mr. French Club; **Travis Cox** - Mr. FBLA; **Jason Howard** - Mr. Key Club; **Kyle Thompson** - Mr. Spanish Honor Society; **Ted Rogers** - Mr. Drama Club; **Chris Easterly** - Mr. Speech; **Thad West** - Mr. Drama; **Nick Jilek** - Mr. Beta Club; **Rick McClain** - Mr. Multi-Cultural History Club; **Jeremy Burns** - Mr. Spanish Club; and **Troy Sparks** - Mr. Latin Club.

# Headed for Stardom

## *The talent shines at FC!*

The FCHS Talent Show, sponsored by the Senior Class, was held on May 7 in Franklin County's own auditorium. The Talent Show featured many talented students here at Franklin County. Among the performers were senior **Shane Searcy** and his group performing a rap, senior **Stephanie Cassin** singing "Don't Cry Out Loud," and senior **Julie Reese** dancing to "On My Own" from Les Miserables.

The crowd also enjoyed watching junior **Troy Sparks** play his own compositions on the piano. Junior **Thad West**

and seniors **Steven Guarnieri** and **Chris Easterly** amused us by singing their rendition of Whitney Houston's "I Will Always Love You."

The entertainment continued with senior **Stephanie Woodruff** dancing to a mix of music, senior **Jamie Kemper** singing "The Woman Before Me" and seniors **L.J. Tyree**, **Kumar Wilson**, **Brandon Mahoney**, and **Lamont Graves**, and sophomore **James Jacobs** - "The Godfathers" - performing a rap.

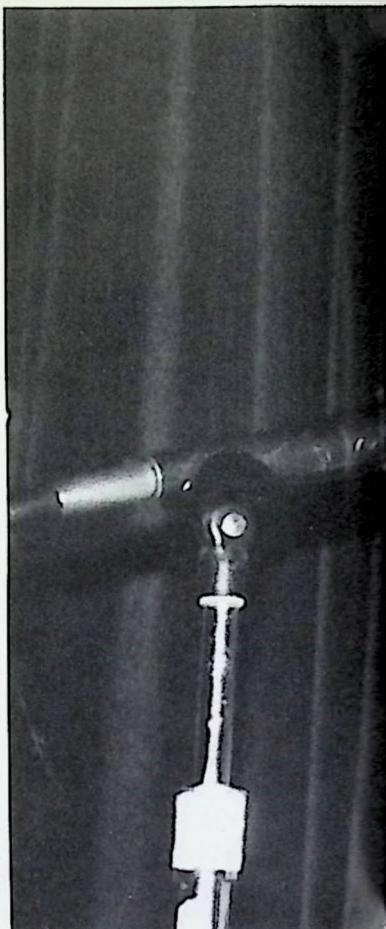

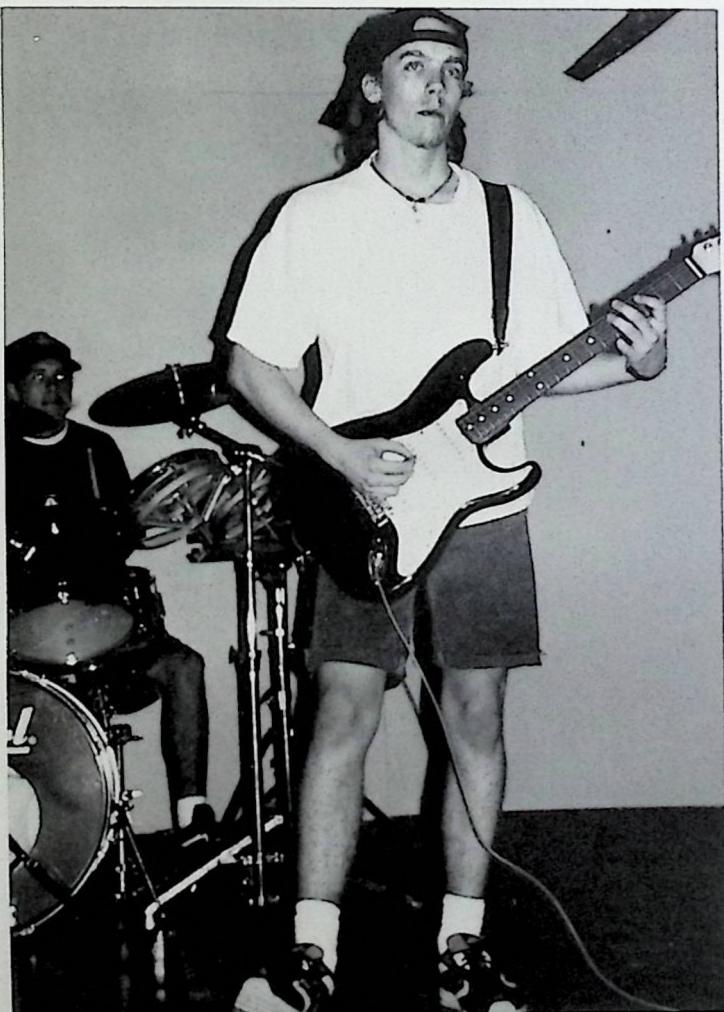

After this, senior **Ginger**

**Watkins** played and sang two of her original folk songs, junior **Tiffany Disponett** danced to Spring Break favorite "Dazy Duks", and sophomore **Michelle Robinson** stunned FC with her amazing voice when she sang Whitney Houston's "I Have Nothing." The show finished with the performances of two bands, Contagious and Squid Pickle. Both of these bands were composed of our own students.

Whether it was singing, dancing, or just having fun, FC students really displayed their talents at this year's show.

# Wonderful Tonight

## *FC Seniors Celebrated the "Last Dance"*

This year's prom was held on May 22 from 9:00 p.m. to 1:00 a.m. at Frankfort's Farnham Dudgeon Civic Center. In keeping with the theme "Wonderful Tonight," the evening was filled with dancing, laughter, sequins, tuxedoes, and limousines. Many people were dressed as we'd never seen them before.

The decorations for prom were beautiful. A lovely garden scene complete with gazebo welcomed the prom-goers to the balloon-decorated ballroom that awaited them. The seniors had previously chosen the colors of silver, blue, and black

with white roses scattered throughout to adorn their prom scene. Both the junior and senior classes were responsible in large part for the fantastic decorations.

At exactly midnight, seniors **Emily Wilson** and **Chris Easterly** were crowned prom queen and king by Senior Class officers Ellen Lamb and Dana Zachary. The Senior Class members had voted for prom king and queen during the week prior to the event.

After the crowning of the queen and king, senior chorus members gathered on stage to sing the senior song, "You've

Got A Friend," by James Taylor.

The Rhythm Delegates, which included FCHS's own Jerald Calhoun, were the featured band at prom. Their enthusiastic style kept the students and faculty dancing the night away.

When the dancing ended at 1:00, the party didn't end, however. Many students gathered at hotels or friends' homes to laugh and talk the night away.

Prom is a dance that will remain in the hearts for a lifetime. It is truly the "last dance" for the Senior Class of 1993.

# Pomp and Circumstance

## *FC Seniors Celebrate Four Perfect Years*

Commencement exercises were held at Farnham Dudgeon Civic Center on Saturday, May 29, at 7:30 p.m. This day, filled with happiness and sadness, was an emotional one for both graduates and their families.

The service began when the graduating class marched in to the traditional strains of "Pomp and Circumstance" played by the FCHS band. Next, the invocation was given by senior **Cathryne Callaway**, the president of the Fellowship of Christian Athletes.

Following the invocation, Assistant Principal Tom Mowery and Principal Jim Shrock inducted two figures into the FCHS Hall of Fame. Inductees were Gene Hilan, a

distinguished contributor to both the school and the community, and Judith Sherrow Conde, a distinguished alumni of FC. The Hall of Fame was established in the spring of 1992.

The chorus, under the direction of Ms. Lesa Kidwell, performed "Roots and Wings" for the audience.

Before the diplomas were presented, Mr. Shrock announced the names of those students who had maintained a cumulative GPA of 3.5 or better. He then announced the names of six students who had a cumulative GPA of over 4.0 - **Leah Alvis, Karen Green, Kent Coogle, Jon Dvorak, Ginger Watkins, and Chris Kozenski**. Ginger Watkins

and Kent Coogle were named co-valedictorians for the class of 1993.

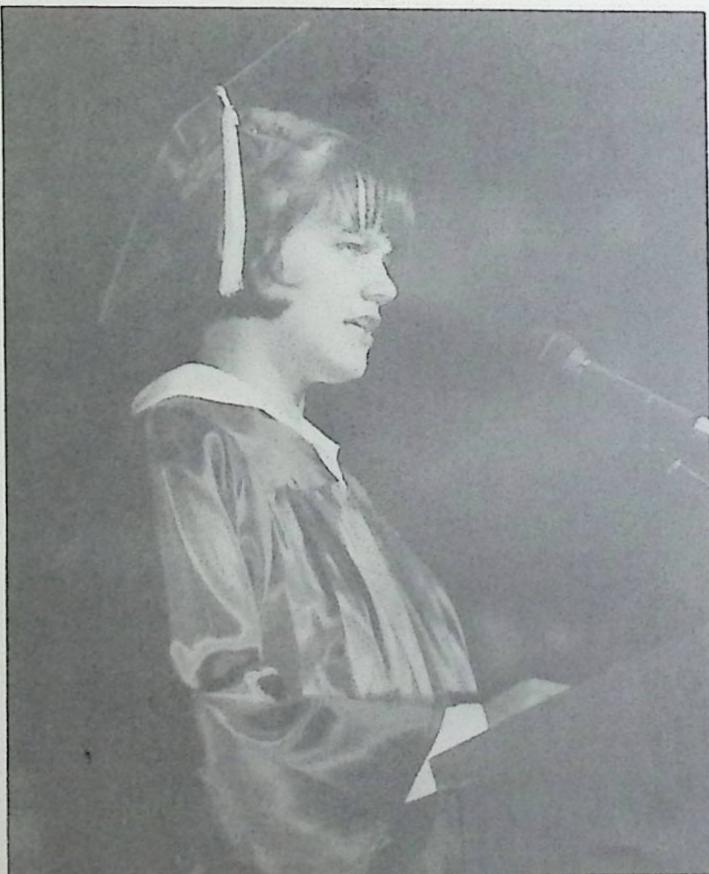

Following the announcement of honors, Senior Class President **Carrie Ripy** left some final remarks to her classmates. When she finished, the Senior Song, "You've Got a Friend" by James Taylor, played quietly in the background.

Mr. Shrock and Mr. Mowery then presented the 209 graduates with their diplomas amidst shouts of joy from parents and family members.

Graduate **Leah Alvis** then gave the benediction, and the 1993 graduates marched into their futures, celebrating the culmination of four perfect years.

# With One Last Look

## *FC and Western Hills celebrate their final hours together*

On May 29, the class of '93 walked the line and became graduates of F.C.H.S. Project Graduation, an annual party given for the graduates of FCHS and Western Hills, was held immediately after the ceremony. It began at ten p.m. and lasted until six a.m. the next morning.

At the party, there was an abundance of food including 96 Papa John's pizzas, over a thousand White Castle hamburgers, chips, pretzels,

cokes, and ice cream.

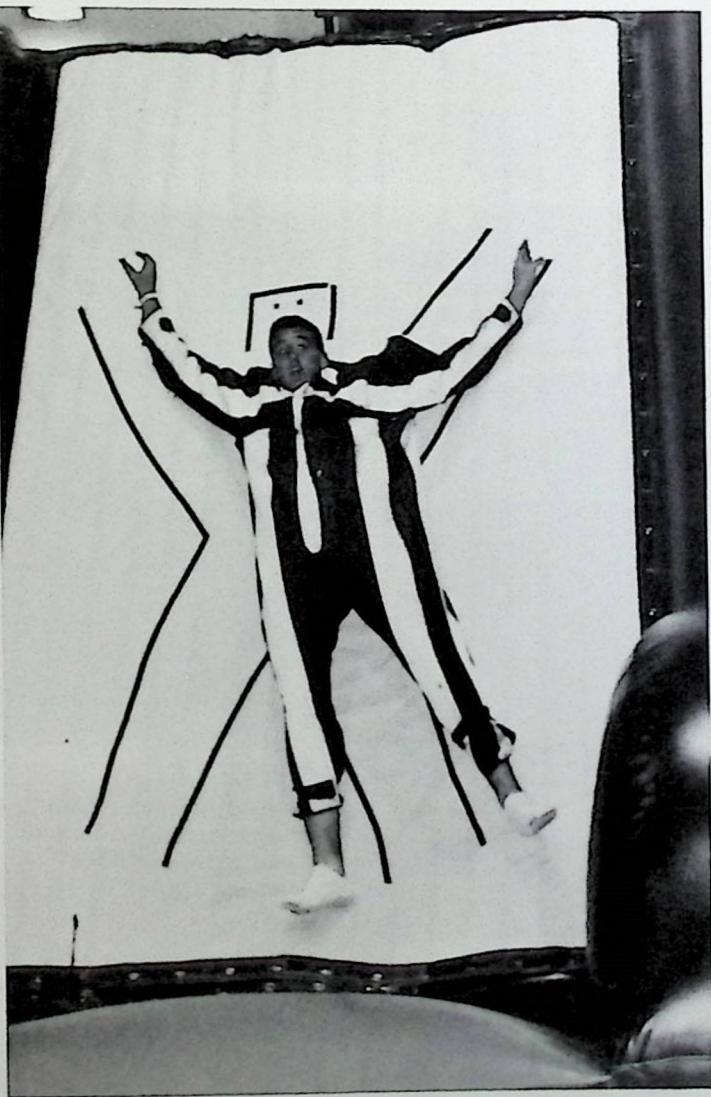

There were many different exciting events to keep the graduates entertained until the wee hours of the morning. Among those activities were a scavenger hunt, a wet t-shirt contest (for men), and a hot legs contest (for men). There was a fake casino where most of the graduates won play money that could be used to purchase items. The graduates also played basketball, tic tac toe, Wheel of Fortune, and

jumped on the Velcro Wall. The party also featured a disco and a song booth where students could sing their renditions of their favorite songs.

All of the '93 graduates will remember Project Graduation because it was the last time some students would ever see their high school classmates. This night was the class of 1993's farewell to F.C.H.S. and to each other.

You Had To Be There

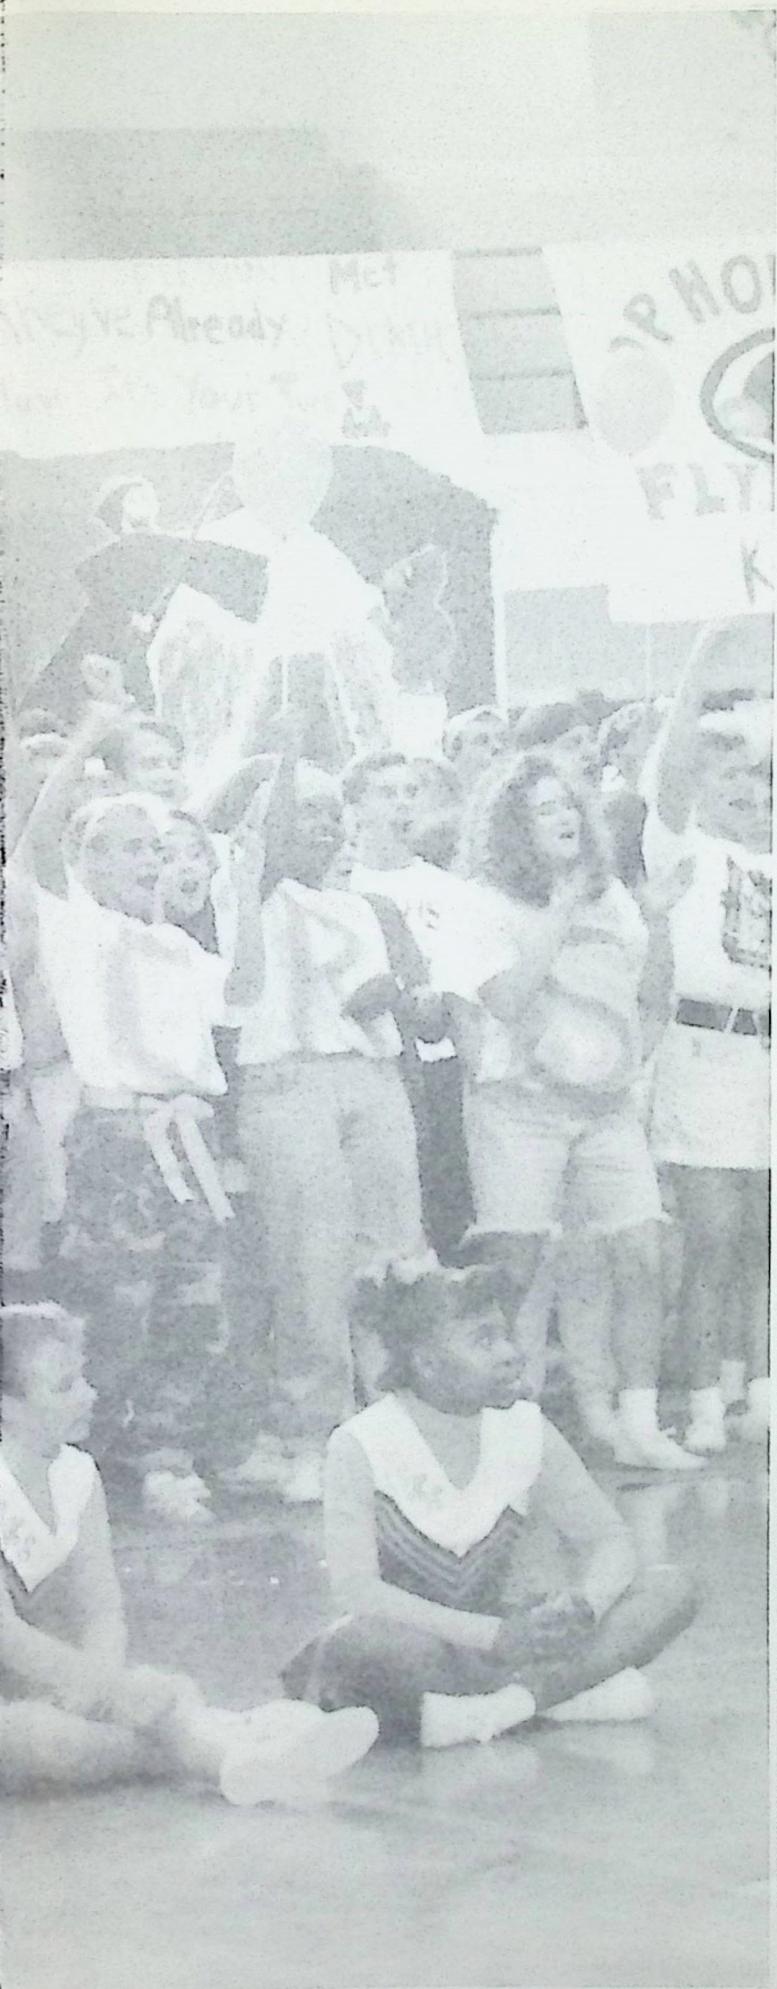

## Seniors

### "We're Finally There"

When you finally become a senior, you begin to reflect on your entire high school career. There are many things that you have learned through experience alone. You chose your friends and together you grew. When the time comes for graduation, you, in a sense, must let go of those that have been so close to you for so long. You must move on, but all the while remembering the times you've had, the laughs you've shared, and the mental anguish you've endured. Prom, homecomings, pep rallies, athletic events, and graduation become even more memorable because seniors realize it's their last chance to be part of this unique group known as the "Flyers."

**But if we had a garden  
With roses fair and bright,  
We'd often pick the sweetest,  
And think it to be right.**

In the loveliest garden here,  
He often picks the fairest flower  
The one we love so dear.  
The flowers that are picked by Him  
Will never fade away,  
We know they'll live forever  
And we'll see them some sweet day.**

## Juniors

*"We're Almost There"*

When you are a junior in high school, you feel as if you have accomplished a great deal. You feel comfortable and secure with your surroundings. You have your circle of friends, your favorite activities, and you begin to look forward to the important steps of your life that lie ahead. You begin to realize that you have many decisions to make that concern your future - colleges, possible careers, and ACT and SAT scores. You notice that you don't have as much time left to spend with the friends that you have acquired throughout the years. You know that from here on out, you have to gradually let go of high school life and begin to focus on the realities of life in general.

## Sophomores

"We're Getting There"

The sophomore year in the life of a high school student is like none other. You're not a freshman anymore, but you're not an upper classman yet. While you are still young, you are well on your way through high school. The sophomore year is a turning point in which your social life develops, and you take more challenging classes such as biology and world civilization. Many students get their driver's license, and most experience their first term paper.

Regardless of the experience, you learn a great deal about achieving your goals in life.

## Freshmen

### "We Just Got There"

When a freshman walks into high school for the first time, he or she may feel overwhelmed and inexperienced. The school may seem too big and the classes too hard, but by the end of that year, these students look like "old pros" in a sea of experienced upperclassmen.

In the midst of excitement and confusion, the freshman year is one of great adjustment. These students have barely reached the first rung of the academic ladder. Yet from football homecoming to graduation, these students found themselves maturing not only as students but as young adults. They quickly learn that hard work mixed with a lot of fun will soon lead them to the top of that ladder.

## Sports

### "We Strived There"

Franklin County's sports program is one of the highlights of attending this school. Many students become members of teams as freshmen and remain on that team until the end of their high school years. This belonging enables the students to grow not only as team members but also as individuals. Even those of us who aren't directly involved with the programs show a great deal of school spirit and pride when it comes to our teams. Whether it be following our boys' varsity basketball team to regionals or watching as Darrell Smallwood pinned his opponent to the mat at the state wrestling meet or seeing Allison Kell stroke her way to swimming fame, win or lose - We were there!

Left - Senior Ryan Strong, a boys' varsity basketball player, assumes a defensive stance against the Anderson County Bearcats. ## Undefeated . . .

### Keeping it up to "par"

For the third straight year, the girls' golf team has won regionals and has compiled an undefeated season. The girls' original goal was to come in fourth in the state competition, and this goal was accomplished with ease at the tournament held at Elizabethtown Country Club. Angie Tyler, sophomore, led the Flyers with a two day total of 183. Amanda Durham-senior, Chris Falconer-junior, Tyler, and Heather Mackey-freshman had a total score of 776 for the tournament. Coach Joan Johnston said, "This team was young and eager to play."

Durham said, "I came to play golf just for the fun of it, and I didn't realize that our goals were achievable." Durham and Jennifer Oberlin were the only two seniors on

the girls' team.

Senior Bryan Conway advanced to state tournament play individually and captured sixth place this season. Seniors Conway, Ryan Strong, Brandon Presley, and junior Thad West compiled a total of 334 in regional play, but fell short of a title and were unable to continue to state.

Conway said, "I thought we played better than everyone expected, but I wish we could have done better. Playing in the state tournament for the past three years has been a great experience for me."

The boys' golf team is coached by Brad Shields. Seniors on the boys' golf team were Presley, Whit Salyers, Marc Fielding, Strong, and Conway.

## Winning With Pride

"We were blessed with a lot of talent"

As the year came to an end, the Flyer volleyball team looked back on their first winning season with pride. Coach Karla Amburgey said, "We were blessed with a lot of talent. This is the best varsity we have ever had - sticking together like a family." Although the varsity record of 6-4 and the junior varsity record of 5-3 don't reveal the whole story, the Flyers brought meaning to the word volleyball this year. Improving their record from 1-13 last year and 0-10 in 1990, the Flyers have finally proven that they are contenders.

Expert leadership from seniors **Roxanne Hurt**, **Sarah Karsner**, **Missy Smith**, and **Nicole Vardeman** gave the team strength, skill, and experience. Coach Amburgey said, "It has been fun watching the

seniors grow into volleyball players since they were in the 9th grade."

Under the leadership of the coaches and the managers, senior **Emily Sudduth** and sophomore **Holly Byford**, the Flyers found their way to the Regionals, but were disappointed in their bid for the title.

The JV squad is ready to walk in the footsteps of the varsity players. Coach Amburgey said, "The JV team is a bunch of hustlers. They have the potential to be super players."

Coach Amburgey also added, "A high point of the season was watching the girls gain the confidence that they have always needed - seeing them use the fundamentals of the game to become the winners that they are."

## Flyer Soccer ... *Just For Kicks*

This year, the 1992 Flyer soccer team kicked their way to an all time record of 20-3-1. The most skilled of last year's team returned this year as seniors. They were **Brandon Presley, Andy Smith, Jon Dvorak, Marc Fielding, Tommy Maki, and Brian Hedges**. After they were joined by exchange students **Ola Andersson** (from Sweden) and **José Ucar** (from Spain), the team was unstoppable. Besides the seniors, the varsity team also has six juniors and six sophomores. They are coached by Ron Cook and assisted by Kevin Rock.

Because the Flyers placed first in the Division III Conference last year, they competed in the Division II Conference this year. They showed their determination by

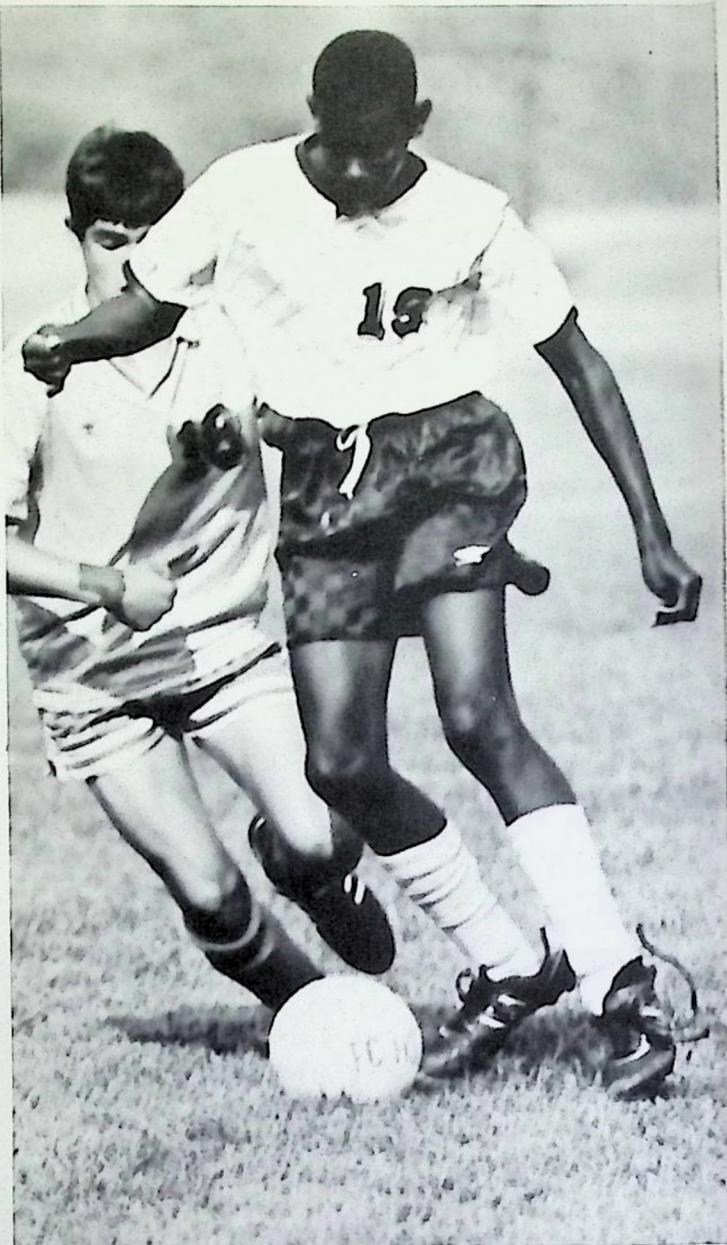

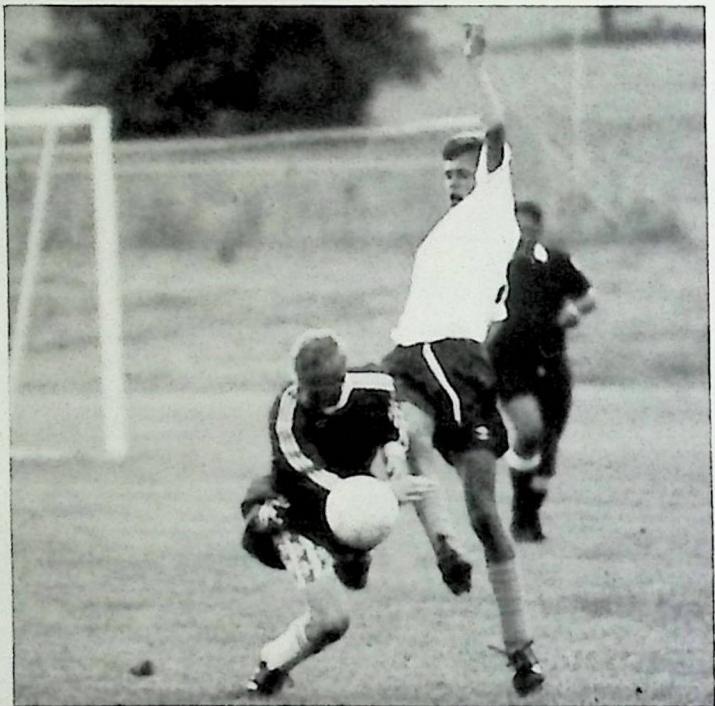

once again coming out on top. In Capital City Classic action, the Flyers came in third place. While they also came in second place in the Woodford Co. tournament, they had greater success in the District tournament by coming in first place.

The J.V. team is coached by Kevin Rock and Sam Boden. They, too, posted a winning season with a record of 8-1-6.

At the annual banquet held in December, the awards were presented as follows: Ola Andersson-Most Valuable Player and Offensive Player Award; Brandon Presley-Flyer Award and Coaches' Award; Jon Dvorak-Academic Award; and Andy Smith-110% Award. The Flyers' Soccer Fan of the Year was Dick Richards.

## Racing to Win

"Feet don't fail me now"

Franklin County's boys' and girls' cross country teams finished with another successful season under Coach Barbara Judge and Assistant Coach Laura Sell.

Seniors **Ginger Watkins**, **Emily Wilson**, **Joe Feck**, and **Danny Skufca** were the team captains. They helped their teams to become winners with their leadership qualities. Watkins captured third in the State meet held at the Kentucky Horse Park after she placed first at Regionals. Watkins led her team to a fifth place in Regionals which didn't allow the team to advance to state competition. Coach Judge stated, "I was sorry that Ginger was unable to keep her state title as a senior."

The boys' team captured third place in regional competition which allowed them to run as a team in State. The boys' team suffered a disappointing fourteenth place fin-

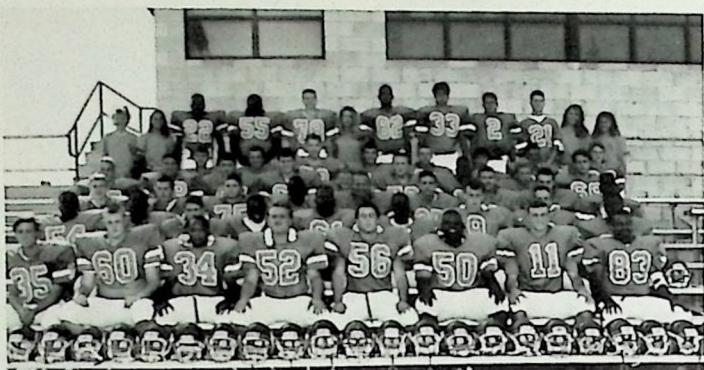

ish in the state.

Coach Judge summed it all up by saying, "I was very proud of my team. It more than doubled in participants this year. I'm glad to see the program is growing. I look forward to next year's season."

Many awards were given at the annual banquet. The MVP award was given to junior **Daniel Ford** and senior **Watkins**. The MVP Runner-up was junior **Aaron Wood** and junior **Emily Bowman**. The Outstanding Senior award was given to **Joe Feck** and **Watkins**. The Most Improved award was given to **Wilson**. The Best First Year award was given to junior **Kevin Heckler** and sophomore **Amy Barnes**. Finally, the Most Outstanding J.V. award went to freshman **Andrew Ortwine** and sophomore **Stephanie Ellis**.

## The Tradition Lives On - Alive and Proud

Football team posts successful season

The Franklin Co. football team, coached by Tom Roberts, finished the season with a 5-5 record. Seniors Chris Brewer, Lee Barbee, Jason Bullock, Gary Groves, J.B. Harris, Daryle Woolums, Kent Martin, Billy Houghlin, Kumar Wilson, Michael Anglin, Lamont Graves, L.J. Tyree, Mike Evans, and senior trainer Brandon Mahoney led the Flyers to a successful season. This year Roberts was assisted by Kevin Harrod, Willie Washington, Robert Adams, David Watkins, and Ben Zimmerman.

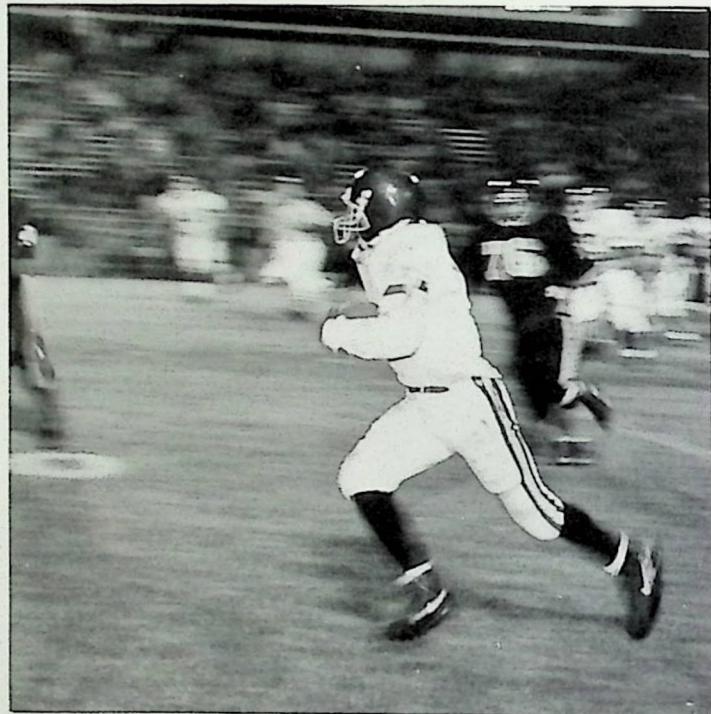

One of the biggest highlights of the season was beating rivals, Western Hills. However, there were also some

disappointing losses to powerhouses such as Lincoln Co. and Scott Co.

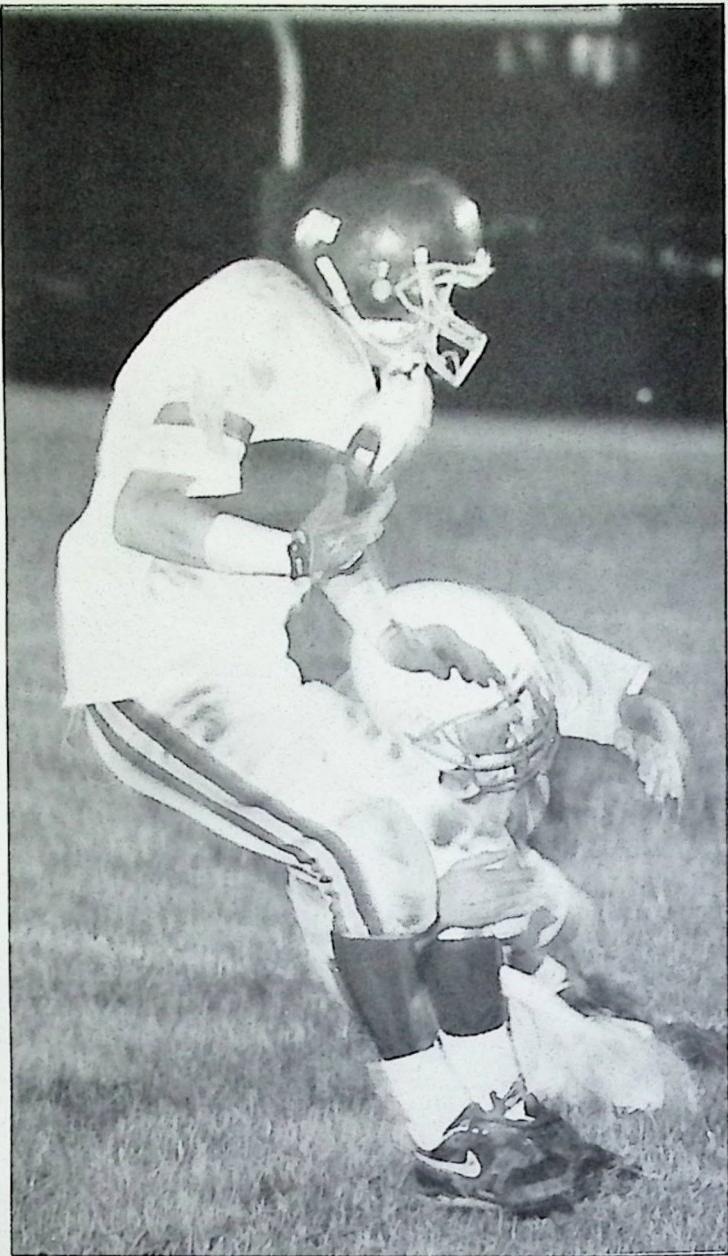

Passing from quarterbacks Groves and junior Dale Robinson was exceptional this year. Junior Jeff Campbell rushed for over 1000 yards in a single season. Seniors Bullock and Brewer led the county with 300 tackles. Groves said, "We worked hard, played together, and got a lot accomplished."

By posting records of 1-3 and 4-3, our upcoming junior varsity and freshmen teams will keep the Flyer tradition alive and proud. Their talent will keep FC's football program a major power in the area.

## Jump To It!

### *Boys' Varsity Maintains Excellence*

If you were looking for a slogan to describe the boys' varsity squad this year, it would have to be "simply the best." This squad relied on four senior girls to lead them - **Elizabeth Tracy, Stephanie Woodruff, April Stratton, and Stacey Shields**; however, Shields left the squad midway through the season because she finished all course work for graduation, leaving Stratton, Woodruff, and Tracy to end a successful year.

The girls had their first test of skills at the ICF camp at William and Mary College in Williamsburg, Virginia. At this camp, they came away with almost every piece of hardware offered. As a team, they were crowned Grand Champions. They also placed first in dance competition, sideline competition, and received a congeniality award. In addition to team honors, Tracy, Shields, and Sandra Brashears were named All-

American Cheerleaders. After all the hard work at camp, the girls managed to spend three leisure days at Virginia Beach.

Their next competition led them to Kings Island. Though their performance was not as successful as camp, the girls still managed to place 30th out of 120 squads. Their last competitions of the year were KAPOS district and regionals and district in-game competition. The girls had set their sights on KAPOS at the beginning of the year and their focus intensified as the competition loomed closer. Despite exhausting practices each day and cheering for the boys' basketball team on Tuesday and Friday nights, the girls were once again successful as they took home the KAPOS 41st district champion trophy as well as the in-game trophy.

This talented squad deserves a round of applause from everyone for their support and their spirit throughout the year.

## Springing Into Action

*Talented girls' varsity and jv squads prepare future champions*

Once again, the Franklin County cheerleading squads have worked long, hard hours to obtain success. Each squad started practicing in the spring for competitions and camps and didn't stop until basketball season was over. Despite injuries and illnesses, this year's cheerleaders managed to stick together for another exciting and successful year.

The girls' varsity cheerleaders consisted of newcomers from the JV and freshmen squads. They attended camp at Miami University in Ohio. Even though they didn't bring home any awards, they still made an impressive showing and competed well with all the other squads that attended. When the athletic seasons came around, the girls spent numerous hours working on their

routines. They also cheered the soccer team and the Lady Flyers to victory. They competed in KAPOS where they received runners-up in their district, but they won the in-game district competition. With the experience these girls gained over the year, the future for Franklin County cheerleaders looks bright.

The junior varsity squad also started off their season when they attended camp with the girls' varsity at Miami University in Ohio. They continued to have a successful season as they cheered for the JV soccer, football and basketball teams. With all of the young talent shown by this squad the girls' and boys' varsity squads will be very competitive over the next few years.

## Wrestlemania '93

*FC wrestlers focus on mental toughness*

Mr. Gene Wolf, first-year wrestling coach for the Flyer wrestling team, felt that the 1992-93 wrestling season went well, but he also felt that this past year was an experience that concentrated and improved technique. The Flyer team won eight of its 15 matches. He says that next year he will place more emphasis on mental toughness (MT for short), however.

Mr. Wolf says that he concentrated three areas for success in wrestling - technique, mental toughness, and conditioning. Wolf feels that his wrestlers were strongest in the third area, conditioning, this year.

As a result of hours of practice and tough conditioning, junior **Darrell Smallwood** took third place in state competition after soaring to a first place win in district competition. Smallwood qualified for

the state match as a freshman and took a sixth place finish as a sophomore. The team's goal was to finish in the top 20 teams in the state, but they fell a bit short by managing to finish 25th.

Mr. Wolf says that he was pleased with the young men who started and finished his program. Out of 13 weeks, they filled all weight divisions. At districts, they also filled all weight divisions and even had a few extra wrestlers. He feels that next year's wrestlers will face more competition, but they will have the advantage of having experienced wrestlers to train them. Since the team will lose only one senior, **Glenn Delahoussaye**, next year, this should mean a strong team in the year to come. With experienced wrestlers and leaders returning, Mr. Wolf added that they expect to finish in the top 10 next year.

## Strokin' to the Flyer Beat

*FCHS Swim Team Makes Waves*

The 1992-93 Flyer swim team worked hard all year long, but they ended their season with a disappointing record of 2-6.

Although this year the Flyer swim team did not have a winning season, there were some individual and relay records set. Freshman Allison Kell was a state finalist, and she set school records in the 100 meter freestyle, 100 meter breast stroke, and also in the individual medley. Kell finished 5th in the breast stroke and 9th in the individual medley at the state swim meet held at the University of Kentucky in March. Kell commented, "The state swim meet was fun."

Coach Kathy Billiter added, "If Allison keeps progressing at the rate she is, she will be one of the top breast strokers in the state."

Kell, along with team-

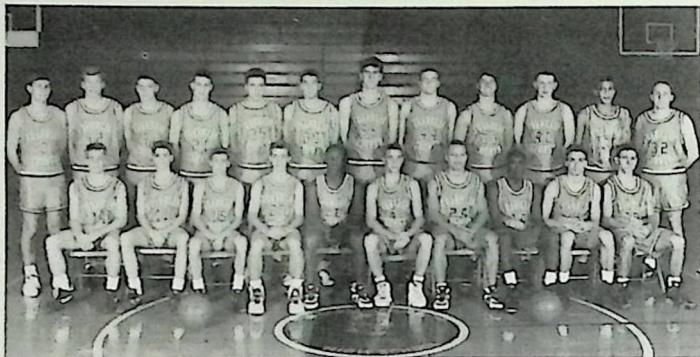

mates senior Jennifer Oberlin, 7th grader Katie Bale, and sophomore Mandy Fleming, also set a school record at the state meet in the 400 meter freestyle relay. Seventh graders Amanda Greer and Angie Fleming and 9th grader Jessica Scott also competed at state.

Junior Geoff Geoghegan had a very successful year. He won the diving competition and also was a captain for this year's swim team. Kell and Geoghegan were also selected as co-MVP's this year.

The seniors on this year's swim team were captain Oberlin, Caroline Brillon, and José Ucar.

"The team relied on the captains a lot throughout the season. Jennifer, Caroline, and José have done much for the team, but we have a lot of young talent for next year," added Coach Billiter.

## Hoop It Up!

*FC Basketball Continues Its Tradition*

This year's boys basketball program showed exceptional progress for the Franklin County Flyers. The 92-93 boys' varsity team finished out the year with a 21-9 record, while the junior varsity ended their season with an 18-4 record.

Led by Coach Gary Moore, the varsity team took the floor with three seniors, one junior, and one sophomore to start each game. Extra support was given by the sixth men, senior Steven Guarnieri and junior Jeff Campbell.

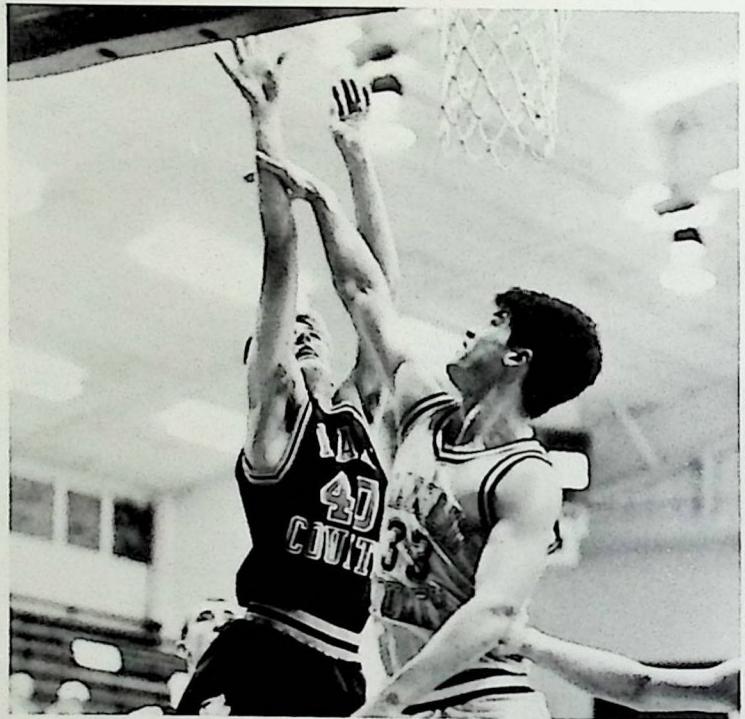

The Flyer team started the season without one player after senior Ryan Thompson injured his shoulder and was not able to return until the last game of regional competition. Even though Thompson was unable to play on the court, he aided Coach Moore from the sidelines. Seniors Gary

Groves, Ryan Strong, and junior Thad West all suffered ankle injuries which hindered the team somewhat during the season.

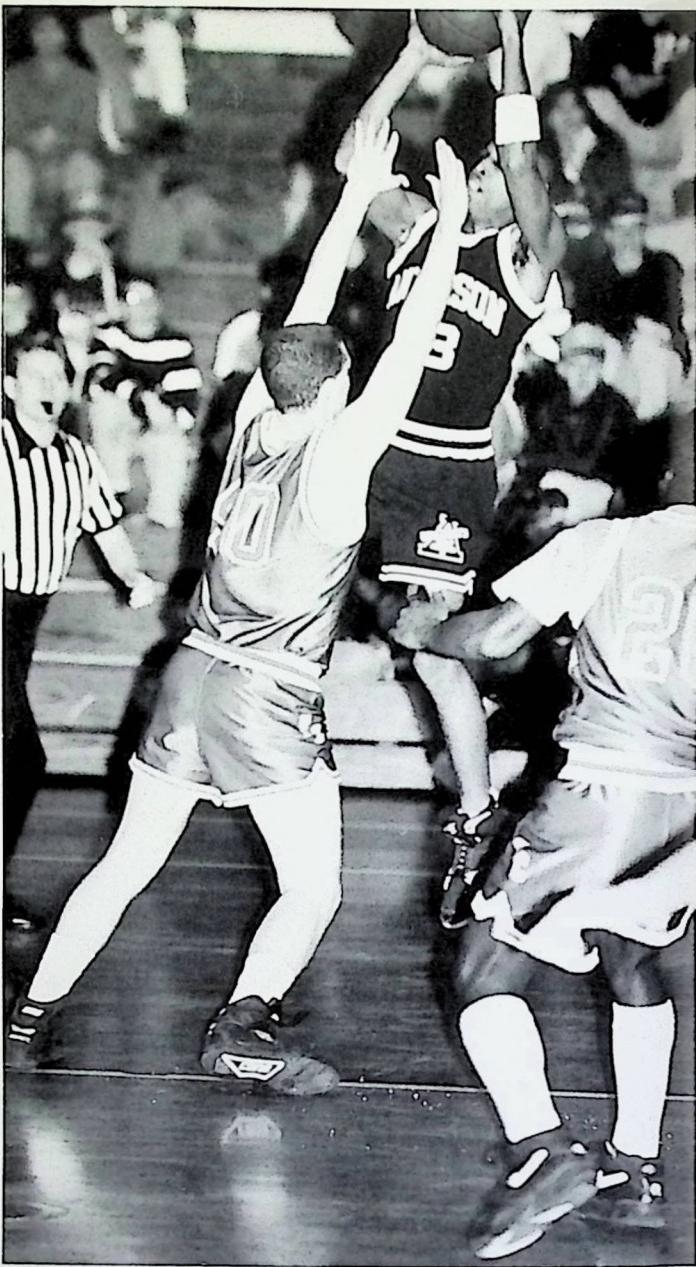

After winning the Capital City Classic for two years in a row and the Flyer Classic for the first time, the boys' varsity took first place in district competition against cross-town rival, Western Hills. Advancing to regionals, the team ended the season by losing to Dunbar High, who was this year's runner-up in state.

The Flyers accomplished a winning season with the skill of seniors Kent Martin, Groves, Strong, Guarnieri, and Thompson, but it looks as if the Flyers will have a promising season next year with returning key players Daniel Logan, Dale Robinson, and Campbell.

## After Bumpy Season

### Lady Flyers Improve by Three

After a 7-20 record in the 1991-92 season, the Lady Flyers didn't feel too confident about their upcoming season, but they surprised themselves and their fans by improving their 1992-93 season to a 10-12 record, adding three victories.

The Flyers were led by the late Head Coach Sally Gaines, assistant coaches Ross Barker, Maribeth Gaines and Senior **Julie Barber**.

This season seemed to be a sort of a roller coaster ride for the girls. The ladies posted decisive victories over North Bullitt, Madison Southern, Danville, Owen Co., Anderson Co., Jessamine Co., Ryle, and Tates Creek. After a four-game losing streak in late January, the ladies managed to secure one last win over Frankfort High on February 15, 1993.

Just a short four days later, the Flyers lost their mentor and inspiration, Coach Sally Gaines, to a larger opponent - cancer. Coach Gaines died after a seven month battle with the disease. After this,

Assistant Coach Ross Barker stepped up to take the position of head coach.

The Flyers had one remaining regular season game against Frankfort, but it seemed that their hearts weren't in it as they sadly lost, 50-51.

The aura of grief seemed to hang over the Flyers as they entered the 41st District Tournament. They faced Western Hills in the opening game. With determination and pride, the girls fought for a victory but fell short, 49-55, ending their rocky season.

Despite all the obstacles, the girls stuck together and, with the help of Coach Barker, tried to overcome their difficulties. They have much of which to be proud.

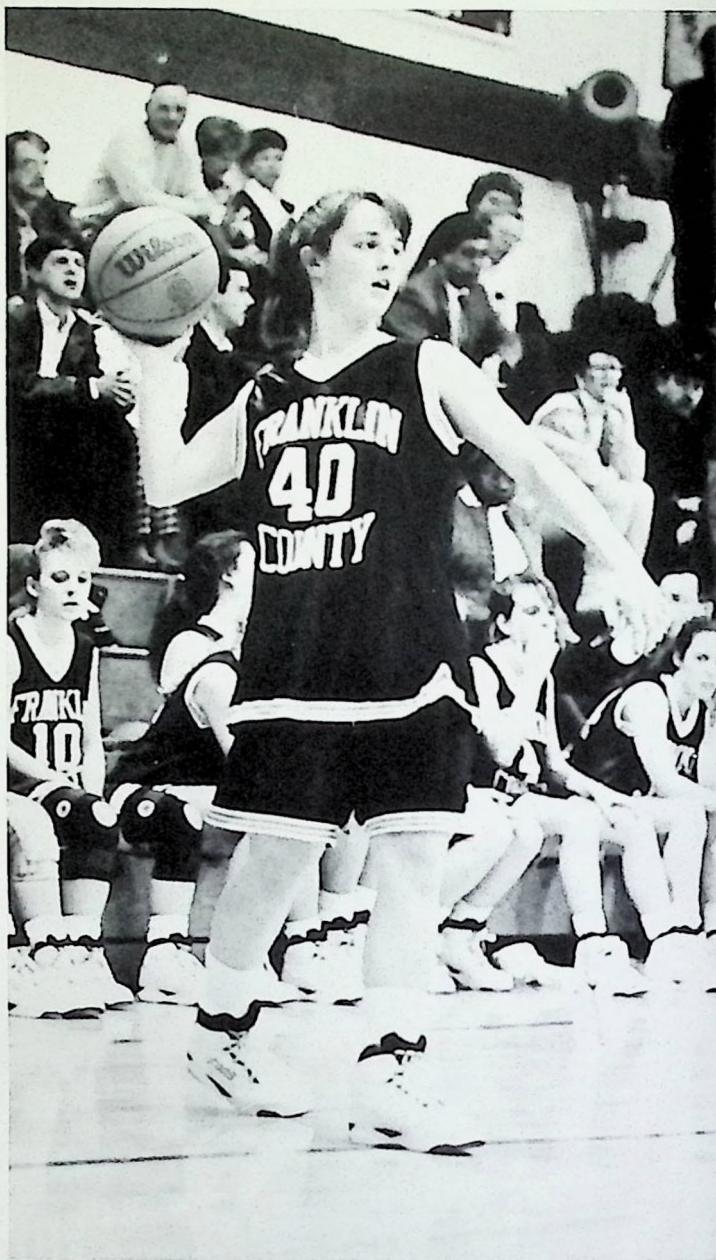

Senior Julie Barber said, "I thought it was a difficult season with the death of Coach Gaines, but Coach Barker pulled everyone together and we made it through."

Losing only one senior this year and with four returning starters, the Flyers should make a strong showing next year.

## Acing Another Season

*Making the Shots to Win*

The boys' tennis team had an amazing season this year and enabled them to carry on the name of "the Jugger-naut." With a regular season record of 17-3, the FC men's varsity racquet squad walked into each match feeling confident. Under the trained supervision of Mr. Terry Johnson, the team won the consolation bracket of the Louisville Eastern Invitational Tournament. They then went on to win the John Harnice Memorial Tournament, and senior **Marc Fielding** was named the Most Valuable Player there.

Fielding made his way to regional play for the third time in his high school career. He was beaten by a player from Henry Clay High School in the semi-finals. In early June, Fielding advanced to the State Tournament, but he fell to Jared Lyndon of Montgomery County in the 2nd round of play.

Junior **Damon Combs** also made it to regionals in singles action. He was beaten in the first round of play. Seniors **Danny Skufca** and **Warren Greer** made it to regionals as a doubles team. They gave a very good showing but were also beaten.

The ever-improving girls' tennis team at Franklin County was able to up their record to 15-2 during the regular season. This team of girls has grown in strength every year, and this season they proved their dedication and competitiveness. Claiming 9 of their 15 wins in straight sets, the girls dominated their opponents.

In regional action, the team represented Franklin County very well. Sophomore **Katie Bradshaw** was able to make it to the quarter-finals, but she was sadly beaten in a very demanding match.

**Boys' Track Team** - 1st row - A. Ortwein, C. Markey, R. Elliott, T. Smith, L. Jones, R. Pettway, D. Allen; 2nd row - J. Green, V. Hogan, L. Graves, T. Cox, B. Daugherty, A. Columbia, D. Graham, T. Falconer; 3rd row - K. Wilson, Z. Moore, R. McClain, M. Adkins, B. Hudson, A. Barnard, A. Wood.

# Just Do It!

*Stretch it, vault it, run it, jump it, throw it  
-Flyers Do It All!*

The Flyer track team started the season on April 10 at the Jessamine County Invitational. That meet got the Flyer team motivated to have another successful season under the coaching skills of Barbara Judge, who was assisted by Gordon Lunceford and Glenn Jackson.

This year's team was led by seniors Kumar Wilson, Jordan Green, Jason Bullock, Lamont Graves, and graduating junior Robbie Elliot. Coach Judge relied on key runners - seniors Graves and Wilson, junior Tia McGee, sophomore Ralph Pettway, and freshman Julie Mills - to help their team to victory.

The major meets of the season were the Central Kentucky Conference Meet (CKC), regionals, and state. The boys' team finished 2nd out of seven schools at regional

competition held at the University of Kentucky on May 22.

This year's team had seven members who advanced to state competitions held at the University of Kentucky on May 29. The top state finishers for the Flyers were McGee, who finished 2nd in girls' shot put, and junior Aaron Wood who finished 11th in the 2 mile sprint and 14th in the 1 mile sprint. McGee had been the shot put state champion in 1992.

Pettway finished 3rd in the 200 meter dash and also finished 5th in the long jump. Freshman Robin Winkfield finished 6th in the 100 meter dash. The 400 relay team - Pettway, Elliott, Graves, and Doug Allen - finished 6th.

With the experience of this team, the Flyers can look forward to many successful seasons of running.

## The Swing of It!

### *Flyer Softball Takes The Field*

The 1993 Franklin County softball team had a very successful year. With an 18-11 record, the team improved greatly since last year. With only two seniors and many underclassmen, it was another rebuilding year for the Flyer softball team.

"Franklin County softball is still rebuilding," said Coach Joe Karsner.

Rebuilding the team took many hours of time with only two senior leaders - **Jamie Kemper** and **Stephanie Johnson**.

Despite the loss of Head Coach Sally Gaines, the team pulled together under the direction of Coach Karsner and won many important games. The team managed to soundly beat Western Hills, their county rivals, after being defeated by them once earlier in the season. The team also defeated top names such as Shelby Co., Clark Co., Jessamine Co.,

Tates Creek, Henry Clay, Madison Central and Lexington Catholic in regular season games.

After such a sucessful season, the girls' faced the district tournament with a great deal of confidence. The girls traveled to Jessamine County and took on Woodford County. There, the team met a disappointing 14-1 loss.

A new girls' softball field toward the back of the school grounds was dedicated this year in memory of Sally Gaines. The field was named the Sally Gaines Field and the girls will begin play on the new field next year.

Having talented girls' softball players is a tradition at FCHS, and this year was no exception. The Lady Flyers have a majority of good players, and with more experience, the Lady Flyers will be top contenders on the field.

### *Flyers Defeat Favored Generals*

The 1992-93 Flyer baseball team got off to a slow start this year, but they managed to pull together in time to win districts this year. The Flyers defeated Woodford Co. in the first round of districts by a score of 1-0. They won the championship game against Frankfort High by a score of 13-2.

On May 25, 1993, the team faced No. 1 ranked Lafayette in the first round of regional play at Eastern Kentucky University. The Flyers beat Lafayette by one run, 5-4, after sophomore James Jacobs scored the final run. Junior Billy Taylor was the winning pitcher. Lafayette's pitcher had been undefeated until he faced the Flyers. The Flyers then faced Lexington Catholic where they finally met their defeat, 2-8.

Mr. Ben Zimmerman returned this year as head coach, but he was assisted by

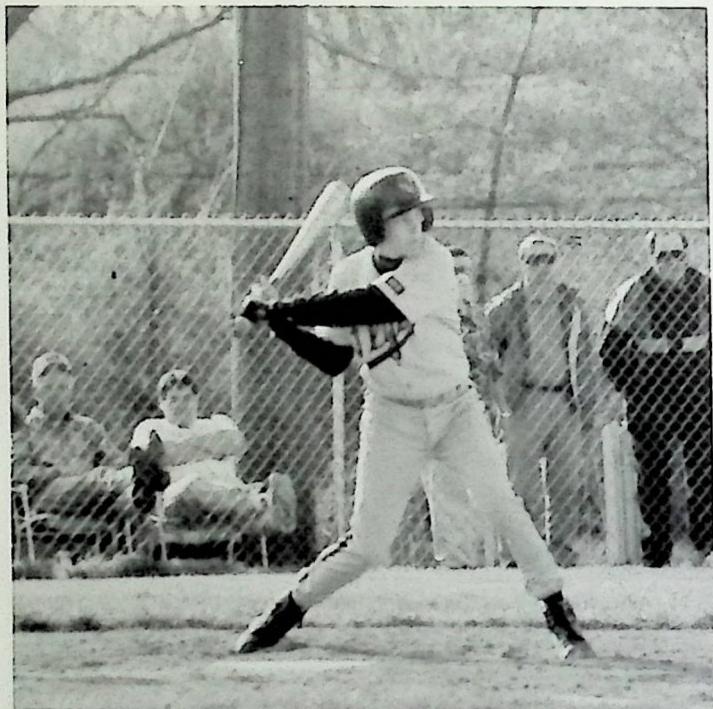

Ed Palko, Randy Napier, and Paul Quire. Seniors Chad Ramsey, Chad Bohannon, Steven Guarneri, Lee Barber, Derrick Thurman, Daryle Woolums, Brian Ritchie, and Gary Groves also showed their leadership skills this year. These eight seniors worked hard, but they also had fun this season. They played 30 games and captured 12 victories.

A highlight of the year was when the team won the game against Western Hills. Defeating the Hills, our crosstown rivals, was a major victory for all members.

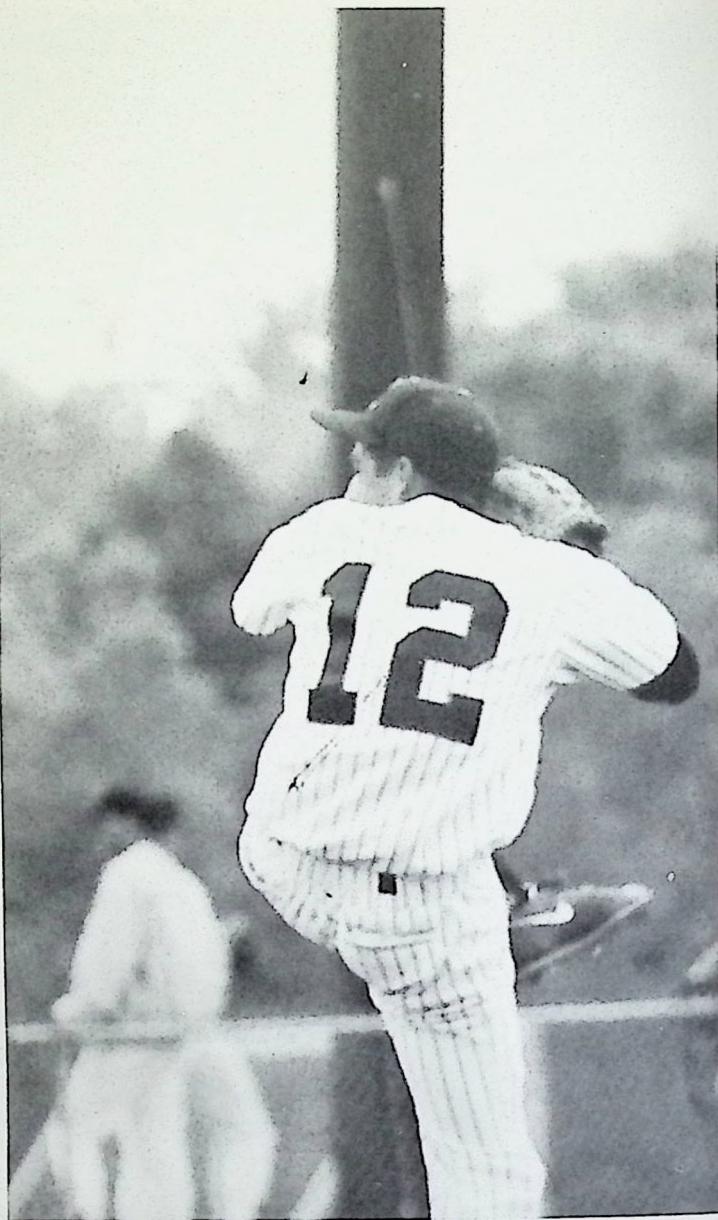

Overall, the Flyers had a very successful season and should be very proud.

The JV team played a total of 21 games, winning eight and losing thirteen. With these talented young players, the Flyer team has much to look forward to.

## Academics

### "We Learned There"

When you think of school, the first things that come to mind are homework, friends, and sporting events. No one really stops to think about the people for which we really owe thanks.

These are the people who are here for us every day - from the time we enter the school as a freshman to the time we walk across the stage with a diploma. They come to school early to grade tests, and stay late to plan ahead. They even use their free time during the day to help students who need extra help. Some work other jobs, yet find time to sponsor extra-curricular activities and attend athletic events. We often forget those who make everything click - the teachers.

## A Deeper Look at Our Administration

Since the days of the 1800's, strict discipline has played a major role in many school systems. However, school rules are apt to be bent a little bit at times because, believe it or not, every principal has a soft spot about him/her at one time or another, and our principals are no exception.

It is up to the administration to keep things running smoothly and safely in our school system. At Franklin County High School, students have few complaints about the administration or the discipline. Of course, to every side of sunshine comes the rain. In other words, there are some who don't agree with the disci-

pline and administration here at F.C., but we all know that you can't please everybody at the same time, especially when you're talking about the "bad guys."

Mr. James D. Shrock is the head principal. His primary job is to work with the Site-Based Council and to establish policies for the school. He is also responsible for coordination and administration of the school program. This means he is responsible for the school schedule, budgeting, and keeping all accounts. He is responsible for hiring personnel and staff members.

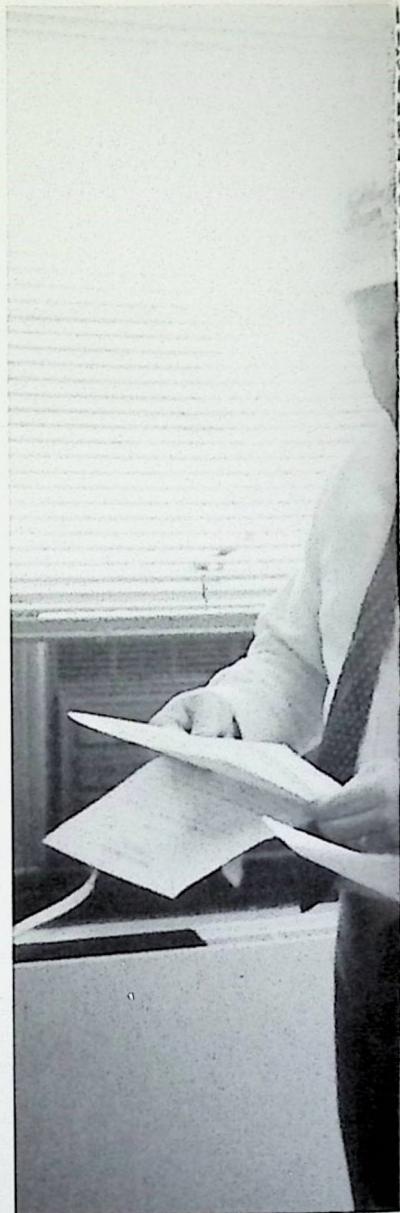

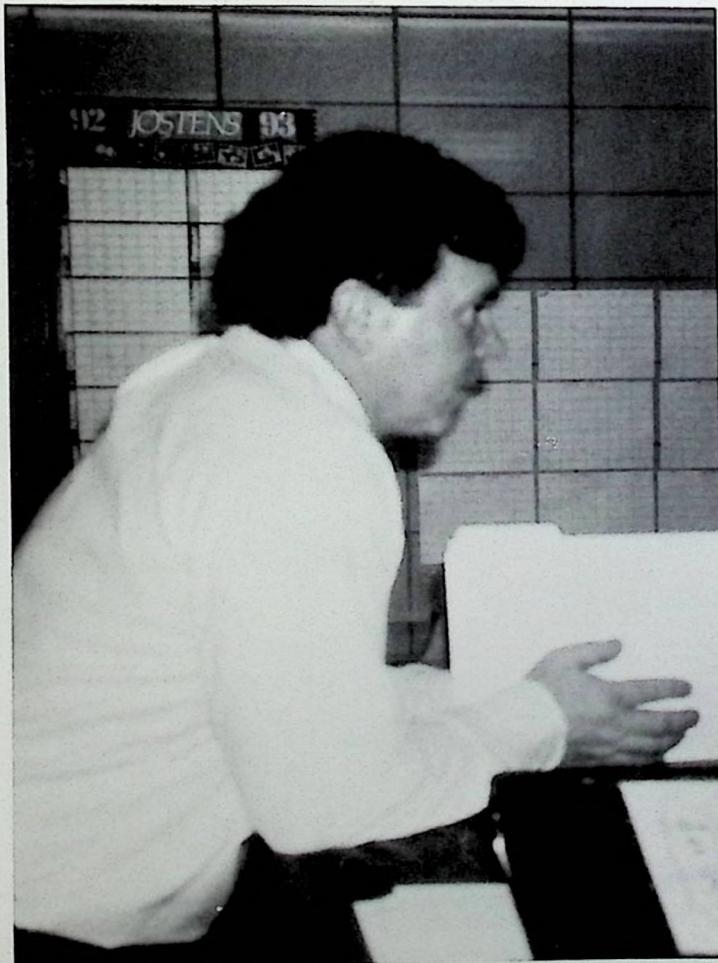

Mr. Gary Lawson is assistant principal here at F.C.

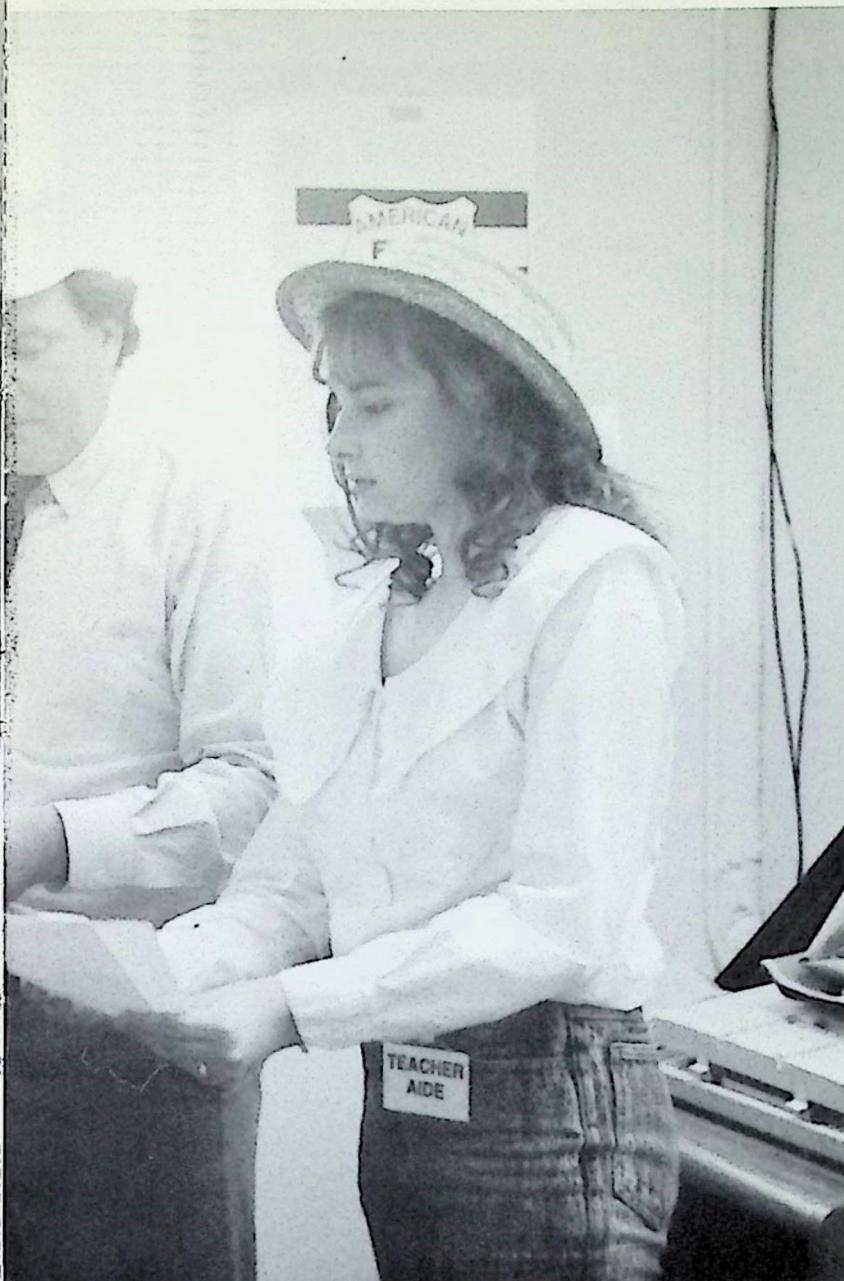

He is also in charge of the athletic fund. Mr. Lawson is in charge of observation and supervision of 1/3 of the teaching staff.

Mr. Tom Mowery is accountable for student affairs, textbook inventories, and book purchasing. He coordinates computer activities, prints grade reports, and he works with the computer scheduling.

By providing a deeper look at our administration, it is easy to see that their jobs are not as easy as they look, and it always seems that our three administrators are kept busy making our school a fun and safe learning environment.

# Helping Hands

## *A stiff backbone makes a strong school*

Many times people fail to notice anyone but the "big" people. Here at Franklin County, our "little" people do the unrecognized jobs that keep our school running, non-stop.

Our secretaries consist of Mrs. Debbie Dodson, Mrs. Donna Karsner, Mrs. Carolyn Mason, Mrs. Betty Lou McElmurray, Mrs. Lorena McWhorter, and Mrs. Carolyn Hestand. These six ladies do as much or more work than anyone else. They do everything from answering phones to checking students in and out to delivering messages to getting report cards ready to writing checks. Though these are the kinds of jobs that are overlooked by most people, these women are well-appreciated for the amount of time they put in.

Mrs. Sharon Hadley,

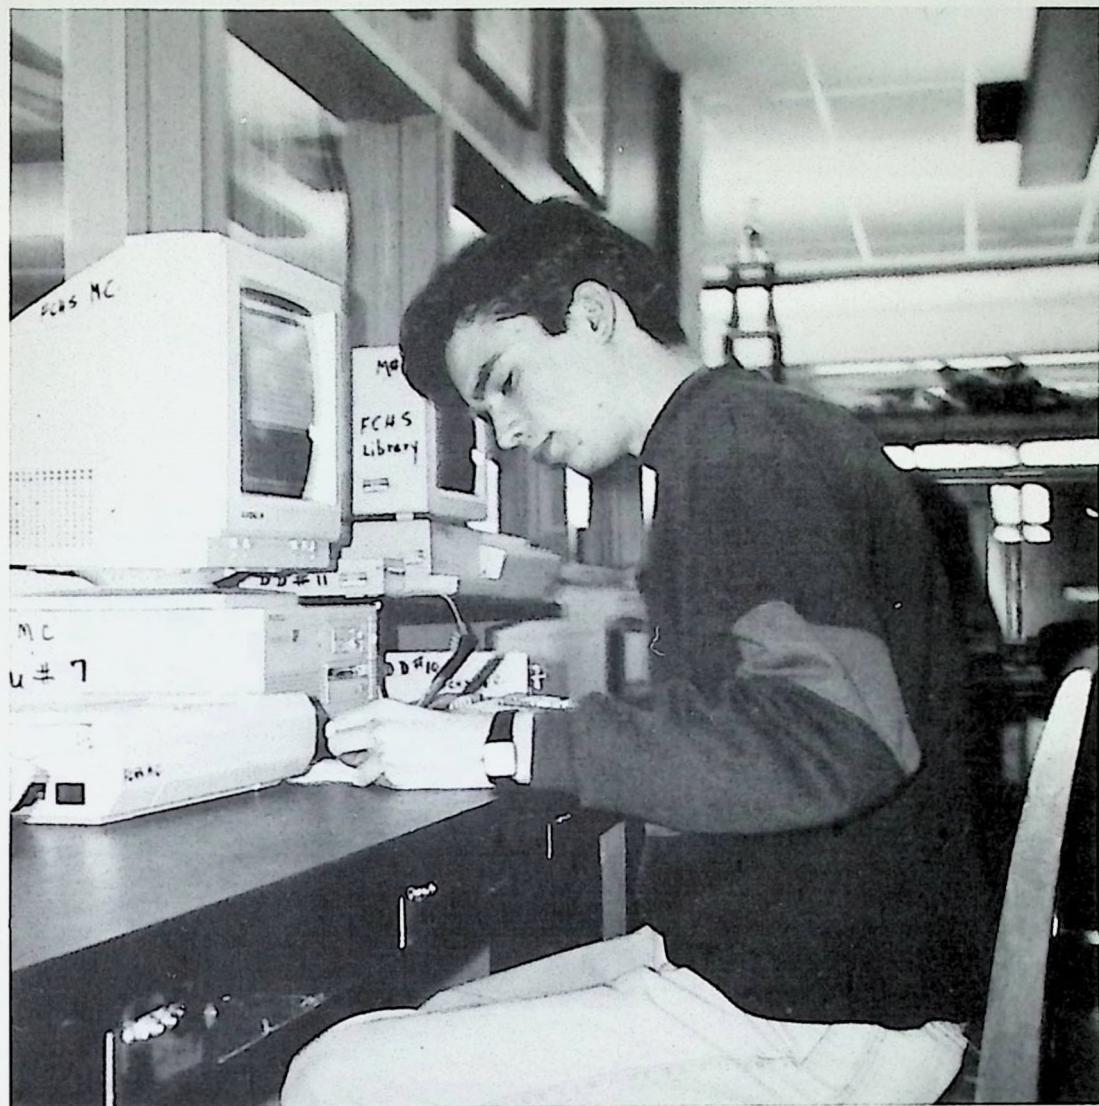

Mrs. Joyce Pearce, and Ms. Barbara Judge make up our counselor's office at FCHS. This group of women have the patience and will to do whatever they can to help the student body. They schedule classes, help with personal problems, and counsel in career choices.

Mrs. Shirley Elkins is the librarian at FCHS. She has proven to be a major factor in the education of FC students. Not only can she help find a source of information, she can teach the student to put the information to use. She is available to help with everything from using the card catalogue to the CD Rom.

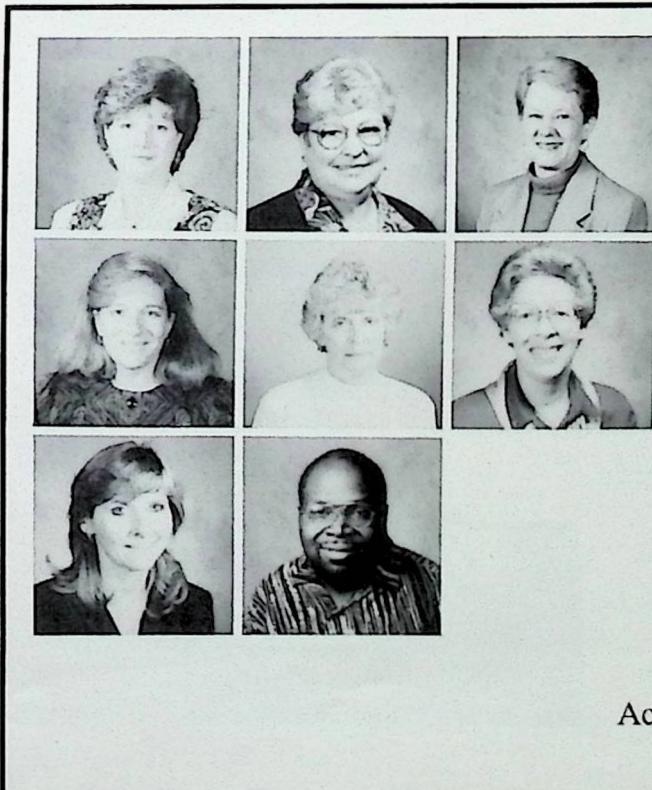

This staff of support personnel shows the willingness of the FCHS staff to take an active role in the education of its students.

# Business As Usual

## Climbing the Ladder to Success

The Franklin County Business Department offers many courses to the students at F.C.H.S. Some of those include typing, computer applications, accounting, introduction to business, business law, cooperative office education, and many others.

The teachers in this department are Sharon Collett, Gayle Green, Tammy Klapheke, Anita Stringer, and Scott Young. Mrs. Collett is in her first year as department head. Tammy Klapheke is the only new addition to the department this year.

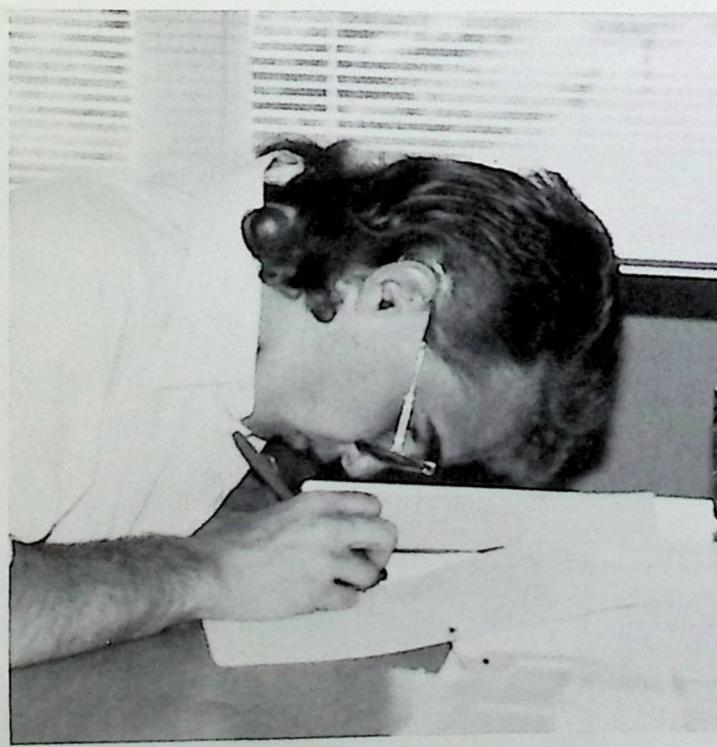

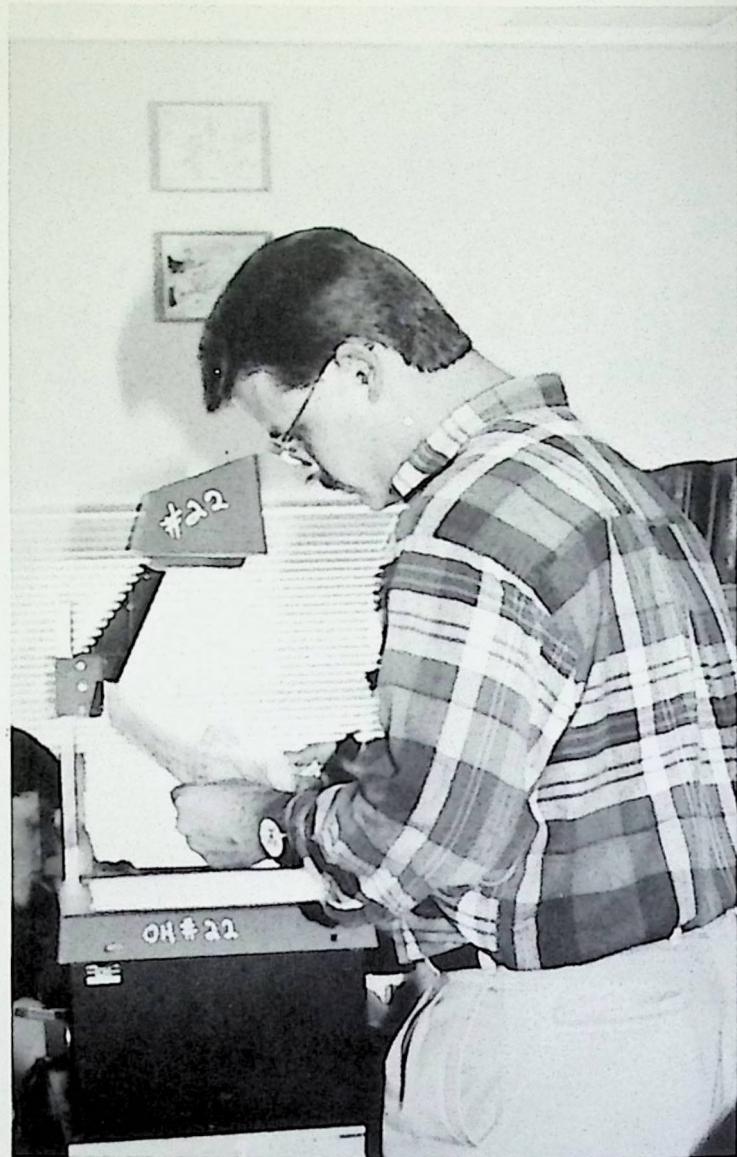

These teachers work very hard to get the students ready for the real business world. Teachers instruct students in all areas of knowledge necessary for a real job - whether students work after school hours and summers or whether they wait to join the work force after graduation. Although hampered by the use of antiquated computers,

teachers still managed to teach proper keyboarding and the difference between computer keyboarding and typing. The department is hopeful that new computers and updated software will arrive for next year.

The business department is an excellent department for students at Franklin Co. since today's job market is so competitive. Students involved in business courses at Franklin Co. can look forward to successful careers in the business field. Whether they continue their education with college or vocational study or choose to join the work force immediately after graduation, these students can be assured that they will have a solid business background.

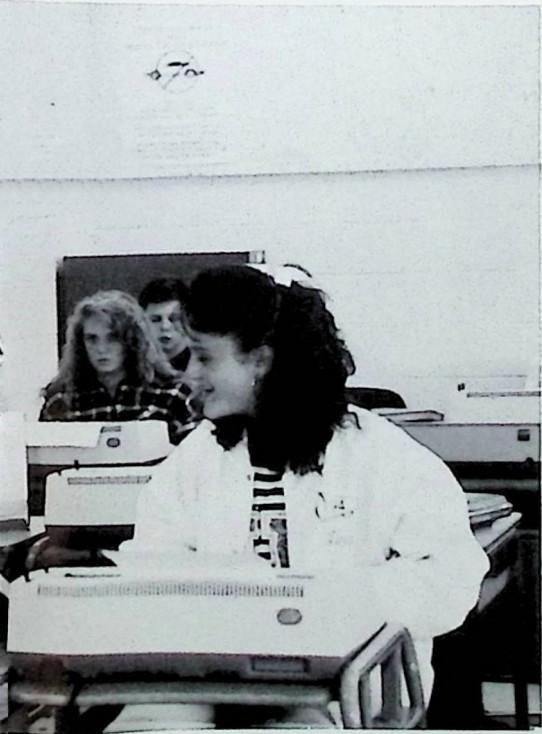

The five teachers in this department are dedicated professionals who strive to insure that their students have the knowledge and technological skills to succeed in today's professional worlds.

## *Requirements teach marketable skills*

The Franklin County English Department offers a variety of classes. Among these classes are four levels of English with advanced placement courses, journalism, broadcast journalism, speech and drama, and yearbook.

All students enrolled at FCHS are required by our curriculum to earn four English credits before they can graduate. An additional requirement for seniors, mandated by KERA, is the writing portfolio. The portfolio contains pieces of writing collected by seniors throughout their final year of school. The portfolio is used as part of the KERA assessments.

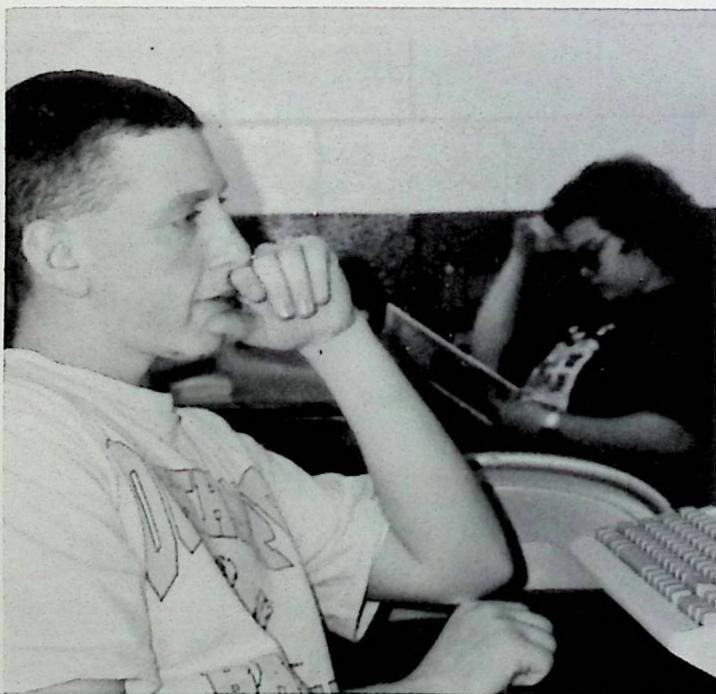

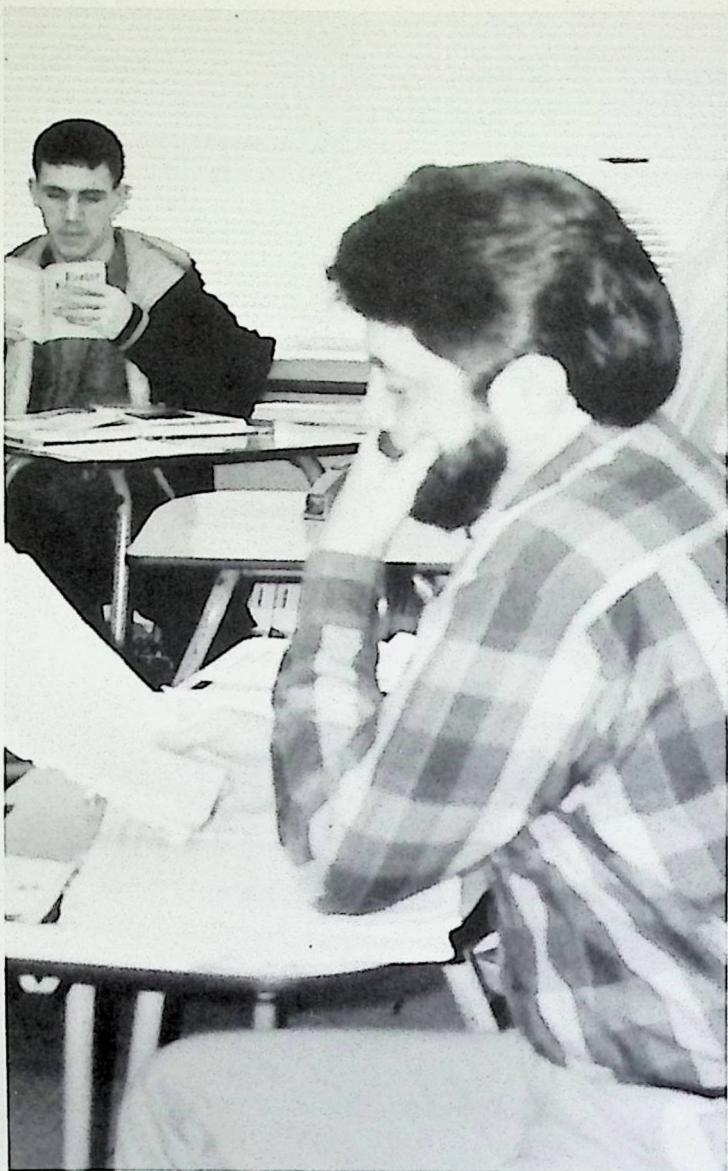

Broadcast Journalism, in its second year, is a fun but demanding class. Every morning here at FCHS, students in this class broadcast the morning announcements. This keeps the students busy because they have to stay on top

of all the latest news so they can let all the students know what is going on at FCHS.

Speech and Drama is also a prospering class in the English department. In this class, students write their own scripts and perform the play for a grade.

Journalism and yearbook are also growing classes among juniors and seniors. Headed by Mrs. Sherri Smith, these classes allow students to write and edit for the school newspaper and the school yearbook. They also learn the basics of page design and desktop publishing.

The English department consists of eight teachers - Mrs. Saundra Epley, head of the department, Mrs. Smith, Mr. Steve Schenck, Mr. Joe Karsner, Mrs. Carolyn Nemeth, Ms. Lyda Phillips, Mrs. Dawn Smith, Mrs. Lynne Burnette, and Ms. Gayle Green.

# Exhibiting Talent

## Through Music, Art, and Song

The Fine Arts Department at Franklin County truly represents school pride and spirit. All through the school year, Mrs. Kathy Bohman, art instructor, has created banners, signs, and has made opposing team mascots to hang in the back foyer. You can easily see the work of the art department scattered through the school.

Mr. Ed Wasson, along with Mr. Brian Gorrell, directs the school band. The band is always active during the year, performing at a number of sporting and community events. If the band is not performing at basketball or football games, then they are getting ready for competition. The statement: "A man's job is never done" holds true to every member of band. Their year begins in the summer with band camp and doesn't end until May with graduation. Three students were selected for All-State Band - junior Ryan

Adecock, and sophomores Faith Anderson and Robert Snelson.

The last, but not least, part of the fine arts department is choral music. The chorus, under the direction of first-year teacher Lesa Kidwell, is compiled of four different student groups - show choir, choristers, mixed chorus, and freshman chorus. Miss Kidwell has a busy job, finding a variety of music to keep her students interested and directing a large number of students during the day.

Miss Kidwell sent four students to All-State Chorus - juniors Heather Luscher, Bobby Hansel, Mark Ison, and Troy Sparks.

All in all, the three segments of the Fine Arts Department help to give our students a sense of culture and gives our school a uniqueness all its own.

# Healthy Living

## Teaching Lifetime Health and Fitness Opportunities

Health and physical education are very important for the students at FCHS. Students actually benefit from these classes not only during their high school careers, but also during their adult lives as well. These classes show students how to be more physically fit and healthy.

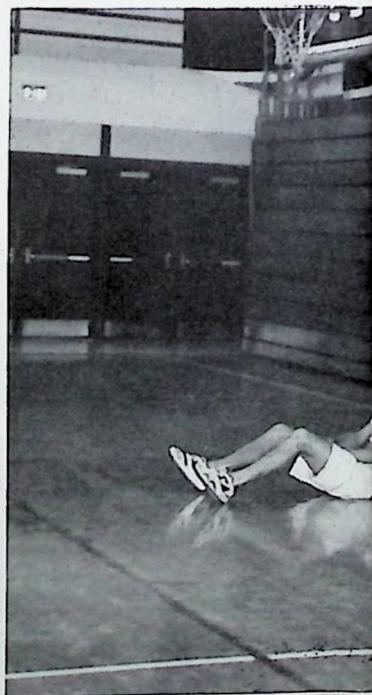

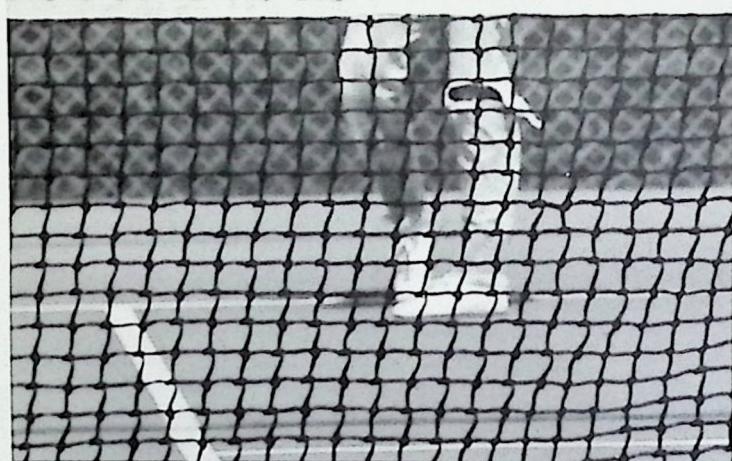

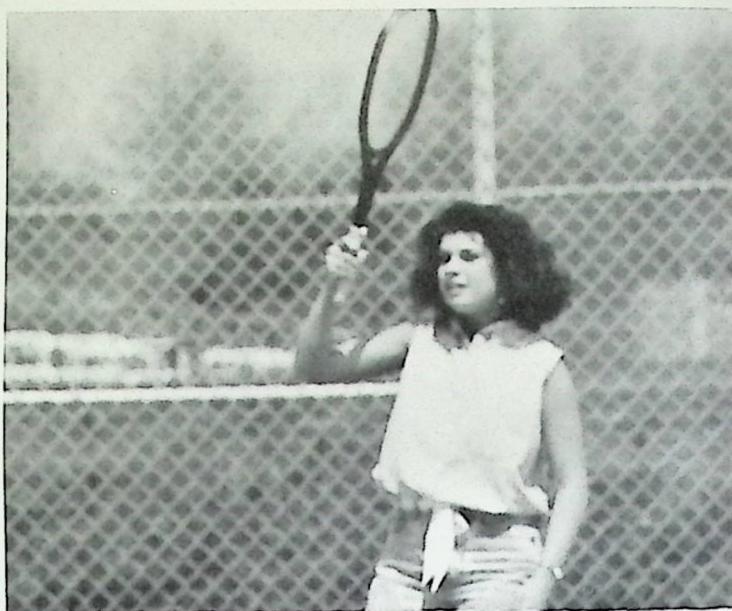

As a freshman entering FCHS a student has to take a semester of health and one of P.E. Students may also elect to take P.E. 2, P.E. 3, aerobics, or Plays and Games after P.E. 1.

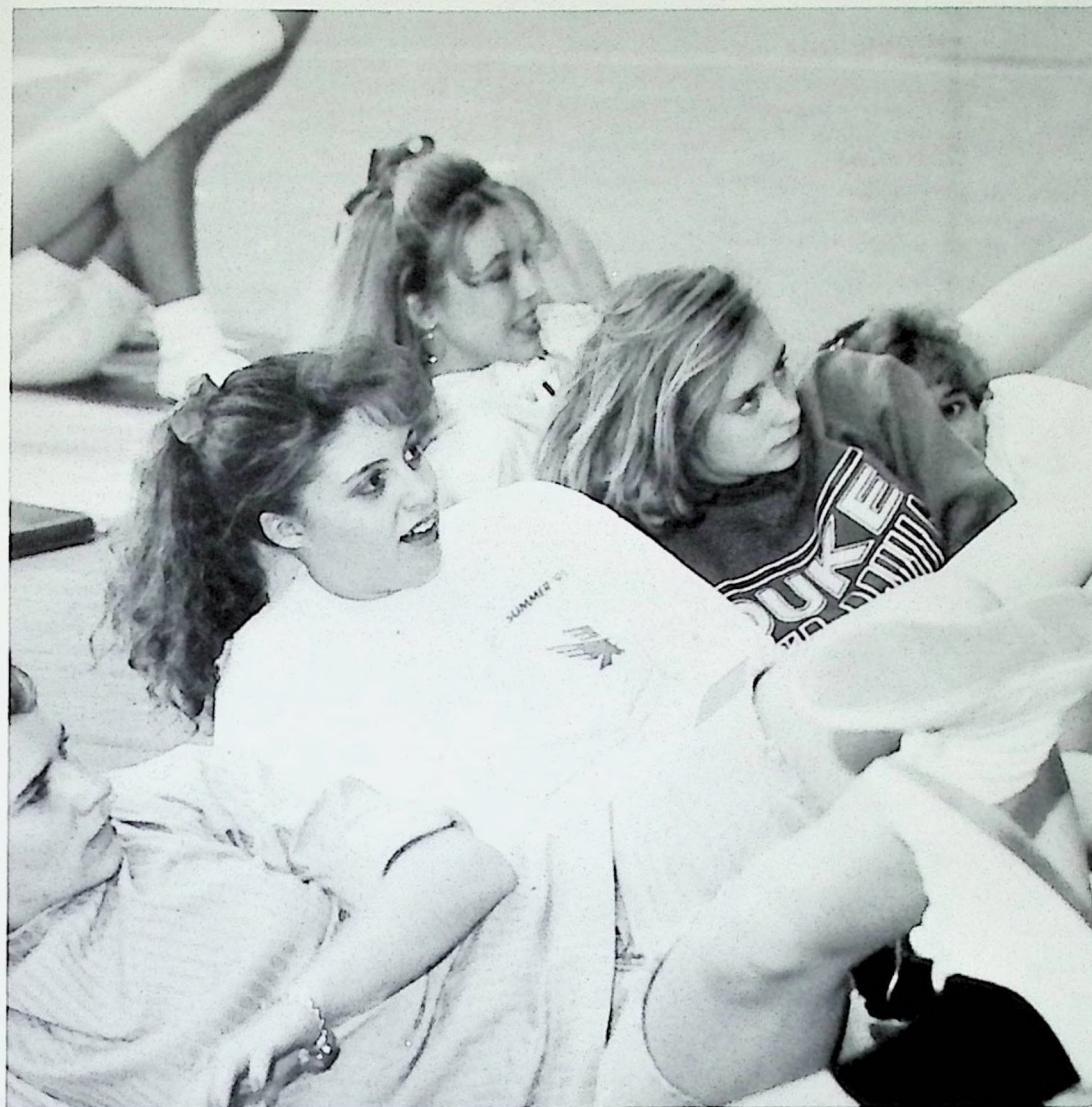

Plays and Games is offered exclusively to seniors. This class provides hands - on experience for students who plan to work with children in any field or who want to become a teacher of health and

physical education. Students who take this class travel to various schools and work as aides for the P.E. teacher in that school.

In health, students learn about the body and how it works. Mr. Jerry Bohman teaches this class and deals with everything from drugs and alcohol abuse to the basic food groups and proper diet.

Mrs. Helen Tipton, P.E. instructor, said, "Today's students are out of shape physically. They need direction in improving their physical ability because the majority of them are not going to do it on their own. P.E. and health helps students develop not only physically, but also to develop mentally, emotionally, and socially.

Seniors Amber Paul, Beth Quarles, Stephanie Johnson, and sophomore Brandy Hyatt are really into a serious work out. Make it burn, girls!

## *Learning Language and Culture*

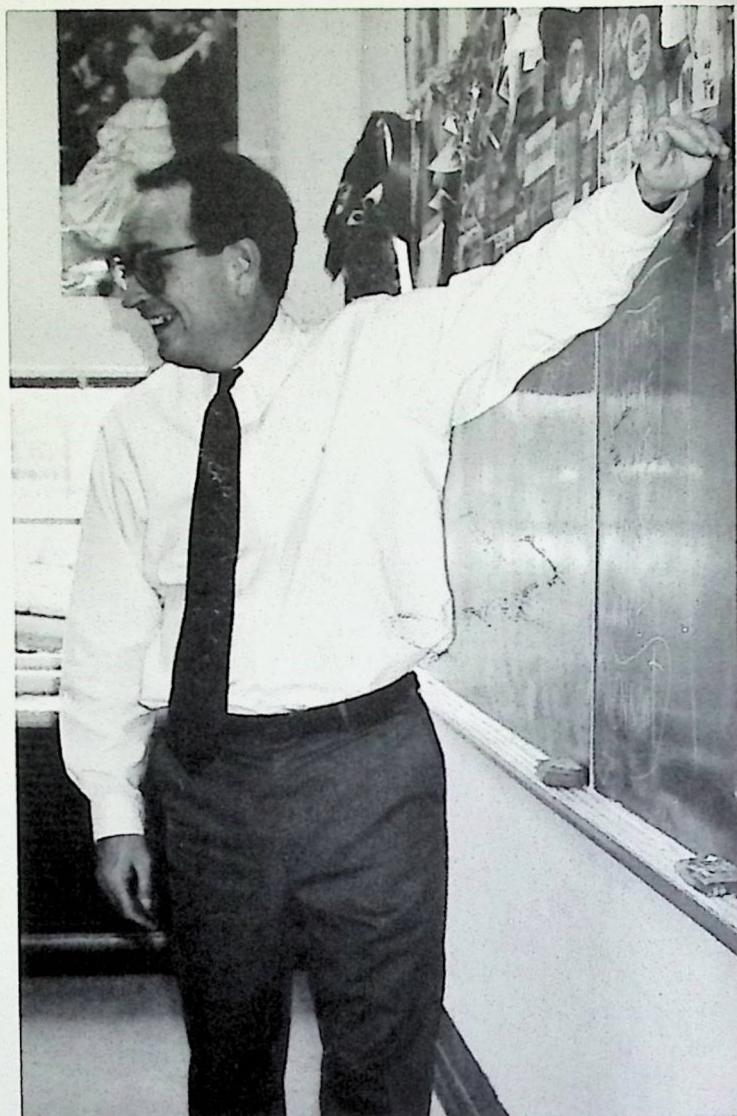

Franklin County High School is filled with students who are unusually bilingual. The student body at F.C. has a lot of Spanish students, even more French students, and a growing number of Latin students. Many of these people double on foreign language classes and take two, in order to become more culturally educated.

Students were given another opportunity to broaden their cultural knowledge this year. Latin II was offered for the first time at Franklin County. This course enables students who have already taken Latin I to have another

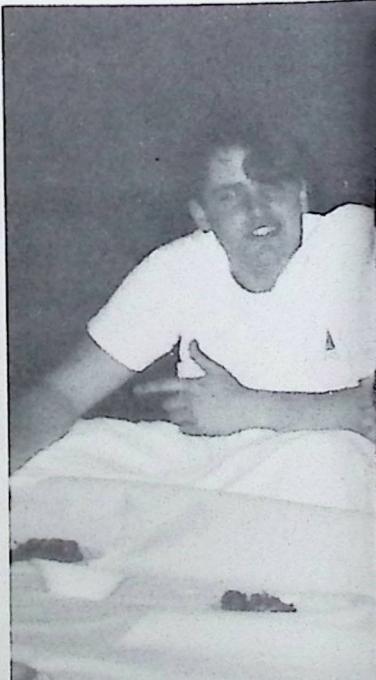

year in order to move on in this language.

The French and Spanish classes have accomplished their fair share of goals this year also. Students that went to the National Spanish Convention learned a great deal and were able to spend an extra day because of snow. The French classes took part in the Foreign Language Festival in April. Here, students displayed their knowledge and interest in the language itself.

The creative staff responsible for the language department is made up of Carol Comer, Kim Hall, Barbara Geoghegan, Terry Johnson-Dept. Head, and Dawn Smith.

# Measuring the Future

## *Assessing your skills for transition*

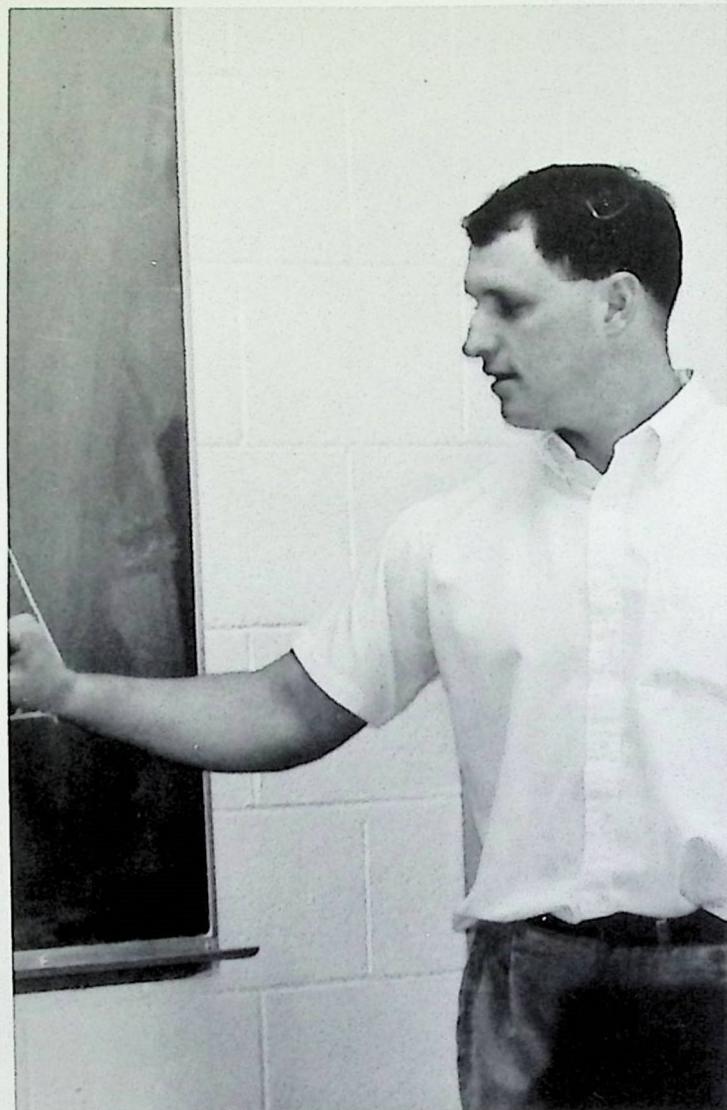

Learning math at FCHS has become second nature thanks to the exceptional math staff consisting of Mrs. Ruth Casey, head of the math department, Mr. Kerry Casey, Mrs. Laura Sell, Ms. Nancy Finney, Mrs. Laura Mason, Mr. Ben Zimmerman, Mrs. Susan Martinson-Picklesiemer, and Mrs. Karen Perry. This select group of individuals, with the help of a mini-computer, has made math class not only fun but adventurous.

The TI-81 is a calculator that can do almost anything. These tiny wonders were made available for purchase through the math department. These calculators have proven to be a successful instrument that has saved many algebra and pre-calculus students hours of

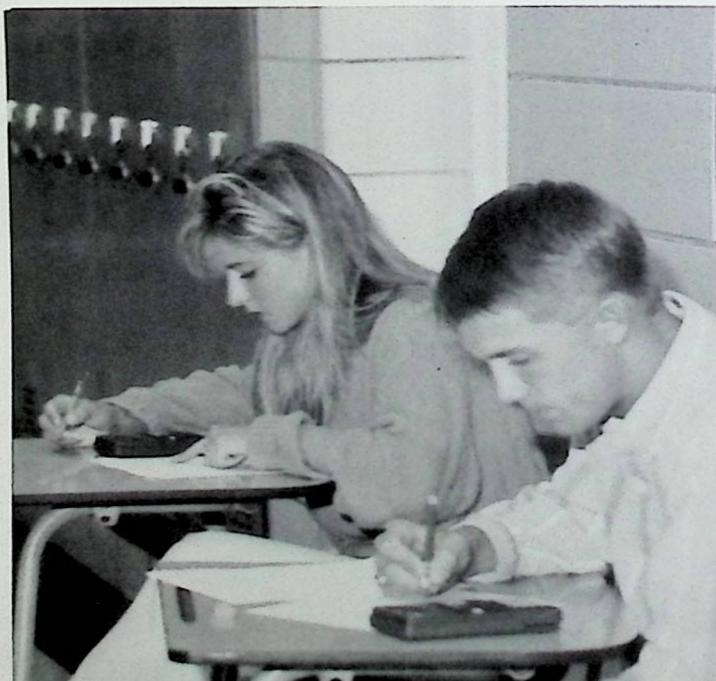

stressful work.

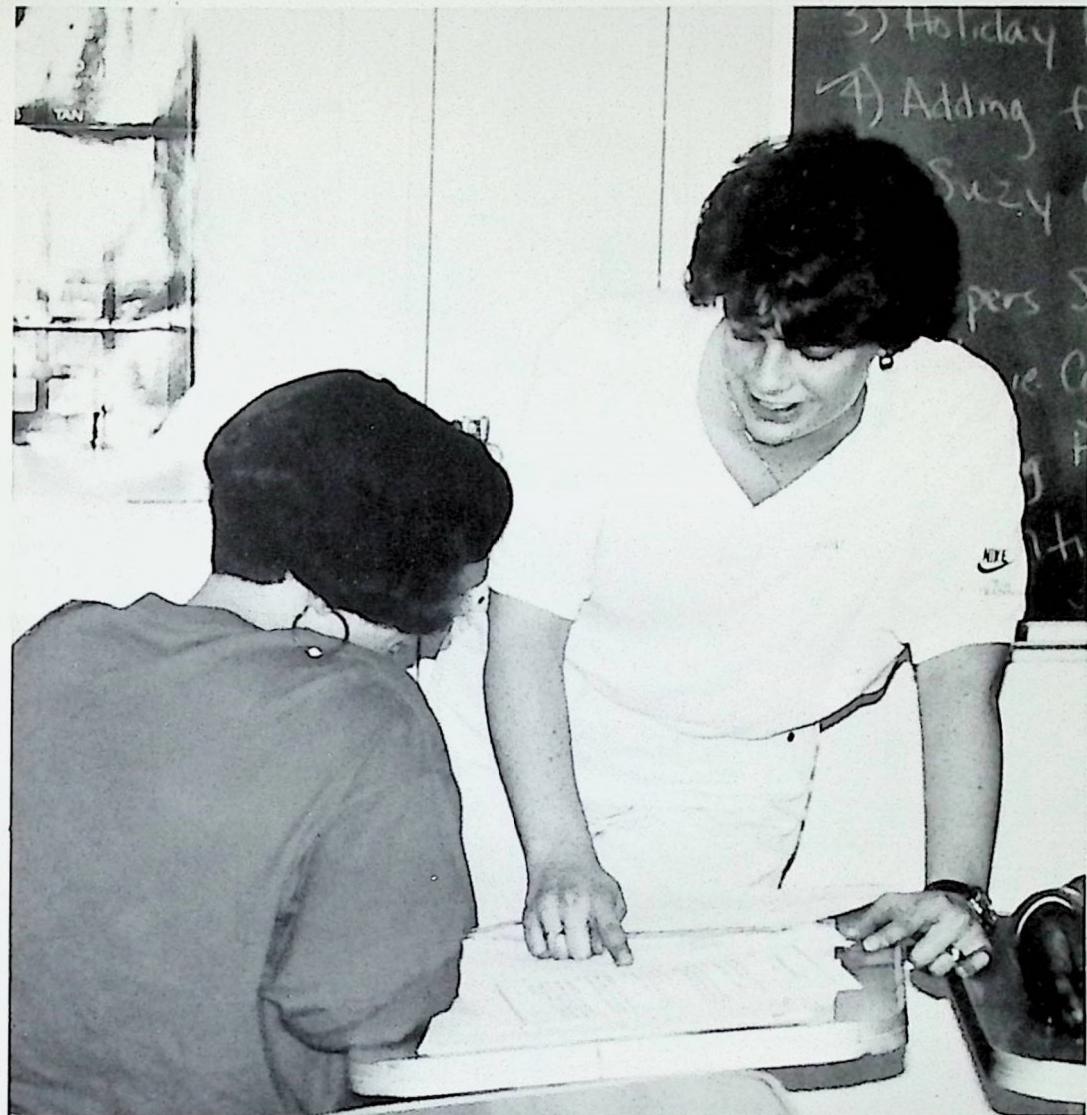

The Franklin County math department offers several different classes. Among these classes are Basic Integrated Math, Pre-algebra, Modern Geometry, Algebra I and II. Pre-Calculus and Calculus offer more advanced students college level work. Our curriculum only requires a student to take three years of math so Pre-Calculus and Calculus are electives for students who are planning to go to college.

With the help of eager students and caring teachers, the math department will prepare all FCHS students for a successful transition to college or the world of work.

# Providing Support

## *Helping Students Plan for Success*

The Resource Department, headed by Mrs. Rita Rector, provides academic support for students having problems in the areas of biology, U.S. history, physical science, basic math, health, and English. The teachers in this department help students to be successful in their mainstream classes. The resource teachers also encourage the students to work to the best of their abilities. These students operate in very small classes so that they can receive more individualized attention.

Other teachers in this department are Mrs. Bobbie Anderson, Mrs. Phyllis Oates, and Mr. Gene Wolf.

Within the Resource Department is another area called the Work Experience Program. This program is comprised of four classes and a work-experience co-op program which helps the students learn to get and hold jobs. Students participating in this

co-op work at local community sites. This department helps students prepare for graduation, the world of work, or a vocational or college career.

\*\*\*\*\*

The Community-Based Education Program, overseen by Ms. Mary Salsman, focuses on preparing students for life in the real world. Students learn domestic skills, community skills, and vocational skills by experience. Some of the students participate in a co-op program where they work for local businesses.

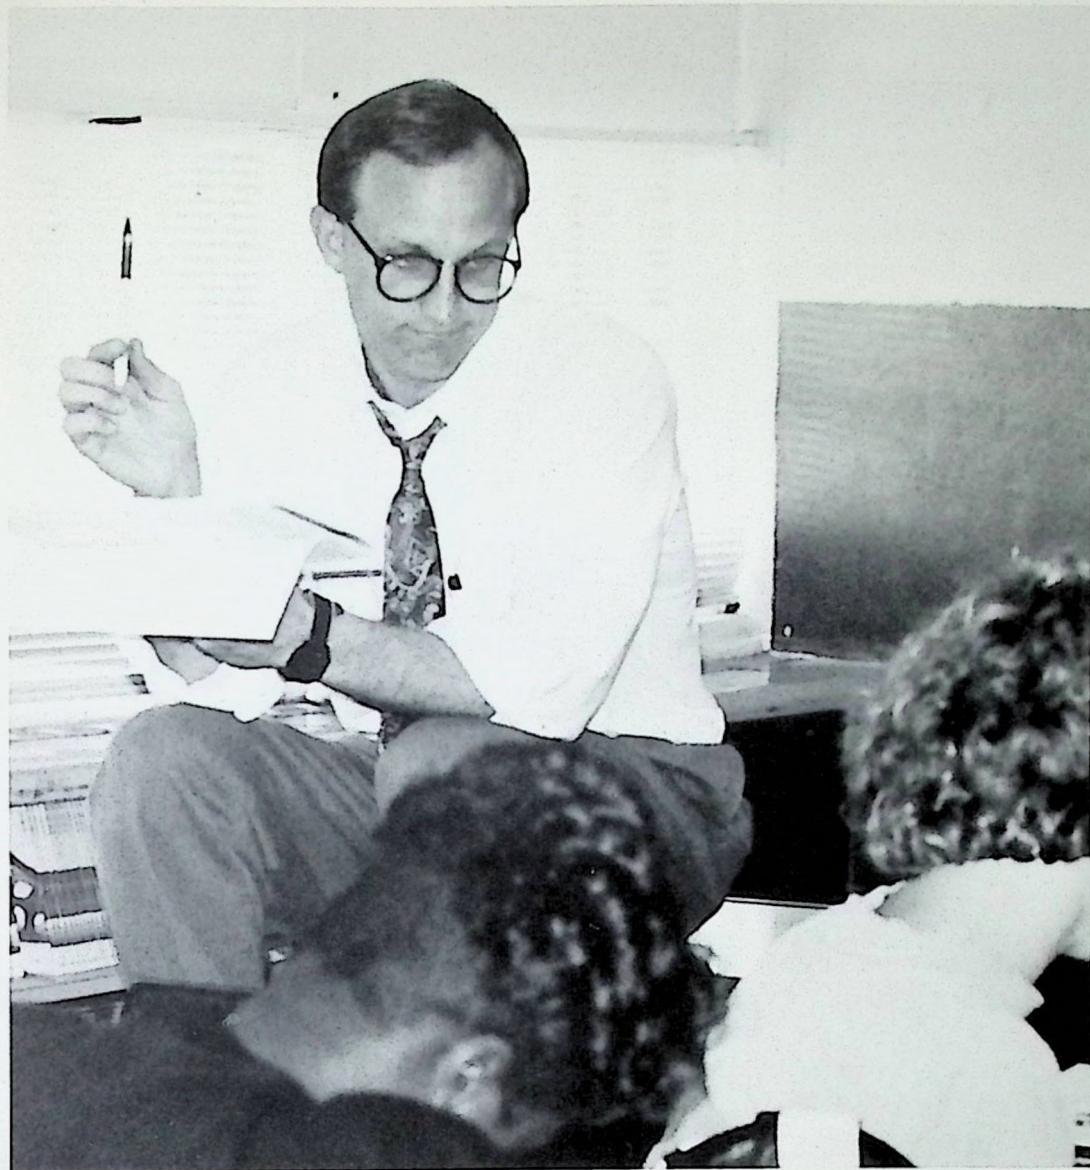

The students in this program also have recreational time directed by Coach Gary Moore where they play sports. Their favorite is basketball, and they also like bowling.

The key aspect of this program is that it really helps the students function to the best of their abilities in today's world.

# Back in Time

## *Learning from the past*

At Franklin County High School, the Social Studies department is a very essential part of education. It gives students an opportunity to explore and learn about the past and about other areas and cultures of the world. The social studies department at F.C.H.S. not only offers typical high school subjects such as U.S. history, geography, world civilization, Kentucky studies, and American studies, but also classes that allow students to learn about human behavior such as psychology and sociology.

Junior Amy Allen said, "American studies has been a very beneficial program in that it has given me the opportunity to get experience from the past

without the use of books."

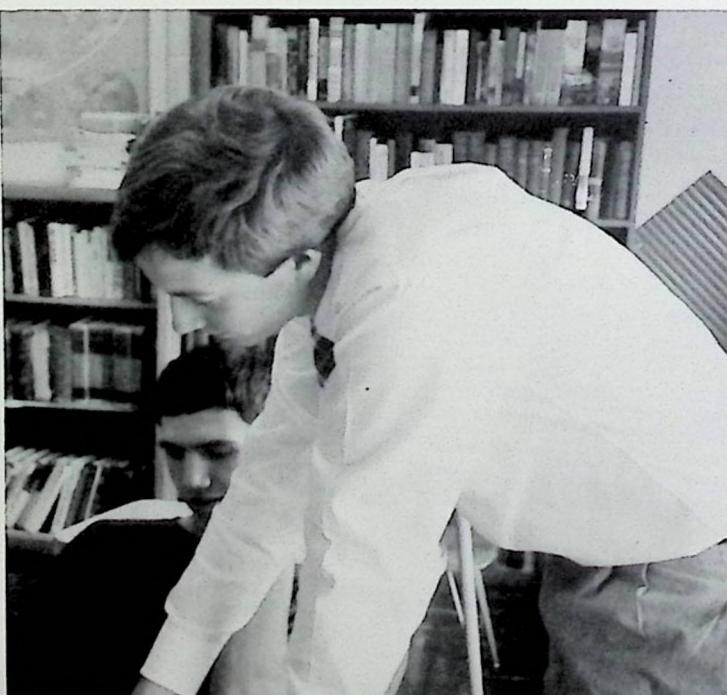

Lonnie Lewis heads this very important department. He, along with Mr. Bob Comley, Mr. Robert Roach, Jr., Mr. Don Sturgeon, and Mr. Shaun Garing educate students so that they will be prepared for the future through the education they receive during their social studies classes.

Lewis said, "In this ever changing world in which we live, today, more than ever, it is obvious that we need to learn from the lessons of the past."

These five social studies teachers are hardworking and dedicated to making their students more knowledgeable about the world in which we live.

# Saving Our World

## *Making choices to benefit our future*

The Franklin County Science Department is a wonderful place to learn about the world in which we live. Offering classes in physics, anatomy, biology, chemistry, this department teaches students about animals, life, and about the human body.

Though only three science classes are required for college and only two for graduation, many students take more than these requirements because they find them useful for real life as well as for college.

The teachers in this department - Kathy Billiter, department head, Karla Amburgey, David Bugg, Kerry Casey, Terry Fitzpatrick, Doug Newton, and Tish Putty - are dedicated individuals who believe that quality science classes teach students to make good decisions and quality choices to benefit the future.

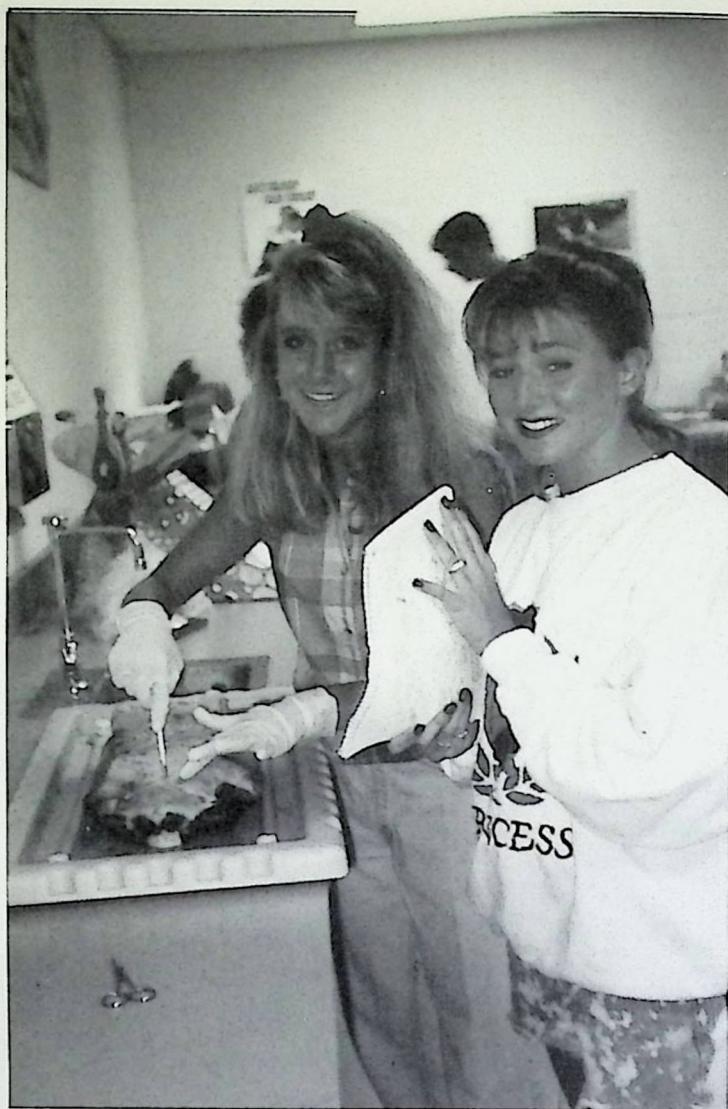

The science department also takes field trips to nearby

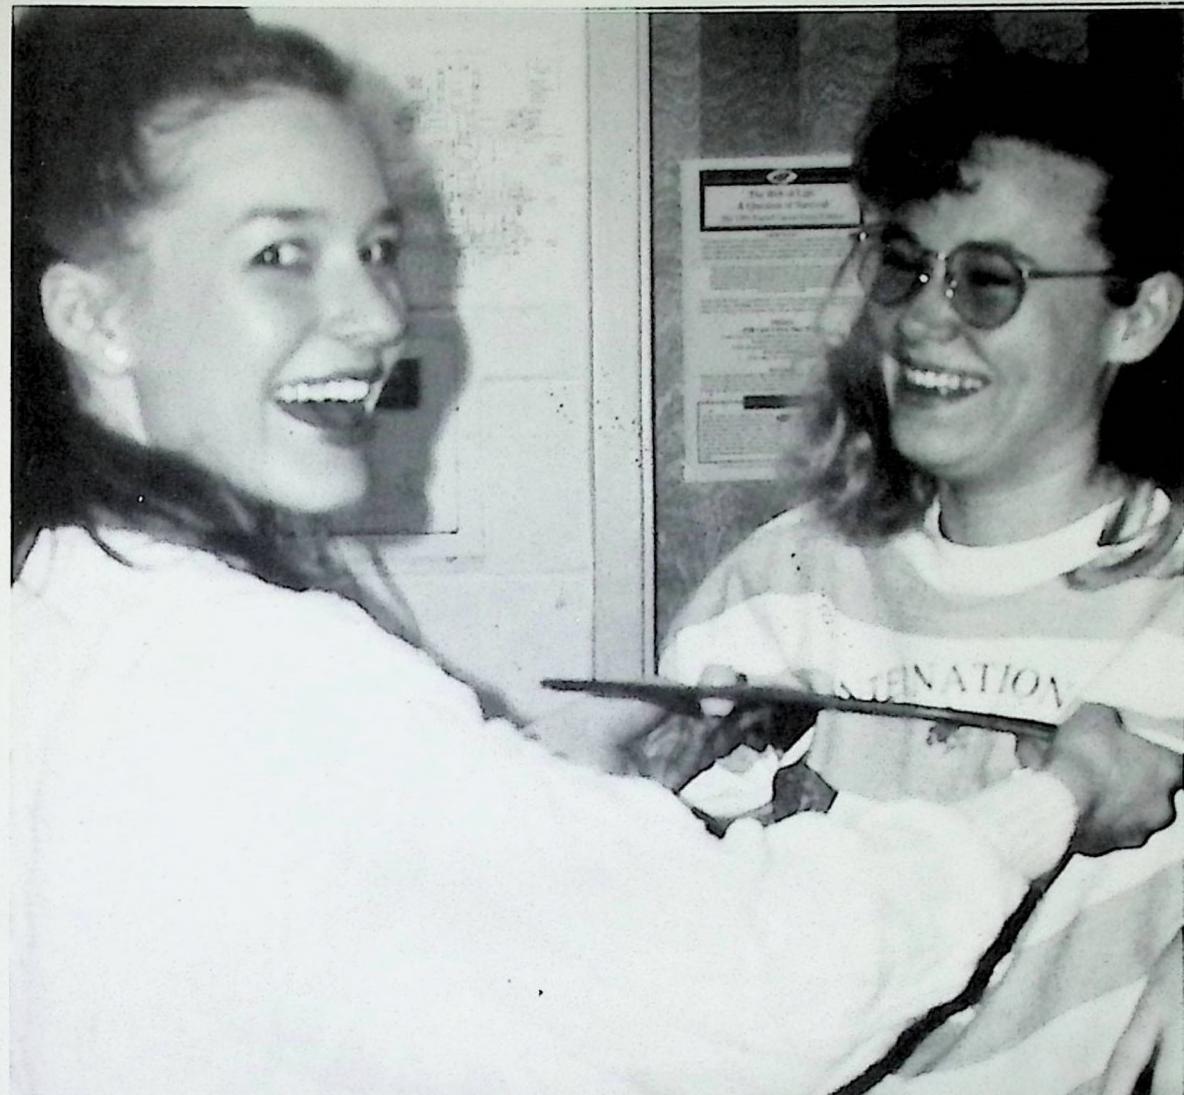

facilities that work with scientific equipment. They went to the University of Kentucky Medical Center where they viewed state-of-the-art medical equipment and treatment facilities. While there, they also viewed a cadaver.

Members of the Science Department also host the American Red Cross Blood Drive at the school. This year, Franklin County's students and faculty donated more blood than Western Hills High School, and the school received a trophy for its contributions.

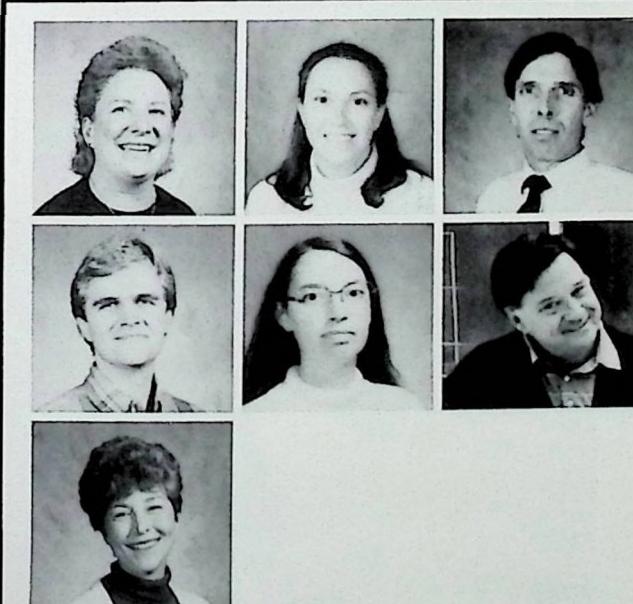

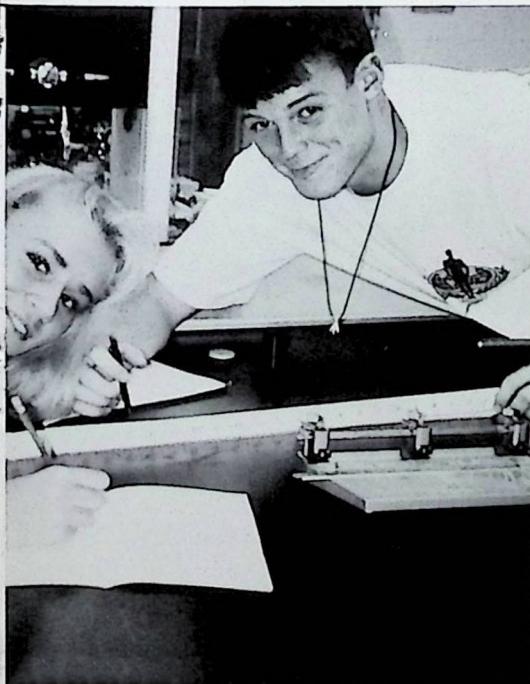

According to Mrs. Billiter, science classes foster the students' natural sense of wonder and deal with a person's innate desire to know why and how. In today's rapidly advancing world, students must have a solid background in science if they want to be knowledgeable and protective of the world in which they live. The science classes at FC sufficiently provide this background.

# Training for Life

## *Focusing on skills for the future*

The Franklin County Vocational Department gives the students the training they need in home economics, industrial arts, and vocational agriculture. These classes are not conducted necessarily in a classroom. Students get the opportunity to work in a shop, a greenhouse, a kitchen, and they get to travel outdoors.

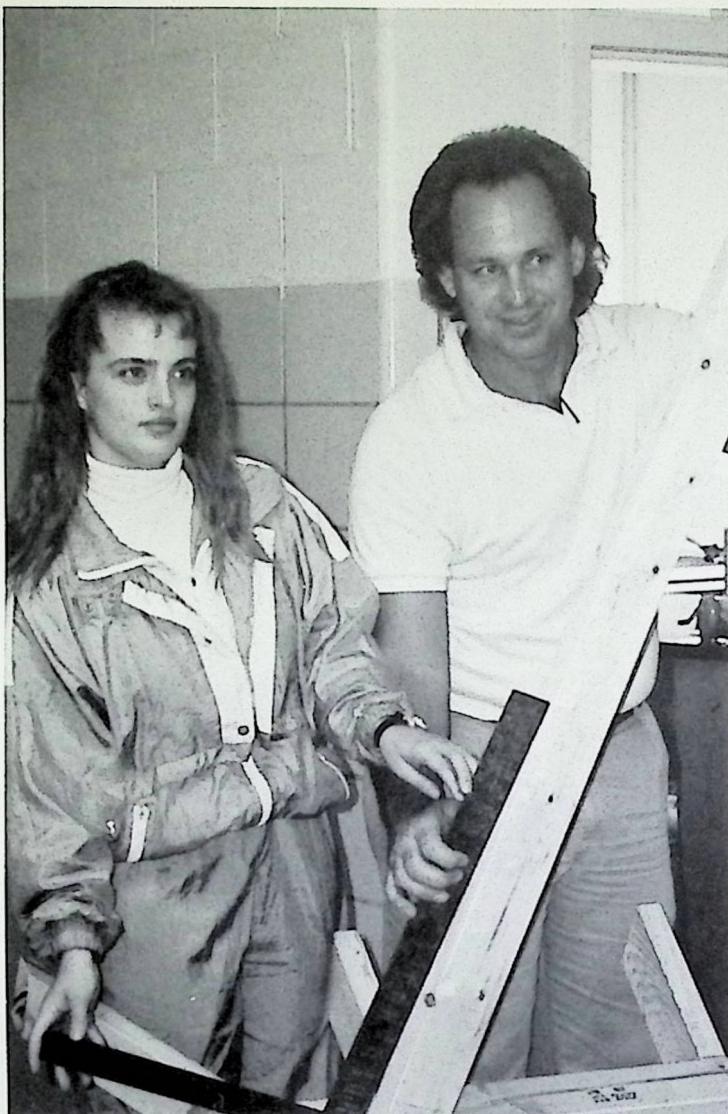

The home economics division of this department is headed by Mrs. Sue Toncray, along with Mrs. Susan Stivers. These classes provide students with valuable experience in child care, food preparation, and in comprehensive economics. The home economics division also includes classes in clothing and fashion design.

"Home economics teaches life skills and career opportunities such as child care services. Next year, the department will offer tech-prep classes and college enrichments," said Mrs. Stivers.

Mrs. Terry Bowlds is the head of the vocational agriculture division. These students work with plants, using the greenhouse frequently. This division also includes animal science, floral design, landscaping, animal technology and agriculture employability skills. These classes are all taught in the Vocational School.

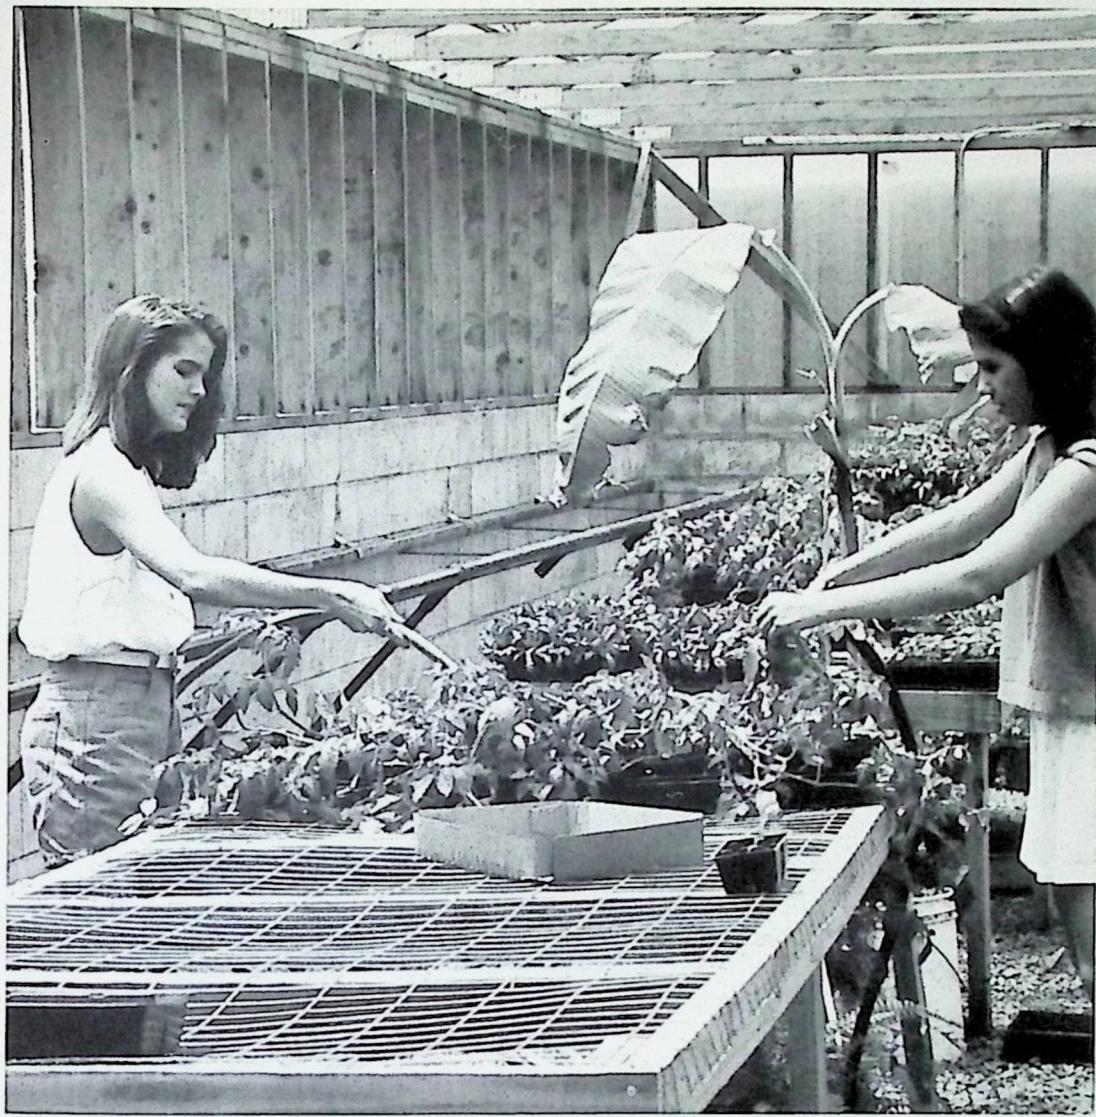

The industrial arts division teaches classes where students are taught general drafting, general woods, or construction design. Mr. Ken Wartschlager teaches his students to use all they have learned in other classes and put that into practical activities.

The divisions of the vocational department encourage students to be responsible adults, capable of managing their personal and professional lives, and it also provides opportunities for lifetime leisure activities.

# Hands On to A Career

*Developing academically, personally, and technically*

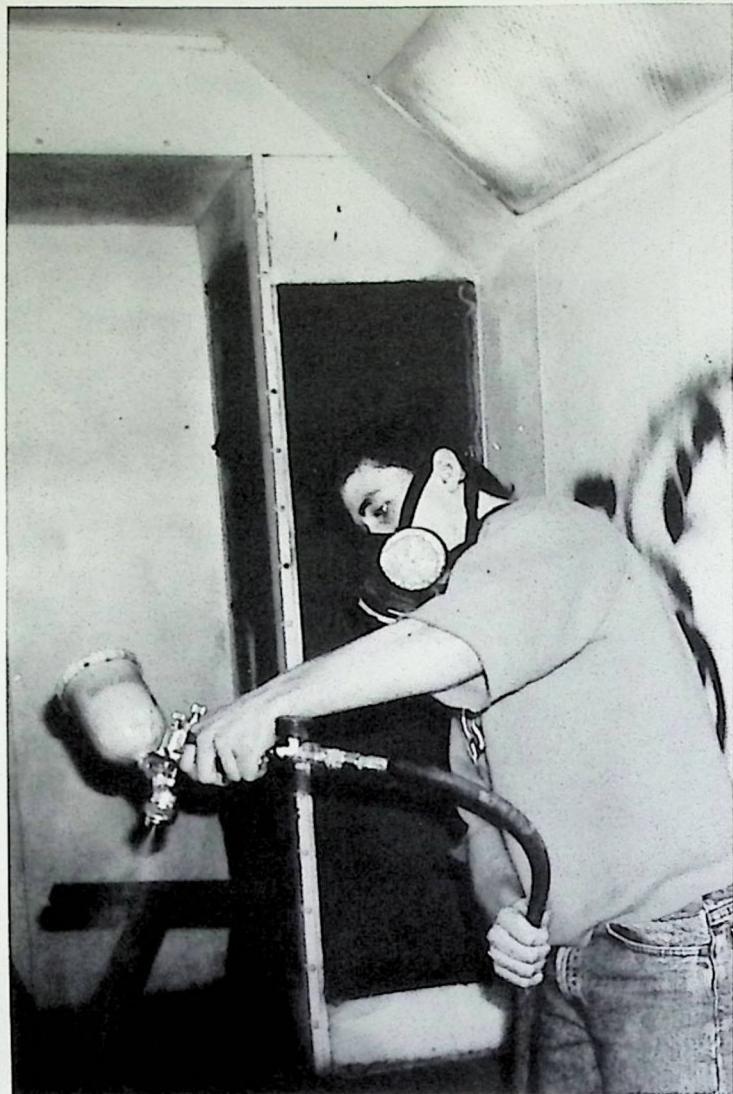

The Vocational School is designed to help students develop academic, personal, and technical skills. This is accomplished by a well-trained staff and also through classroom and laboratory experiences. The vocational school will help students further their education or prepare them for entering the working force.

The vocational school offers automotive technology, auto body repair, drafting, agriculture, welding, and cooperative education. Mr. Scott McBrayer is the principal at the vocational school. The other members of the staff are

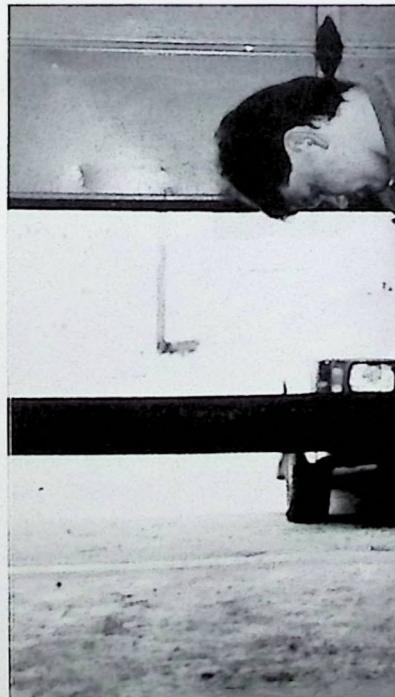

Connie Cunningham, Charlie Howard, Patty Jurek, Mike Snow, Roger Stevens, and Joe Yancey.

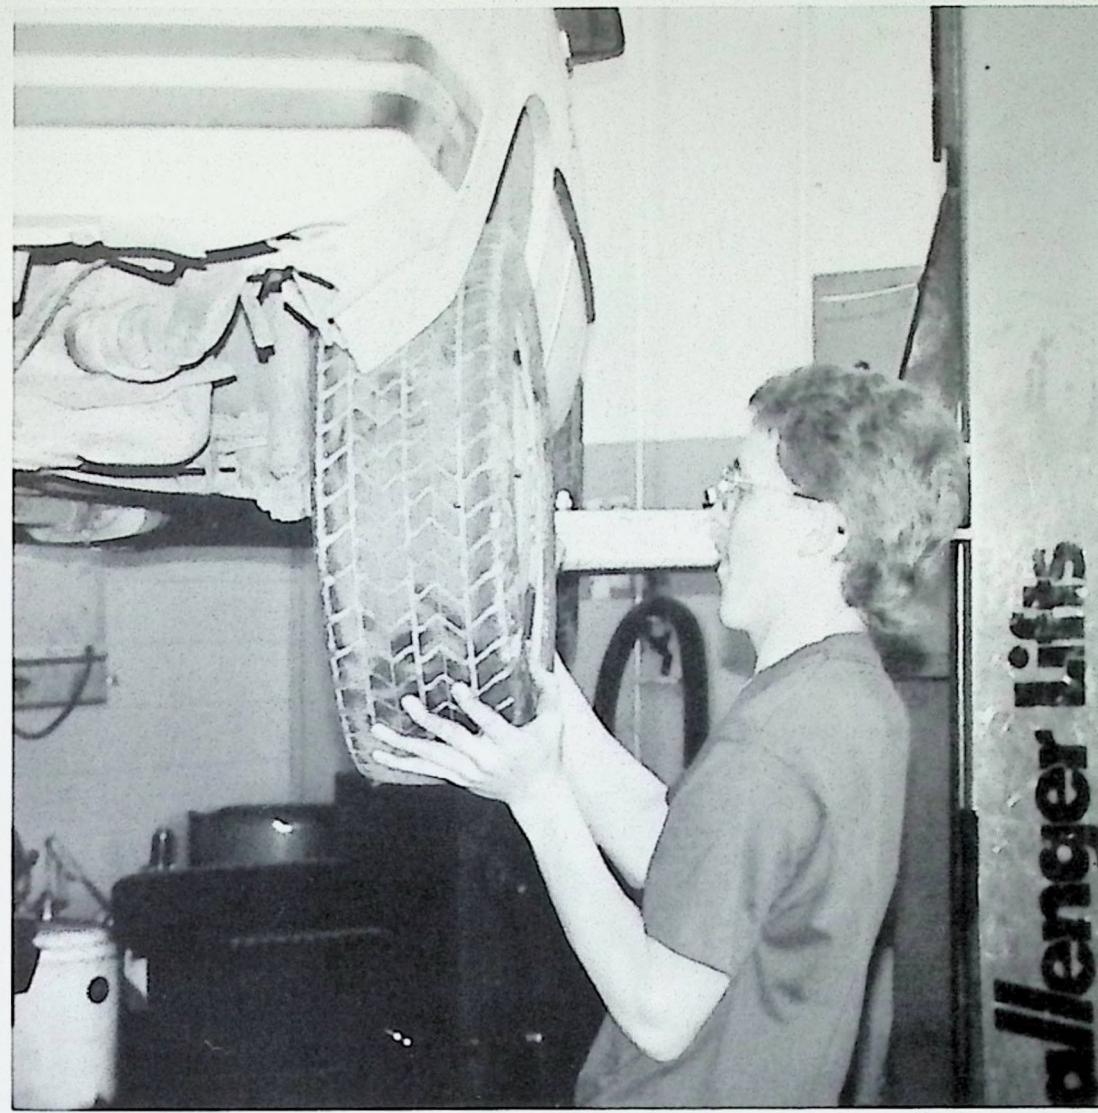

The department encourages students that attend the vocational school to join the car club, VICA, FFA, or clubs affiliated with classroom experiences. These clubs meet during school and give students the chance to participate in the skills olympics.

Senior James Campbell said, "I feel as if the vocational school has really taught me a lot about different ways to care for small animals. It has really given me hand-on experience."

# YOU HAD TO BE THERE

## Organizations "We Exceeded There"

The many organizations offered at Franklin County give everyone a chance to be involved and a chance to help others. F.C. offers clubs for servicing the community, challenging the mind, broadening your horizons, improving your school, and proving your devotion. Who could forget the services these clubs perform - the French Club sponsoring a family at Christmas, the Key Club selling Christmas trees, F.B.L.A. and Multi-Cultural Club sponsoring a food drives to help provide food for the less fortunate? Not only do others benefit, but those involved with the club benefit through self-gratification. Clubs at FC offer rewarding ways to spend leisure time.

# Establishing Tradition

## *Latin Club holds prominent space after only two years*

The Latin Club really took off this year. They competed in many different competitions throughout this school year.

At the State Foreign Language Festival held at the University of Kentucky on May 15, the Latin Chorus placed third. Junior John Maki and sophomore Michael Bass also qualified to compete in this state competition.

At the Regional Foreign Language Festival, junior Bonnie Chinn received a red ribbon for listening proficiency (level IV) and a blue ribbon for oral proficiency (level IV). Maki received a red ribbon for written proficiency.

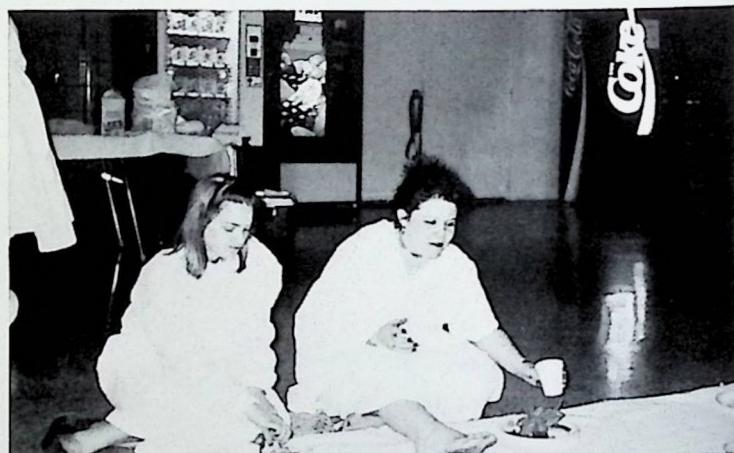

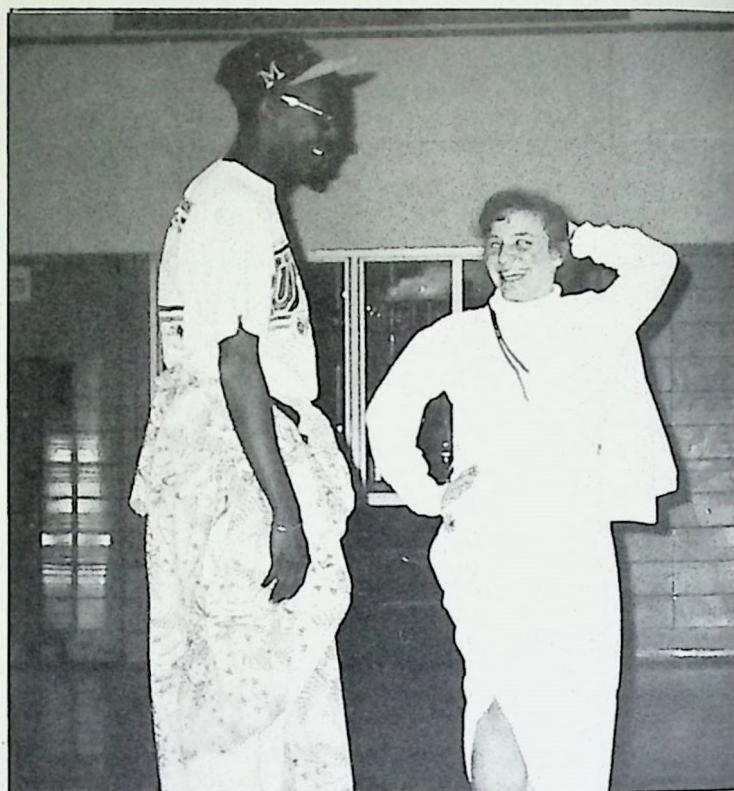

The Latin Chorus placed first at regional competition. Junior Mandy Fleming and sophomore Sunnie Tingle received blue ribbons for their artwork. Maki and Bass received awards in writing proficiency in Latin II and Latin I, respectively.

Students also took the National Latin Exam. Maki received a gold medal while Chinn received a silver medal. In Latin II competition, senior Suzanne Elam was awarded a Magna Cum Laude certificate, and seniors Jennifer Oberlin and Leah Alvis received Cum Laude certificates. In Latin I competition, Bass and Coldiron received Magna Cum Laude certificates, and Faith Anderson, Chris Lee, Emily Robertson, and Heather Luscher received Cum Laude certificates.

The Latin Club had a wonderful year, filled with fun and accomplishments. In addition to all the prestigious awards, students held a Roman banquet where they dressed in togas and had gladiator fights.

Officers for the club were Cathryne Callaway - president, Elam - vice-president, Kelley Parker - treasurer, Kelli Morrison - secretary, and Alvis. - historian.

# Eiffel In Love With French ¿José, Can You Sí?

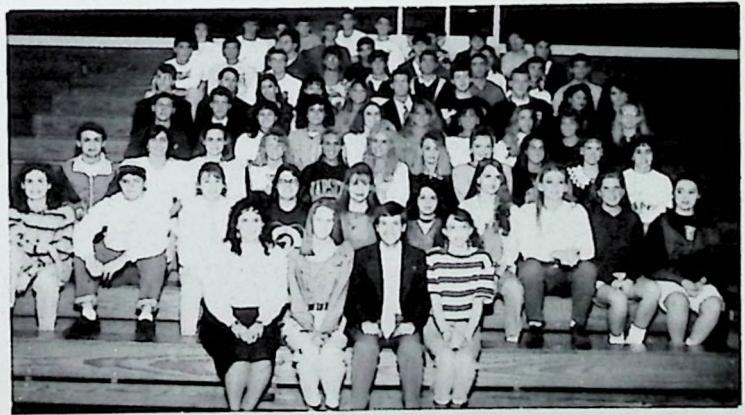

The French Club is open to any French student at F.C.H.S. It is one of the largest and most productive here. The sponsor is Mr. Terry Johnson.

Some of the activities planned for the 1992-93 school year included sponsoring a family at Christmas, and selling crepes at basketball games. At Christmas, the club also decorated the school and supplied trees for the holiday season.

The club also plans a trip to France every other summer, and encourages all of its members to go.

Officers for the 1992-93 school year were: **Daniel Walter "Henri" Skufca** - President, **Steven "Quasimodo" Guarnieri** - Vice President, **Stephanie "Fabienne" Griffin** - Secretary, and **Daniel "Serge" Logan** - Treasurer.

# Honoring Achievers

## *Academic and cultural excellence*

French Honor Society is an organization for those who perform exceptionally well in the French language. Not only do these students have a certain understanding and appreciation for the language, but they have maintained an A average in French class for at least four semesters and also have compiled a cumulative GPA of 3.0 or better.

The students involved in this honor program are eligible to compete in the regional and state foreign language competitions and also prove their skills by doing well on the National French Exam.

The organization's officers are **Suzanne Elam** - president, **Cathryne Calloway** - vice-president, **Amy Farmer** - secretary, **William Bean** - treasurer, and **Heather Rose** - historian. Annual inductions were held

on March 22 where 38 new members were admitted into the Society.

\*\*\*\*\*  
National Honor Society is an organization for juniors and seniors who have a minimum GPA of 3.3 and who express leadership qualities. The formal inductions were held in the fall and 25 new members were admitted into the club.

# Celebrating 25 Years

## Spanish Honor Society Honors Excellence

Franklin County is proud to sponsor the Spanish Honor Society. This club serves the purpose of honoring those students who excel in the study of the Spanish language. The Cervantes Chapter of the Spanish Honor Society at FCHS celebrated its 25th anniversary this year.

Under the guidance of sponsor Barbara Geoghegan, this club holds annual inductions, and they participated in the State Spanish Honor Society Convention where they were snowed in for two extra days. While attending the convention, **Rachelle Williams** was chosen for State

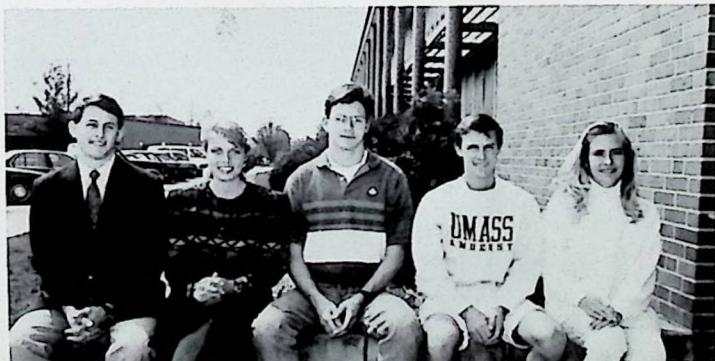

Secretary. The Society also provides scholarships for students, and they provide contestants in the Miss FCHS and Mr. FCHS pageants.

**Bonnie Chinn** was awarded a blue ribbon for Oral Proficiency, level IV, at the Regional Foreign Festival and a red ribbon for Listening Proficiency, level IV. **John Maki** also won a red ribbon for Written Proficiency.

This year's officers were President - **Geoff Geoghegan**, Vice-Presidents - **Emily Wilson** and **Truett Cohorn**, Secretary - **Dana Zachary**, and treasurer - **Jon Dvorak**.

# Facing the Future

*FBLA and CoEd Y prepare leaders for tomorrow*

The Future Business Leaders of America, under the supervision of Mrs. Tammy Klapheke and Miss Anita Stringer, promotes local businesses and participates in fundraising activities. One of the fund raisers this year was selling jewelry. The club met its goal of selling 140 items, making it possible to send five participants to the FBLA Regional Leadership Conference at Northern Kentucky University on March 17. Those students attending were seniors Michael Smith, Angela Hockensmith, Amanda Roberts, Stephanie Thurman, and Heather Luttrell.

The FBLA also organized a canned food drive and collected over 400 cans for the Salvation Army in time for Thanksgiving. The club co-sponsored a Christmas toy drive with Student Council and

purchased a gift for a needy child from Wal Mart's Love Tree.

In order to become a member of FBLA, students must enroll in at least one business course and pay club dues.

\*\*\*\*\*  
CoEd Y is a special club at FCHS which teaches its students service and leadership. The members of CoEd Y leave the club with high standards of the Christian way of life through involvement, brotherhood, and equality.

This year, CoEd Y conducted many activities for their community and their school. They participated in Kentucky United Nations Assembly (KUNA) and the Kentucky Youth Assembly (KYA). They also sponsored 12 children at Christmas and gave them gifts through the Salvation Army. The club sponsored a canned food drive as well.

# Focusing on Service

*Beta and SADD keep the tradition going*

If you end your freshman year with a 3.5 and maintain a 3.3 GPA throughout your next three years at FC, you could be eligible to be part of the Beta Club.

The Beta Club is a prestigious club at Franklin County which focuses on scholarship and service. Beta Club sponsors are Doug Newton and Laura Sell.

The club worked at the Franklin County cross country meet, and they also worked the school bookstore during the year.

At the annual Beta Club Convention, junior **John Maki** placed 2nd in the math competition and was eligible to go to National Convention.

The officers for the club are President- **Truett Cohorn**, Vice-President- **Emily Wilson**, Secretary- **Ellen Lamb**, Treasurer- **Jon Dvorak**.

To be in SADD - Students Against Drunk Driving, a student needs only to have an interest in helping reduce the problem of drinking and driving among students.

One club-sponsored activity that took place during the year was the passing out of birthday cards and keychains to those who turned 16 during the school year. The club also co-sponsored the "Ghost Out" program. Each 22 minutes, one senior was "killed" in a drunk driving accident and was unable to communicate for the remainder of the day. An assembly honoring the "dead" took place in the afternoon.

The SADD sponsor is Jerry Bohman. Officers are President- **Jason Lynch**, Vice-President- **Adam Columbia**, and Secretary- **Alison Cobb**.

# Agricultural Leadership

*Preserving our world while beautifying our surroundings*

Future Farmers of America is an agricultural - related organization, but this year it has focused more on agricultural leadership. This club not only teaches students to work with plants and animals, but it also prepares them for a career in the agriculture industry.

FFA is sponsored by Mrs. Terry Bowlds. FCHS takes pride in this organization because the club keeps the campus at FCHS looking clean and well - maintained. They plant trees and flowers around the campus as part of classroom learning activities. Students also have the opportunity to work in a greenhouse on-site.

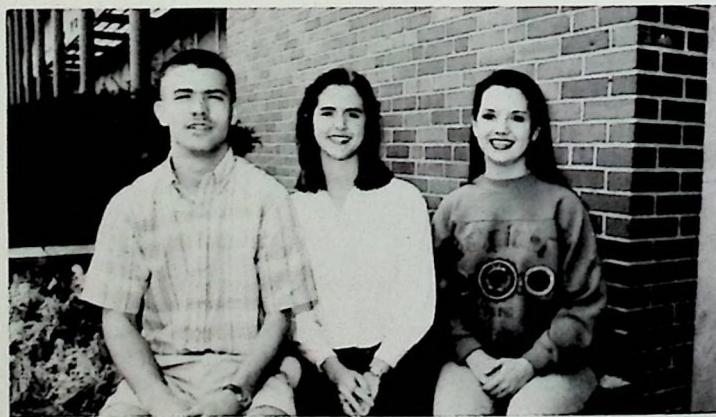

The officers for this year's club include: President - **Judy Sammons**, Vice-President - **Pam Abner**, and Treasurer - **Kyle Sparrow**.

Sammons said, "I feel as if FFA has made me more aware of the importance of agriculture in my world. It has given me the opportunity to see how important farmers are to our society."

With the help of Mrs. Bowlds and the members of FFA, we can be assured that the vital part agriculture plays in our lives can be preserved for the children of tomorrow.

# National Achievers

## VICA produces Winners

The Vocational Industrial Clubs of America (VICA) are a very important club to FCHS. VICA allows students who attend the Franklin County Vocational School to compete in local, regional, state, and national Skills Olympics.

Junior Delmar Cox and senior Fred Hamel competed in the VICA National Leadership Conference and United States Skills Olympics which were held in Louisville, Kentucky, on June 21 through 25. Cox competed in the welding division, and Hamel competed in the secondary Architectural Computer-Aided Drafting.

Hamel and Cox were invited to compete in nationals after placing first in the State Skill Olympics held in Paducah, Kentucky, on April 14-17. Both Hamel and Cox earned first place in the Re-

gional Skills Olympics.

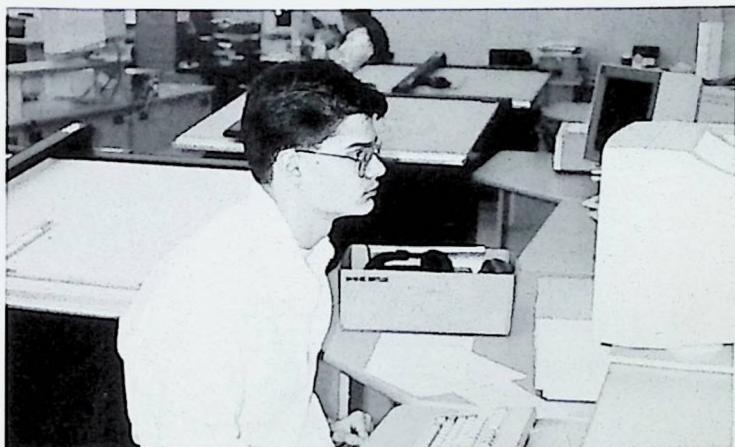

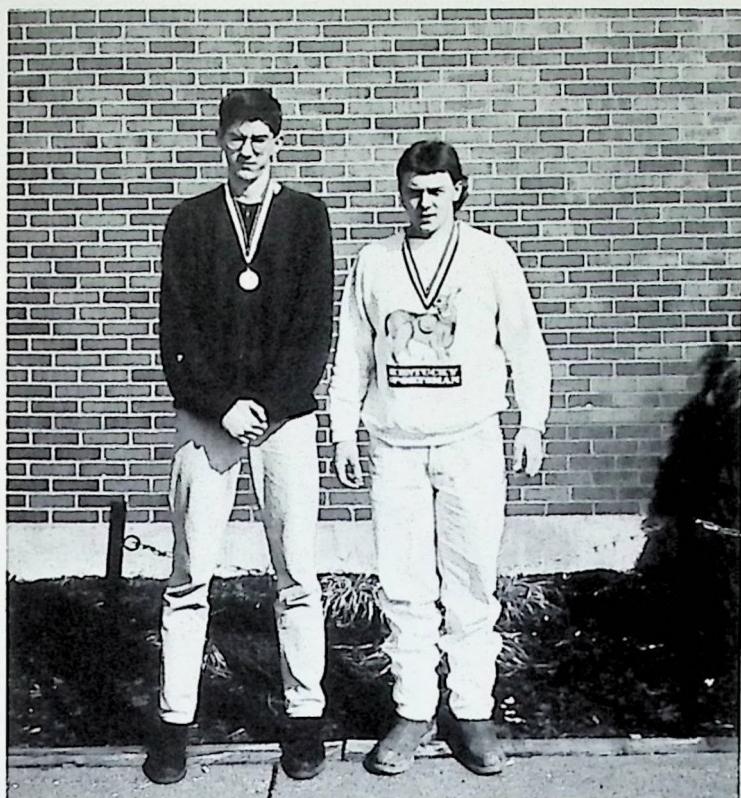

Cox and Hamel were also invited to participate in the International Skills Olympics held in Toronto, Canada, on May 6-8, 1993.

VICA members were able to travel to the Corvette plant in Bowling Green, KY., and visited the National Guard Post. The club held a fall membership drive, picnic, field trips, and FFA/VICA ballgames.

VICA officers are: President - Chad Vest, Vice-President - Angela Hortenbury, Secretary - Kenneth Lewis, Secretary - Eddie Baker, and Treasurer - Cox. The group is sponsored by Mr. Joe Yancey.

VICA encourages all students who attend the vocational school to share in their learning experiences.

# Beyond the Classroom

## *Students show interest in Math and Physics*

The Franklin County Math Club is made up of students that have an interest in math that expands beyond the classroom.

The Math Club brings the students great new knowledge so that they can be better prepared for the business world where math always plays a major part.

The idea of not having an activity period during the 1992-93 school year put a damper on the club's activities. With students being involved in other activities and not able to stay after school, the club was hindered in their attempts at club-sponsored activities.

Mr. Kerry Casey is the sponsor for Math Club.

If you are taking a phys-

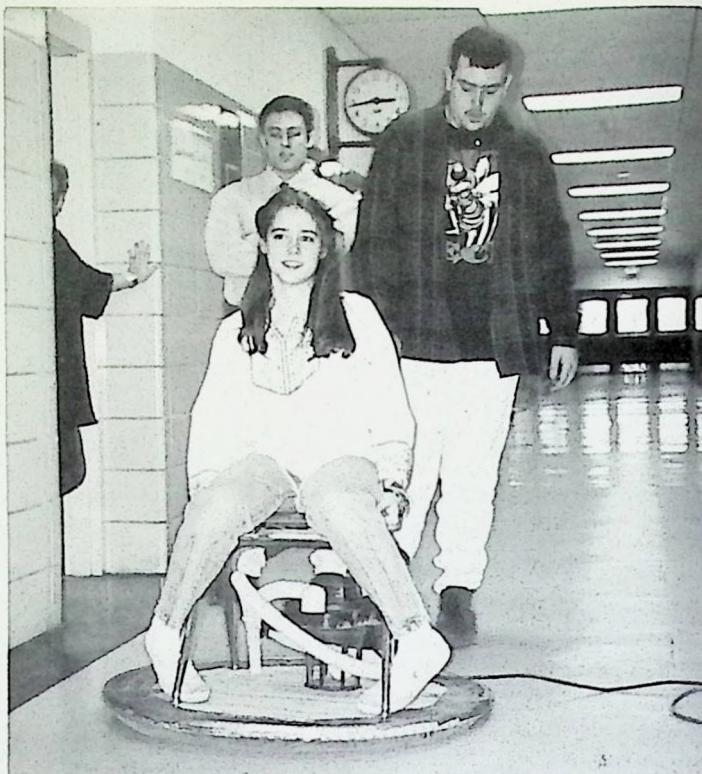

ics class, you can be part of the Physics Club. Sound too easy? Contrary to popular belief, you don't have to have a 4.0 GPA or make straight A's to participate in this club. You simply have to take physics and be interested in this field of study.

The club expands much further than the class. Students with an interest in pursuing physics as their college major can actually improve their knowledge by being a member of this club.

One of the physics club's activities was making homemade ice cream and delivering it door-to-door to teachers. The ice cream making venture utilized some of the laws of physics that the students had been studying.

Mr. Kerry Casey is also the sponsor of the physics club.

Above right - Senior Suzanne Elam is the only brave one to try out one of Mr. Casey's contraptions. Right - Seniors Whit Salyers, Jon Dvorak, Noah Cyboron, and Jason Bullock offer Mr. Joe Karsner some of the ice cream that they made in physics.

# Colorful Interests

## Expressing Ideas Through Different States of Matter

The Art Club is a group full of creative minds and talented individuals. Mrs. Kathy Bohman, art teacher and sponsor of the club, helps the members do everything they can to make FCHS a colorful and exciting place.

The club decorates for homecomings, paints spirit signs for athletic events, and they even worked on the sets for the Miss FCHS pageant. This year, they silkscreened and airbrushed t-shirts.

The club met several of its goals this year. They traveled to Morehead State to the High School Art Day, to Eastern Kentucky University's Art Department, and to the Regional Art Show in March. Freshman **Clay Gatewood** won first place in the National Food Services Art Contest. His logo will be printed on t-shirts, posters, etc. **John Armstrong** was a first place winner in the

watercolor division at the Regional Show.

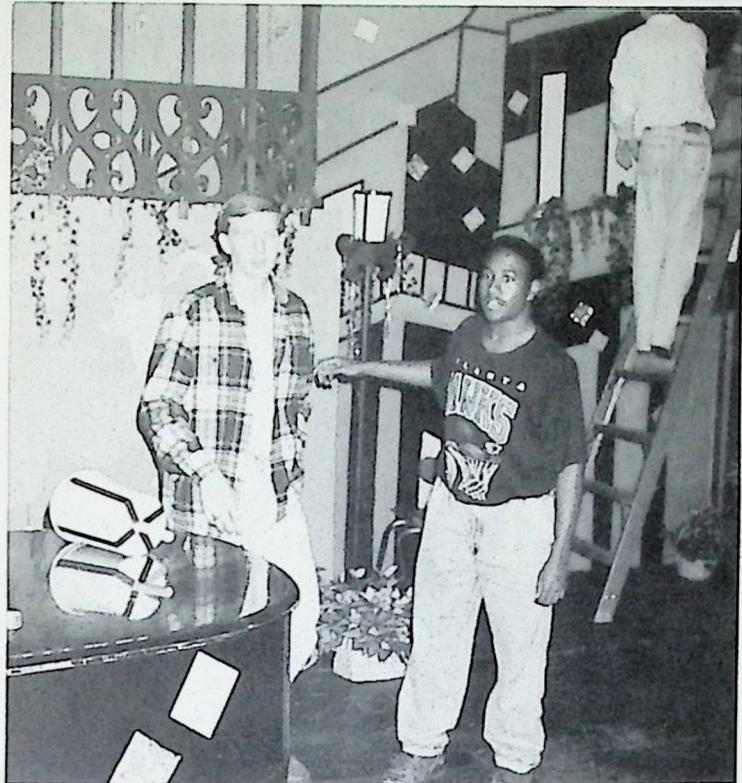

Art Club officers are **Eric Akers** and **Robbie Elliott** - presidents, **Kent Coogle** - vice-president, **Suzanne Elam** - secretary/treasurer.

The Science Club is sponsored by Ms. Terry Fitzpatrick. This year the club raised money for a field trip to the University of Kentucky Medical Center clinical labs. They also sponsored the Red Cross Blood Drive which was held in the Franklin County gymnasium.

Unfortunately, the Science Club was terminated this year due to lack of participation.

The Science Club officers are **Chris Kozenski** - president, **Jon Sharp** - vice-president, and **Amber Paul** - secretary.

# "Uncover and Discover"

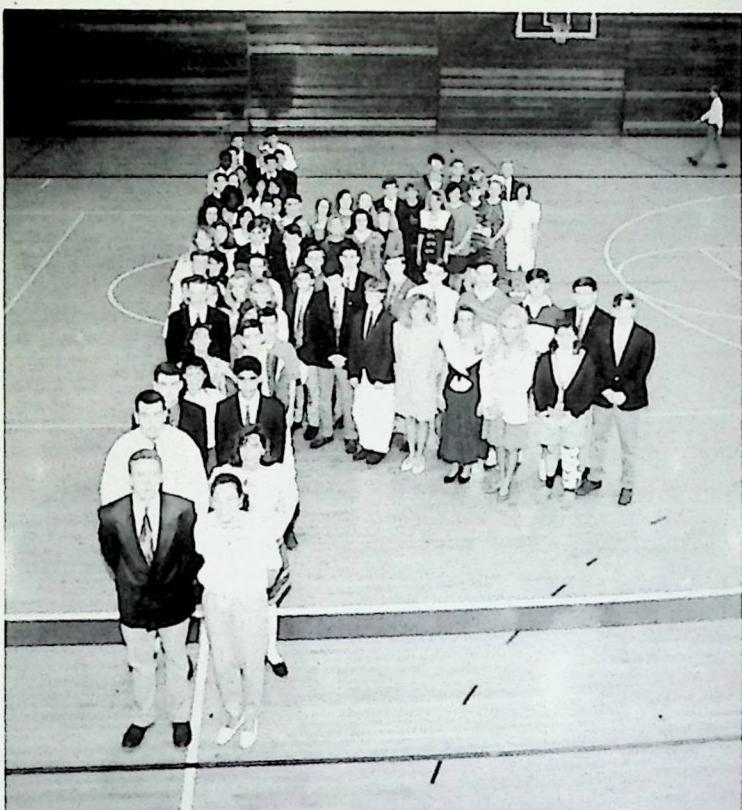

## *Key Club Excels Another Year*

Key Club is an organization which promotes leadership skills and personal character through service to the community. It is sponsored by the East Frankfort Kiwanis Club. The school sponsor is Mr. Scott Young. There are 71 members this year. The officers are Brian Ritchie - president, Daniel Logan - vice-president, Jesse Penn - vice-president, Abhay Lele - secretary, and Will Chinn - treasurer.

The Key Clubbers this year were involved in the Jaycees Haunted House, the Frankfort River Sweep, and the Big Brother/Big Sister Bowl-a-Thon. They also

helped with the Cross Country Invitational Tournament, helped in cleaning the Ronald McDonald House in Lexington and helped with the D.A.R.E. program at Elkhorn Middle School. They also participated in football by parking cars at games and cleaning the field before games.

The program that the Key Club placed the most emphasis on was called "Uncover the Darkness, Discover a Ray of Hope." This was the theme of a program to help combat child abuse and to educate younger students about child abuse. Their involvement helped to make Frankfort more aware overall.

# Brain Power

## Using Dedication to Achieve Success

The Franklin County Academic Team once again posted an undefeated season. According to their coach, Mr. Donald Sturgeon, this year's team had the knowledge to compete with the other teams throughout the state. Mr. Sturgeon is assisted by Ms. Nancy Finney.

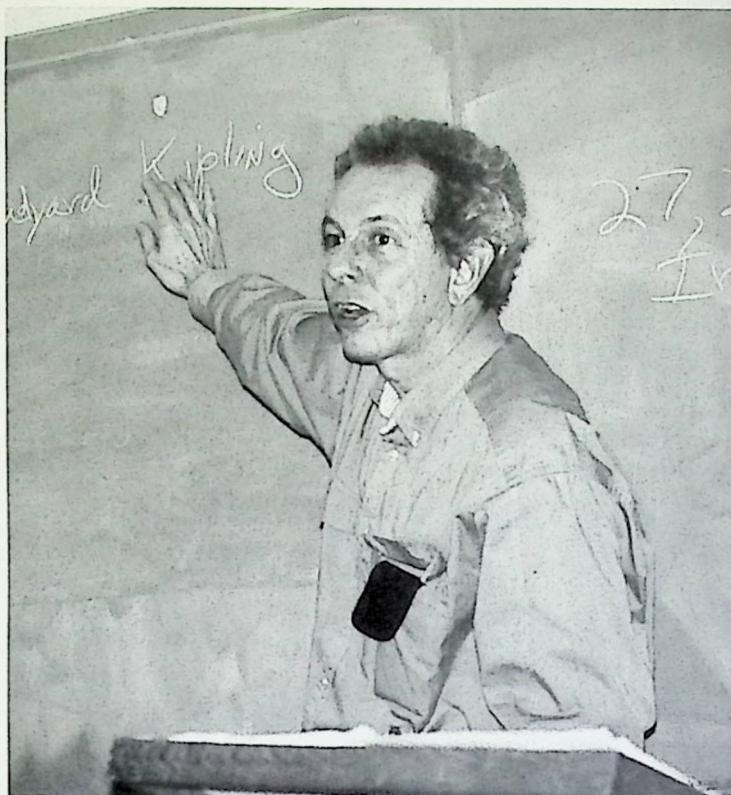

The main reason for the team's success is the dedication of its members. These team members are committed to winning. This year's members included Leah Alvis, Andrew Blankenship, Michael Bass, Cathryne Callaway, Bonnie Chinn, Matt Coldiron, Suzanne Elam, Amy Farmer, Craig Farmer, Mark Ison, Chris Kozenski, Abhay Lele, John Maki, Jerrill Johnson,

Brian Ritchie, Emily Robertson, Whit Salyers, and Ginger Watkins.

This year's team made an impressive showing in the Governor's Cup tournament. They won the District competition and placed runners-up in the Regional Governor's Cup competition.

The Academic Team has no captains or officers because, according to Coach Sturgeon, "They all function as a team. No one person is more important than any other person."

This team has risen above the occasion once again. With their dedication and successful winning records, they have put Franklin County back on the academic map.

Above right - Coach Don Sturgeon goes over some fine points with his team members. Right - Academic Team members are (1st row) - D. Sturgeon, J. Johnson, S. Elam, B. Chinn, A. Lele, B. Ritchie, M. Coldiron, N. Finney; (2nd row) - J. Maki, M. Ison, M. Bass, J. Dvorak, and W. Salyers.

# Culture and Character

## *Learning about ourselves and others*

The Multi-Cultural History Club was originated three years ago as the African-American History Club. At the beginning of the 1992-93 school year, however, the Board of Education changed the name to the Multi-Cultural History Club. Mr. Shaun Garing and Mr. Jerry Calhoun sponsor the club and are working to change the club back to its original name.

During the 1992-93 school year, the club held a canned food drive, receiving over 600 cans of food for the Soup Kitchen. They also gave turkeys to the needy. They also sponsored two dances, one of which featured a step show by the Omega's Fraternity and Delta Sigma Theta Sorority.

The club had an end of year bash at Longrun Park located in Simpsonville, Ky. The club barbequed, danced, and played music.

The officers of the Multi-Cultural History Club are: President - Robbie Elliott, Vice-President - Kendrica Hurst, Secretary - Latashia Kennedy, Treasurer - Dionne Moore, and Parliamentarian - Kumar Wilson.

The FCHS Work Experience Club is an organization that encourages students to work together to strengthen each student's character and cooperation skills. Students are encouraged to perform one service project during the school year.

This club provides social events for students to learn to interact positively. Students work together raising money to use for an end of the year environmental trip to Otter Creek. During this trip, students rely on one another to complete the challenges of the field events.

# You're My Hero

## Hero Club Provides Service

The Home Economics Related Organization, also known as the HERO Club, is made up entirely of very responsible students who are interested in home economics-related careers or who are interested in projects involving the home and community.

This club is sponsored by Susan Stivers who teaches interior design here at FCHS. All of the members of this club participate in projects involving the home, community, and the workplace.

The club provides many opportunities for students involved in home economics and related organizations. It helps youth assume its place in society by gaining more knowledge of the community and develops their communica-

tions skills. The club encourages its members to become more responsible adults.

This year, the club has sponsored numerous activities. A few of these activities were sponsoring food drives for the Salvation Army and providing child care for the family resource center. The group also provided mentoring for the family resource center and sponsored an Easter egg hunt. The members became "pals" for a group of 4th graders also this year.

This year's officers were **Karen Blackwell** - president, **Betty Brown** - vice-president, **Sara Scott Nallia** - secretary, and **Ashley Lewis** - treasurer.

# Fellowship at FC

## *Creating a Christian Atmosphere*

The Fellowship of Christian Athletes (FCA) at Franklin County High School is a rapidly growing organization. In fact, the attendance of this club increased so much throughout the year that the group was forced to meet in the gymnasium instead of a classroom.

FCA is sponsored by Mr. Terry Johnson and meets every Friday morning before school begins. Each meeting is led by President **Cathryne Callaway**, senior. Unlike other organizations that customarily have officers, FCA has a council composed of seniors **Leah Alvis**, **Suzanne Elam**, **Julie Reese**, and junior **Heather Luscher**.

This organization participated in many activities

throughout the year. FCA members brought food and gifts to a needy family in Frankfort during the Christmas season. In September, a group prayer at the flag pole was a big opportunity for students. A great number of students turned out at 7:30 a.m. to pray around the flag pole. The Franklin County FCA also took part in the State FCA Banquet and in the State FCA Convention.

The name Fellowship of Christian Athletes does not accurately reflect the membership of this group since only half of its members are athletes; therefore, members are searching for a new name in hopes that any student will join this group to share in warm Christian fellowship.

# Choosing to Serve

*Students work for students to bring about change*

The FCHS Student Council is composed of students who have been elected by their classmates to serve as representatives who work together for the good of the students and the school. Each class selects twelve representatives, through petitions of names of students and teachers, to sit on the board. Students may opt to run for a Student Council office which requires that they complete a petition and also go through a voting procedure.

During the 1992-93 school year, the Student Council completed many activities. They set up a booth during the Great Pumpkin Festival to raise money and to promote their organization. In February, the Student Council members sponsored an "I Love You" Week. Activities during the week included selling Val-

o-grams. In May, the Student Council brought members of other schools to spend a day at FCHS, and later in the month, the FCHS members traveled to other schools. By participating in these student exchange days, Student Council members may learn beneficial ideas that will better our school, but they may also share successful FCHS ideas and programs with members of the other schools. Finally, the Student Council members provided a lunch for the faculty in observance of Teacher Appreciation Day.

During the year, Vice-President **Kelli Morrison**, senior, was chosen the Outstanding Student Council Member for her hard work and dedication to the club.

The council is sponsored by Mr. Lonnie Lewis, FCHS history teacher.

# Expressive Mediums

*Using creativity and writing for expression*

The FCHS newspaper staff is a special group of people who work inside and outside of school to publish The Falcon. This paper comes out monthly in the Frankfort State Journal. It covers news and special school events which affect the students at F.C.

The students enrolled in journalism design, write, and essentially create the Falcon newspaper. Ms. Linda Younkin of the State Journal teaches the students how to typeset the newspaper using the State Journal's equipment. Under the direction of teacher Sherri Smith, Editor **Josh Antenucci**, and Assistant Editors **Daniel Logan** and **Amy Farmer**, the students in the class obtained the experience of journalistic techniques that

may be used to their advantage in the future.

\*\*\*\*\*  
The FCHS Drama Club continues to carry on the tradition of creative expressionism that not many other clubs offer. Anyone interested in joining is encouraged. The sponsors for the Drama Club were Ms. Terry Fitzpatrick and Ms. Lesa Kidwell.

The club stayed very busy this year as they sponsored a Halloween Dance and Maze in October, but their greatest achievement was the production of The Saga Of Sagebrush Sal. Officers for the drama club were: **Troy Sparks**-President, **Karen Green**-Vice President, **Carly Bowman**-Secretary, and **Heather Luscher** -Treasurer.

# A New Beginning

## Showing Superior Quality

The assorted Franklin County choruses had a brand new year with a brand new teacher, Lesa Kidwell. The new change brought about a beautiful sound that sent Choristers to KMEA Regional competition at Dunbar High School. The choir received a superior rating, the highest possible award given at the competition. Then, at the State Festival competition at Centre College, the Choristers again received a superior rating.

Show Choir had the opportunity to compete at Renfro Valley, and then won first place against show choirs from across Kentucky and Ohio at the Kings Island competition.

All three choirs - Choristers, Show Choir, and Mixed Choir (composed mainly of freshman) - had many events that they performed with tremendous skill. Some of these events included singing at Switzer Covered Bridge during Covered Bridge Day in October, participating in the Candle-

light Tour at the Civic Center in November, and giving a concert at the Vietnam War Memorial in November. They also gave concerts for the school and local nursing homes.

Four outstanding singers were chosen to this year's All-State Chorus - **Troy Sparks, Bobby Hansel, Mark Ison, and Heather Luscher.**

The Choristers ended their year at baccalaureate with the song "In All Things," composed by Troy Sparks, and at commencement exercises with the song "Roots and Wings."

The Franklin County choirs have had an inconsistent three years with three different teachers, but the choirs have surpassed all of the difficulties and have managed to perform at the same superior levels. Having superior choirs is a tradition at Franklin County, and this year's choirs are no exception.

# A Major Difference

## *FCHS Majorettes Use Their Skills to Twirl to Perfection*

During the 1992-93 sports seasons, the Franklin County majorettes gave a great deal of support. To start the season, they went to a majorette camp at the University of Kentucky. They held a summer clinic at the Y.M.C.A. which also served as a fundraiser for them. Operating a cotton candy booth at both the Expo and the Band Bazaar also proved to be profitable money-making ventures.

During the first week of August, the majorettes went to band camp. During camp, they learned their first couple of shows for the home football games.

The majorettes did not win any awards this year be-

cause they were unable to go with the band to their competitions.

There were three senior co-captains this year - **Julie Reese**, **Ellen Lamb**, and **Emily Wilson**. The girls performed at all home football games this past year, and they also gave the basketball team and their fans some entertainment at a halftime show.

To some people, it seems that the majorettes are just symbols of beauty, but they are much more than beauty. They work hard and all of them seem to get along with each other. They cooperate well for fundraisers. With all of these characteristics, it is easy to see that the majorettes make the "Major Difference".

# Musical Memories

## *The halls are alive with melodies*

The FCHS Band had a very successful year in 1992-93. The band began their season by attending camp at Northern Kentucky University in early August. In preparation for the camp, the Flyer band members began practice at 7:00 each morning and continued until 10:00 each night. During their camp, the band focused on practicing routines, learning ramps, and much more.

Camp, the first leg of the season, led the band into an exciting series of performances at home football and basketball games. Also, later in the year, the Flyer Jazz Band performed at the Derby Breakfast held at the Capitol, and they performed at the first annual Mayfest held at FCHS.

The band also attended the annual Band Festival on April 16, where they received a superior rating - the highest possible score. From there, the band went on to the State Band Festival, where they received a rating of excellence.

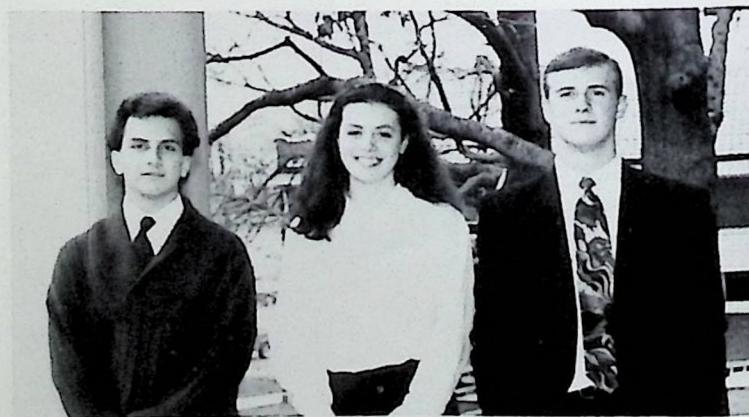

Ten members of the band were selected for district band and three members went on to be selected for the All-State Band. District band members from FCHS were **Melodi Cook, Faith Anderson, Sara H a r r e l s o n , T a m m y Hammond, Kyle Thompson, Ryan Adcock, Jesse Penn, and Robert Snelson**. All-State Band members were Snelson, Anderson, and Adcock.

You Had To Be There

## Community "They Helped Us There"

When traveling around Frankfort, it becomes apparent that FCHS has a great number of businesses to which it can turn for support. Without the help of local businesses and restaurants, as well as private donors, it would be impossible to print The Flyer. The staff of this book would like to thank the many contributors who donated in any way. This section of the book contains advertisements from local businesses and also contains senior personal ads, donated from parents or guardians. Our utmost gratitude goes out to the Frankfort community for helping us get there in 92-93.

Above - Seniors Becca Comley, Carrie Ripy, Julie Reese, and Dana Zachary patronize one of the local Frankfort businesses. Left - A group of juniors uses a local Frankfort business to hold a fundraiser for the parents of classmate B.J. Quire.

## Colophon

Volume 35 of the Franklin County High School Flyer was printed by Josten's Yearbook Company in Clarkesville, Tennessee. Aldus Pagemaker 4.0 software was used for the first time to prepare a camera-ready book for publication. Using a Macintosh SE computer, all print and layout work was done in class by students responsible for those pages. The body type is set in 10 pt. Times, and the headlines are set in 30 pt. Times. Subheadlines are in either 14 pt. Times or 24 pt. Times.

The paper stock is Glossy 191, and the endsheet stock is Snow 280 with Medium Blue 285 overprint. The cover was custom stamped using Gold Foil 380 and Blue

349 on top of Black 785. The cover was printed at the Josten's plant in Topeka, Kansas.

Black and white pictures were taken by individual yearbook students and were printed and processed by Thompson's Photo Products in Brighton Park Mall in Frankfort, Kentucky. Senior pictures were provided by various photographers, and underclass photos were provided by Georgian Studios on Southland Drive in Lexington, Kentucky. Mr. Don Wainscott took the organizations' group shots.

The 1992-93 Flyer had a press run of 400 copies, and they were sold at \$27 without name imprinted and \$29 with name imprinted. Books were on sale during October 1992 and March 1993.

## Acknowledgments

The end of the yearbook is here, and we, the editors, would like to thank all those who made it possible. Thanks to:

- God, for giving us the strength and patience to finish this monumental task.
- Our parents, for instilling goals and values in all of us.
- The State Journal, for coming through for us with negatives when we were in a bind.
- Michelle Bailey, for bringing "all your friends" to help and for donating all your 1st hour time to work.
- Stephanie Woodruff, for your hard work in sticking it out, and always remember to check the batteries.
- Lamont Graves, for actually getting your pages finished on time and for never asking someone else to give up the computer.
- Carrie Ripy, for ALWAYS disturbing class and for managing to get in every photo that you were supposed to be taking.
- Gary Groves, for all of your great personal stories and for never complaining about work.
- Beth Tracy, for keeping the phone lines in proper order and for indexing, indexing, indexing.
- Stacey Shields, for starting something and leaving us to finish.
- Elizabeth Tracy, for just showing up. It's too bad you couldn't get Gary up earlier than noon.
- Stephanie Cassin, for giving us the underclass "crisis" and for FINALLY finishing the Friends page.

• Hillary Rogers, (from Stephanie) for being here until the end, putting in the extra hours, and always bringing a smile to class. Also, thanks for not letting me kill the rest of the staff. You were a great co-editor.

• Stephanie Griffin, (from Hillary) for all your help and for becoming authoritarian and taking over. We didn't always have the most fun jobs, but we were able to do it together. It's been a great experience and I couldn't have asked for anything more (except for maybe the summer off).

• Chris Easterly, for taping our commercials, for never finishing our video, and for getting in all the organizations' photos.

• Eric Comley, for being Carrie's husband.

• Steve Schenck, for letting us use the Mac, as much as some of us hated it.

• Sherri Lynn, for putting up with all of our problems. It seems that when we were the most behind, we had all our gossip talks. Most of all, thanks for not killing each and every one of us, and we know you considered it! You stayed when most of us couldn't, even if it meant working all summer. We all love you, and we'll all miss you. You were not only a great teacher, but also a great friend.

S.G. & H.R., Editors  
Always remember, when things look low,  
"Dey are up!"

## CHIEFS

You Had To Be There

The 1992-93 school year brought its share of wonderful and unique experiences that all those involved will never forget. Along with these experiences, students forged new friendships and strengthened existing ones. They enhanced their knowledge not only through textbooks and teachers but also through their high school experiences - the late night cramming sessions, the special dates, the breakups, the ball games, the dances, and the times spent just hanging out with friends. The students who were fortunate enough to be a part of the Flyer family gained a sense of themselves and discovered a sense of loyalty to those who shared in their high school experiences. We hope that you can look back through the pages of this book and always remember that "You Were Here."
